- (c) For the avoidance of doubt, if the liability of a Preference Unit Holder to pay to the Trustee any amount unpaid on the Partly Paid Units is extinguished in accordance with the provisions of the Unit Holders Deed, the subsequent termination of the Unit Holders Deed will not affect that extinguishment.

8.6 Uncalled Amount on winding up of the Trust

On the winding up of the Trust, a holder of Partly Paid Units has no liability to the Trust in respect of its Uncalled Amount except to the extent of Calls made prior to the date specified by the Trustee as the date the winding up commenced.

- (b) For the avoidance of doubt, a forfeiture of Units under this **clause 9.6** is not a disposal of Units, and the Units remain the property of the Unit

Holder subject to the restrictions set out in this **clause 9** until the Units are sold or otherwise disposed of in accordance with this **clause 9**.

- (c) Where Units are forfeited, all entitlements to the distribution of Distributable Income and capital in connection with the forfeited Units, which have not been paid before forfeiture, must be applied in accordance with **clauses 9.12** and **9.13** as if they formed part of the proceeds of sale of the forfeited Units.

The specification of a perpetuity period in this **clause 20.3** does not require that the Trust terminate on the expiration of that period.

20.4 Realisation of Assets

As soon as practicable after the date on which the winding up of the Trust commences, the Trustee must sell or realise the Assets in such manner as the Trustee considers appropriate.

20.5 Final distribution

Subject to the rights of any Class and **clause 20.12**, the proceeds from realisation must be distributed among the Unit Holders pro rata to the number of Units they hold as at the date of commencement of the winding up of the Trust.

20.6 Distribution to Ordinary Unit Holder

- (a) The Trustee may satisfy the distribution of a Unit Holder holding Ordinary Units by payment of cash, settlement in kind or transfer of Assets in specie to the Unit Holder.
- (b) If the payment is satisfied by a transfer of Assets in specie, the value of the Assets transferred will be calculated at market value, as determined by the Trustee, and the expenses incurred in transferring the Assets will be borne by that Unit Holder.
- (c) Any distribution to Unit Holders holding Units of any Class other than Ordinary Units must be by payment of cash in accordance with **clause 14**.

20.7 Postponement of realisation

The Trustee may postpone the sale or realisation of any Asset for as long as the Trustee thinks it is desirable to do so in the interests of Unit Holders. The Trustee is not responsible for any Loss (including Consequential Loss) attributable to the postponement except to the extent that the Loss is caused by the Trustee's fraud, negligence, breach of trust, breach of this Deed or breach of the Unit Holders Deed.

20.8 Retention of property

- (a) The Trustee may retain for as long as the Trustee thinks fit sufficient Assets as may be required to meet any outgoings or liabilities (actual or contingent) in respect of the Trust.
- (b) If any Asset retained is ultimately found not to be required, then subject to **clause 20.6(a)** the Asset must be sold or realised and the proceeds distributed to the Unit Holders in accordance with this **clause 20**.

20.9 Continuation of powers

The powers, duties and rights of the Trustee (including the rights to remuneration and to indemnities under this Deed or the law) continue following commencement of the winding up to the extent to which they are not inconsistent with this **clause 20**.

20.10 Cancellation of Units

Unless the Trustee determines otherwise, all Units in the Trust will be cancelled and taken to be redeemed from the date of the final distribution under **clause 20.5**.

20.11 Audit

If required by law at the time the Trust is wound up, the Trustee will provide for an independent review or audit by a registered company auditor of the final accounts of the Trust after termination.

20.12 Partly Paid Units

- (a) Subject to **clause 20.12(b)** and the rights of any Class, on a distribution under **clause 20.5** each Unit Holder holding a Partly Paid Unit is entitled to receive a fraction of the distribution payable in respect of a Fully Paid Unit, the fraction to be determined by dividing the Paid Up Amount of the Partly Paid Unit by its Application Price.
- (b) Where on a winding up there are Preference Units on issue:
 - (i) each Preference Unit Holder is entitled to the unpaid amount of any Distributable Income attributed to that Unit Holder's Units as at commencement of the winding up; and
 - (ii) the Preference Units are not entitled to any other distribution.

21 Amendments to this Deed

21.1 Trustee may amend

The Trustee may, by deed, amend this Deed with the approval of:

- (a) a Special Resolution of Unit Holders holding Ordinary Units, or of Unit Holders holding Units of a Class that is affected by the amendment; and
- (b) where there are Preference Units on issue, Unanimous Resolution of the Unit Holders holding Preference Units.

21.2 Registered Scheme

Each Unit Holder acknowledges that if the Trust is required by law to become a Registered Scheme, or in the Trustee's opinion becoming a Registered Scheme is desirable to avoid any adverse consequences as a result of a change to law:

- (a) the Trustee must promptly notify the Unit Holders of the change to law; and
- (b) the Trustee may, by deed, make any amendment to this Deed that the Trustee considers necessary or desirable in order to allow the Trust to become a Registered Scheme without the approval of a resolution of Unit Holders under **clause 21.1** provided that for so long as the Unit Holders Deed is in force, where the amendments are desirable but not necessary, those amendments do not affect the commercial and financial outcomes of the Unit Holders Deed in conjunction with this Deed and the Other Transaction Documents in a manner which prejudices or is likely to prejudice the Preference Unit Holders or the Ordinary Unit Holder.

- (e) The Supplier must deliver a tax invoice or an adjustment note to the recipient before the Supplier is entitled to payment of an amount under **clause 22.4(c)** and the recipient can withhold payment of the amount until the Supplier provides a tax invoice or an adjustment note, as appropriate.
- (f) If there is an adjustment event in relation to a supply that results in the amount of GST on a supply being different from the amount in respect of GST already recovered by the Supplier, the Supplier within 14 days of becoming aware of the adjustment event:

- (i) on giving seven days' notice, may recover from the recipient the amount by which the amount of GST on the supply exceeds the amount already recovered; and
 - (ii) must refund to the recipient the amount by which the amount already recovered exceeds the amount of GST on the supply, to the extent that the Supplier is entitled to a refund or credit from the Commissioner of Taxation.
- (g) Where a party is required under this Deed to pay or reimburse an expense or outgoing of another party, the amount to be paid or reimbursed by the first party will be the sum of:
