## Confidentiality of submissions

The Minister's delegation requires the QCA to consider all submissions received within the consultation period (i.e. 28 February 2019 to 12 April 2019) and make them available to the public, subject to normal confidentiality considerations.

Any decision as to confidentiality will be made by the QCA in accordance with the *Queensland Competition Authority Act 1997* (the QCA Act).

Claims for confidentiality should be clearly noted on the front page of the submission. The relevant sections of the submission should also be marked as confidential, so that the remainder of the document can be made publicly available. However, despite being marked confidential, the QCA's duties in relation to information which is claimed to be confidential are only those in the QCA Act. It would also be appreciated if two versions of the submission (i.e. a complete version and another excising confidential information) could be provided.

A confidentiality claim template is available on our website. We encourage stakeholders to use this template when making confidentiality claims. The confidentiality claim template provides guidance on the type of information that would assist our assessment of claims for confidentiality.
