To Whom It May Concern:

I am writing to voice my objection to the proposed water price increase by the G.A.W.B. for the Mt. Larcom, Gladstone districts. The G.A.W.B. can not have it both ways, during the last drought the G.A.W.B. urged us to conserve water, which the community did. Now the G.A.W.B. is saying we aren't using enough water for the G.A.W.B. to make enough profit.

This surely is very hypocritical.

Yours truly,

Wendy Burrows
