Dear Paul

Dalrymple Bay Coal Terminal (DBCT) 2010 Draft Access Undertaking

Macarthur Coal Limited (MCC) refers to its letter to the QCA of 29 April 2010 in relation to the draft access undertaking submitted by DBCT Management Pty Ltd for the Dalrymple Bay Coal Terminal.

Following further discussion with DBCT Management, MCC is now satisfied that the issues raised in that submission will be adequately addressed by other means in the near future. MCC therefore requests the QCA to treat that submission as effectively withdrawn, with MCC having no objection to the draft access undertaking being approved in its present form.

Yours sincerely,
MACARTHUR COAL LIMITED
