Dear Mr. Millstead

**Aurizon Network - Revised UT5 DAAU**

Pacific National welcomes the Queensland Competition Authority's (QCA) Decision on Aurizon Network's 2019 Draft Amending Access Undertaking (UT5 DAAU), inclusive of the amendments the QCA identified and consolidated in the 'Revised UT5 DAAU' at Appendix 1 of the Decision.

We note that, on 4 December, Aurizon Network submitted a Revised UT5 DAAU in response to the QCA Decision. Pacific National has reviewed Aurizon Network's Revised UT5 DAAU and has no objections to raise and is supportive of the QCA approving it.

We look forward to working with Aurizon Network, the Rail Industry Group and our coal and freight customers to ensure a streamlined implementation of the UT5 arrangements.

Yours sincerely

Robert Millar  
Regulation & Policy Manager
