Transport Infrastructure Act 1994
Acts Interpretation Act (1954)

**NOTIFICATION OF REVOCATION AND DECLARATION
OF STATE-CONTROLLED ROADS**

Notice is hereby given under sections 24 and 25 of the *Transport Infrastructure Act 1994*, that the roads or route, or parts of the roads or route described in the schedule are hereby declared or revoked, as State-controlled roads, as the case may be. As required by the abovementioned sections of the *Transport Infrastructure Act 1994*, Gold Coast City Council has been notified and the declarations described in the schedule below are consistent with the department's transport infrastructure strategies.

Brent Andrew Mickelberg
Minister for Transport and Main Roads

THE SCHEDULE

That on and from 28 August 2026, the declaration of the State-controlled roads specified in Appendix I hereto, are partially revoked, and in lieu thereof, the roads described in Appendix II hereto, are declared as State-controlled roads, respectively, under and for the purposes of the *Transport Infrastructure Act 1994*.

The area (that is, alignment and width) of the State-controlled roads described in Appendix II shall apply to the area of the road corridor shown on the approved plans as "State-controlled Road (Subject Road) / Network" ("**relevant area**") where the existing trafficked route is contained within a surveyed road corridor (unless otherwise specified), provided that:

- (a) where the existing trafficked route is through a State Reserve, State Forest, timber reserve, vacant State land or pastoral holding the area (that is, alignment and width) shall apply to 30 metres each side of the constructed centreline of the road pavement or surface; and
- (b) the relevant area excludes all roads or routes shown within the relevant area on the approved plans as "Local Government Controlled Road within State-controlled Road Corridor" connecting directly to a local government road outside the relevant area ("**local road**"):
 - (i) including to extent that the local road is under or over the existing trafficked route that is the subject of this declaration; and
 - (ii) including any verge or nature strip, signage, footpath or other pedestrian area, parking area, rest or recreational area and any active transport infrastructure (within the meaning of the *Transport Planning and Coordination Act 1994* (Qld)) associated with, or forming part of, the local road,

provided that, where the local road is under or over the existing trafficked route that is the subject of this declaration, the local road does not include the bridge, overpass, underpass, tunnel or other structure (inclusive of all foundations, pillars, batters and abutments) under, on or within which the local road is located.
