Dear Mr Millstead,

Re: 8X Expansion Ruling – DBIM’s response to the QCA draft determination

DBIM supports the QCA's draft determination that socialisation is the appropriate pricing method for the proposed 8X expansion. The QCA's draft determination has facilitated the ongoing progress of the 8X Expansion FEL 3 Studies while the QCA continues its investigation toward a final determination on this matter.

DBIM supports the submissions made by BMC and Whitehaven in June 2021.

DBIM notes the assumptions underpinning the QCA's price ruling, and that in accordance with s.12.5(c) of the DBCT 2021 Access Undertaking, the QCA will confirm the Expansion Ruling following DBIM's application for the 8X Expansion.

Yours sincerely,
