

SUBMISSIONS

Public involvement is an important element of the decision-making processes of the Queensland Competition Authority (the Authority). It therefore invites submissions from interested parties concerning its assessment of BBI (DBCT) Management Pty Limited's (DBCT Management) draft amending access undertaking (DAAU) which was submitted by DBCT Management on 6 September 2007. The purpose of DBCT Management's DAAU is to revise the Annual Revenue Requirement, Revenue Cap and Terminal Infrastructure Charge (TIC), based on the forecast costs of the phase 1 expansion.

Written submissions should be sent to the address below. While the Authority does not necessarily require submissions in any particular format, it would be appreciated if two printed copies are provided together with an electronic version on disk (Microsoft Word format) or by e-mail. Submissions, comments or inquiries regarding this paper should be directed to:

Queensland Competition Authority

Brisbane QLD 4001
Telephone: (07) 3222 0555
Fax: (07) 3222 0599
Email: ports@qca.org.au

Submissions must be received by **cob 28 September 2007**.

For further enquiries contact Ravi Prasad on (07) 3222 0533.

Confidentiality

In the interests of transparency and to promote informed discussion, the Authority would prefer submissions to be made publicly available wherever this is reasonable. However, if a person making a submission does not want that submission to be public, that person should claim confidentiality in respect of the document (or any part of the document). Claims for confidentiality should be clearly noted on the front page of the submission and the relevant sections of the submission should be marked as confidential, so that the remainder of the document can be made publicly available. It would also be appreciated if two copies of each version of these submissions (ie the complete version and another excising confidential information) could be provided. Again, it would be appreciated if each version could be provided on disk. Where it is unclear why a submission has been marked "confidential", the status of the submission will be discussed with the person making the submission.

While the Authority will endeavour to identify and protect material claimed as confidential as well as exempt documents (within the meaning of the *Freedom of Information (FOI) Act 1989*), it cannot guarantee that submissions will not be made publicly available. As stated in s187 of the *Queensland Competition Authority Act 1997* (the QCA Act), the Authority must take all reasonable steps to ensure the information is not disclosed without the person's consent, provided the Authority is satisfied that the person's belief is justified and that the disclosure of the information would not be in the public interest. Notwithstanding this, there is a possibility that the Authority may be required to reveal confidential information as a result of an FOI request.

Public access to submissions

Subject to any confidentiality constraints, submissions will be available for public inspection at the Brisbane office of the Authority, or on its website at www.qca.org.au. If you experience any difficulty gaining access to the documents, please contact the office on (07) 3222 0555.

Information about the role and current activities of the Authority, including copies of reports, papers and submissions can be found on the Authority's website.
