Dear Paul

Dalrymple Bay Coal Terminal (DBCT) 2010 Draft Access Undertaking

Rio Tinto Coal Australia Pty Ltd (RTCA) refers to its letter to you dated 29 April 2010 in relation to the draft access undertaking submitted by DBCT Management Pty Limited for the Dalrymple Bay Coal Terminal.

RTCA is now satisfied that the issues raised in that letter will be addressed in other ways in the future, and I therefore ask you to treat that letter as effectively withdrawn, RTCA having no objection to the draft access undertaking being approved in its present form.

Yours faithfully,

Graham Walker
General Manager Coal Chain & Operations Support
