Dear Mr Fraser

**Final decision—Aurizon Network 2013 Standard User Funding Agreement draft amending access undertaking**

Today the QCA released a final decision to refuse to approve Aurizon Network's 2013 Standard User Funding Agreement draft amending access undertaking (2013 SUFA DAAU). The reasons for this are set out in the decision document, along with the amendments the QCA considers appropriate in order for it to be approved.

This final decision draws on previous work the QCA has done, including position papers and a draft decision on various aspects of the 2013 SUFA DAAU, extensive stakeholder consultation and submissions received, and its own further analysis. The QCA acknowledges the continued effort from Aurizon Network and stakeholders in this process.

The final decision and related documents can be downloaded from our website at [www.qca.org.au](http://www.qca.org.au).

Yours sincerely

Professor Roy Green  
Chair
