Dear Mr Carter

### **QR Network's Electric Traction Services Draft Amending Access Undertaking**

On 16 December 2011, the Queensland Competition Authority (the Authority) received from QR Network Pty Ltd (QR Network) an application to approve a draft amending access undertaking (DAAU) to the approved 2010 access undertaking, proposing changes to the pricing arrangements for electric traction services.

Section 146 of the *Queensland Competition Authority Act 1997* (the QCA Act) requires the Authority to provide the owner of the service with a formal notice if it proposes to conduct an investigation and to invite the owner of the service to make a written submission to the Authority. This is the purpose of this letter.

### **Notice of investigation**

The Authority proposes to conduct an investigation to decide whether to approve, or refuse to approve, QR Network's DAAU.

In accordance with section 138 of the QCA Act, the Authority may approve a DAAU only if, among other things, it has:

- (a) published the undertaking and invited persons to make submissions on it; and
- (b) considered those submissions.

### **Submissions**

The Authority has published the DAAU on its website ([www.qca.org.au](http://www.qca.org.au)) and sought submissions from interested parties. The due date for submissions is **10 February 2012**. The Authority will consider any submissions it receives within that time.

The Authority invites a written submission from QR Network. Attached is a submissions page to assist in the preparation and lodgement of a submission. QR Network is welcome to comment on any aspect of the DAAU.

Any enquiries should be directed to Leigh Spencer on (07) 3222 0532.

Yours sincerely

EJ Hall  
Chief Executive

## SUBMISSIONS

Public involvement is an important element of the decision-making processes of the Queensland Competition Authority (the Authority). Therefore, submissions are invited from interested parties concerning the Authority's assessment of the electric traction services draft amending access undertaking (DAAU) to the approved 2010 access undertaking (2010 AU) submitted by QR Network Pty Ltd to the Authority on 16 December 2011. The Authority will take account of all submissions received.

Written submissions should be sent to the address below. While the Authority does not necessarily require submissions in any particular format, it would be appreciated if two printed copies are provided together with an electronic version on disk (Microsoft Word format) or by e-mail. Submissions, comments or inquiries regarding this paper should be directed to:

Queensland Competition Authority  
GPO Box 2257  
Brisbane QLD 4001  
Telephone: (07) 3222 0532  
Fax: (07) 3222 0599  
Email: rail@qca.org.au

The **closing date** for submissions is 5.00 pm 10 February 2012.

### Confidentiality

In the interests of transparency and to promote informed discussion, the Authority would prefer submissions to be made publicly available wherever this is reasonable. However, if a person making a submission does not want that submission to be public, that person should claim confidentiality in respect of the document (or any part of the document). Claims for confidentiality should be clearly noted on the front page of the submission and the relevant sections of the submission should be marked as confidential, so that the remainder of the document can be made publicly available. It would also be appreciated if two copies of each version of these submissions (i.e. the complete version and another excising confidential information) could be provided. Again, it would be appreciated if each version could be provided on disk. Where it is unclear why a submission has been marked "confidential", the status of the submission will be discussed with the person making the submission.

While the Authority will endeavour to identify and protect material claimed as confidential as well as exempt information and information disclosure of which would be contrary to the public interest (within the meaning of the *Right to Information Act 2009 (RTI)*), it cannot guarantee that submissions will not be made publicly available. As stated in s.187 of the *Queensland Competition Authority Act 1997* (the QCA Act), the Authority must take all reasonable steps to ensure the information is not disclosed without the person's consent, provided the Authority is satisfied that the person's belief is justified and that the disclosure of the information would not be in the public interest. Notwithstanding this, there is a possibility that the Authority may be required to reveal confidential information as a result of a RTI request.

### Public access to submissions

Subject to any confidentiality constraints, submissions will be available for public inspection at the Brisbane office of the Authority, or on its website at [www.qca.org.au](http://www.qca.org.au). If you experience any difficulty gaining access to documents please contact the office (07) 3222 0555. Information about the role and current activities of the Authority, including copies of reports, papers and submissions can also be found on the Authority's website.
