Dear Mr Hall

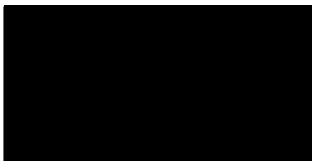

**ELECTRICITY DISTRIBUTION:  
REVIEW OF EXCLUDED DISTRIBUTION SERVICES**

Ergon Energy Corporation Limited (Ergon Energy) welcomes the opportunity to comment on the Draft Decision on the *Electricity Distribution: Review of Excluded Distribution Services*.

Ergon Energy is supportive of the Draft Decision, and the direction that Queensland Competition Authority has adopted in pursuing a light handed form of regulation for these services. Re-classification of these services provides Ergon Energy with the opportunity to send appropriate pricing signals to the users of these services in an environment of full retail contestability, and is consistent with interstate treatments.

If there is any further information that we can provide, please contact either myself or Troy McKay-Lowndes on 07 4122 5312.

Yours faithfully

**Tony Pfeiffer**  
General Manager Regulatory Affairs
