

Aurizon Network's 2024-25 capital expenditure claim

4 September 2025

On 3 September 2025, Aurizon Network submitted its 2024-25 capital expenditure claim. We will assess Aurizon Network's capital expenditure claim for its acceptance into the regulatory asset base, in accordance with the 2017 access undertaking (UT5).

Aurizon Network's 2024-25 capital expenditure claim is published on our website.

A renewals strategy and budget (RSB) was approved for all systems for 2024-25.

As part of our assessment of Aurizon Network's claim, we will determine:

- the extent to which the asset replacement and renewal expenditure is consistent with an approved RSB, and the prudence and efficiency of capital expenditure that departs from an approved RSB
- the prudence and efficiency of other capital expenditure, including for works undertaken outside of an approved RSB.

Stakeholder submissions invited

We invite submissions from stakeholders on Aurizon Network's capital expenditure claim for 2024-25. We particularly welcome their views on whether the expenditure is consistent with the approved renewals strategies and budgets, and on the prudence and efficiency of expenditure that departs from an approved RSB or has otherwise been undertaken (in accordance with cl. 7A.11.6 and Schedule E cl. 2.2 of UT5).

Closing date for submissions: 2 October 2025

Submissions, comments or inquiries regarding this paper should be directed to:

Confidentiality

In the interests of transparency, and to promote informed consultation, we intend to make all submissions publicly available. However, if a person making a submission believes that information in it is confidential, they should claim confidentiality over the relevant information (and state the basis for that claim). We will assess confidentiality claims in accordance with the Queensland Competition Authority Act 1997. Among other things, we will assess if disclosure of the relevant information is likely to damage a person's commercial activities, and we will consider the public interest.

Claims for confidentiality should be clearly noted on the front page of a submission, and relevant sections of the submission marked as confidential. The submission should also be provided in both redacted and unredacted versions. In the redacted version, all information claimed as confidential should be removed or hidden. In the unredacted version, all information should be exposed and visible. These measures will make it easier for us to make the remainder of the document publicly available. A confidentiality claim template is available at www.qca.org.au/submission-policy/

The template gives guidance on the type of information that may help us to assess a confidentiality claim. We encourage stakeholders to use this template when making confidentiality claims.

Public access to submissions

Subject to any confidentiality constraints, submissions will be available for public inspection at our Brisbane office or on our website at www.qca.org.au/. If you experience any difficulty gaining access to documents, please contact us on **07 3222 0555**.
