Dear Mr Blakey

**DBIM's 2022-23 NECAP**

Thank you for your letter of 24 April 2023 containing information regarding \$44,667,600 of non-expansion capital expenditure (NECAP) expended by Dalrymple Bay Infrastructure Management Pty Ltd (DBIM) up to March 2023. DBIM sought confirmation from the QCA that it is reasonably satisfied that the NECAP meets the definition of capital expenditure in the 2021 DBCT access undertaking.

I can confirm that the QCA is reasonably satisfied that the expenditure incurred falls within the definition of capital expenditure contained in the 2021 DBCT access undertaking, on the basis of the nature of the works undertaken.

The QCA will publish this letter on its website for stakeholders' information.

Should you require more information, please contact Ann Jones on 07 3222 0555.

Yours sincerely

Charles Millstead
