User Funding – Extension Infrastructure Sub-Lease

Drafting note: *The parties will consider on a transaction-by-transaction basis whether changes to this Agreement are required for the purposes of the Personal Property and Securities Act 2009 (Cth).*

Drafting note: *If the SUFA transaction will involve the construction of infrastructure which will form part of:*

- (a) *the Central Queensland Coal Network (other than the two sections of the North Coast Line which form part of the Central Queensland Coal Network), then an Extension Infrastructure Head-Lease and Integrated Network Deed will be entered into with Queensland Treasury Holdings Pty Ltd (the infrastructure lessor in respect of the Central Queensland Coal Network (other than the two sections of the North Coast Line which form part of the Central Queensland Coal Network)); or*
- (b) *either of the two sections of the North Coast Line in respect of which Aurizon is railway manager, then an Extension Infrastructure Head-Lease and Integrated Network Deed will be entered into with Queensland Rail Limited (the infrastructure lessor in respect of those sections of the North Coast Line).*

This template Extension Infrastructure Sub-Lease has been drafted on the basis that the infrastructure will form part of the Central Queensland Coal Network (other than the two sections of the North Coast Line which form part of the Central Queensland Coal Network) and will need to be amended if that is not the case.

Trustee Detriment means, if **clause 0** applies, the Trustee or any Preference Unit Holder being financially worse-off (taking into account the overall "Tax" (as defined in the Unit Holders Deed)), any adjustments to cash flow timing and other adverse financial consequences for the Trustee or the Preference Unit Holders as a direct result or consequence of the termination of the Extension Infrastructure Head-Lease.

Trustee Supplies has the meaning given in **clause (i)**.

Acknowledgement

The Parties acknowledge and agree that this Agreement is a SUFA EISL.

Term

Term

This Agreement commences on the Commencement Date and, unless earlier terminated in accordance with this Agreement, continues until the End Date.

Total Extension Infrastructure has Zero Value

Not more than seven months, but not less than six months, prior to the date that Aurizon estimates, acting reasonably, that the Total Extension Infrastructure will have Zero Value, Aurizon must give the Trustee a Notice specifying the date on which Aurizon estimates, acting reasonably, that the Total Extension Infrastructure will have Zero Value.

Promptly after Aurizon determines, acting reasonably, that the Total Extension Infrastructure has Zero Value, Aurizon must give the Trustee a Notice specifying that the Total Extension Infrastructure has Zero Value.

Within 60 Business Days after Aurizon gives the Trustee the Notice under **clause 0**, the Trustee may give Aurizon a Dispute Notice which Disputes that the Total Extension Infrastructure has Zero Value.

If:

- (i) the Trustee gives Aurizon a Dispute Notice referred to in **clause 0**; and
 - (ii) the Dispute is not resolved in accordance with the CEO Process,
- the Dispute must be referred to an Expert to determine in accordance with the Expert Process whether or not the Total Extension Infrastructure has Zero Value.

If the Trustee does not give Aurizon a Dispute Notice referred to in **clause 0** within the time referred to in **clause 0**, then:

- (i) the Trustee must not give Aurizon a Dispute Notice Disputing that the Total Extension Infrastructure has Zero Value; and
- (ii) any such Dispute Notice which is given by the Trustee will be of no force or effect.

Subleased Extension Infrastructure

Sublease of Subleased Extension Infrastructure

In consideration for the grant of the sublease under this **clause 0**, Aurizon must pay the Trustee the sum of \$1.00 but only if demanded in writing by the Trustee.

The Trustee subleases each part of the Subleased Extension Infrastructure to Aurizon immediately upon the leasing of that part of the Subleased Extension Infrastructure to the Trustee under the Extension Infrastructure Head-Lease for so long as that part of the Subleased Extension Infrastructure is leased to the Trustee under the Extension Infrastructure Head-Lease.

The Trustee and Aurizon acknowledge:

- (i) the rights of the Extension Infrastructure Lessor under the Extension Infrastructure Head-Lease and the Integrated Network Deed; and
- (ii) that their rights under the Sublease are subject and subordinate to the rights of the Extension Infrastructure Lessor under the Extension Infrastructure Head-Lease and the Integrated Network Deed.

Extension Infrastructure Head-Lease

The Trustee must comply with its obligations under the Extension Infrastructure Head-Lease.

Aurizon must comply with its obligations as Sublessee under the Extension Infrastructure Head-Lease.

Aurizon must (at all times when accessing and using the Subleased Extension Infrastructure, or allowing such access or use) not do, cause or contribute to any act or omission which constitutes or causes a breach of the Extension Infrastructure Head-Lease by either Aurizon or the Trustee.

The Trustee:

- (i) irrevocably nominates Aurizon as the Trustee's nominee for the purpose of clause **[6.5(a)]** of the Extension Infrastructure Head-Lease during the term of this Agreement; and
- (ii) must promptly notify the Extension Infrastructure Lessor that the Trustee has nominated Aurizon as the Trustee's nominee for the purpose of clause **[6.5(a)]** of the Extension Infrastructure Head-Lease during the term of this Agreement.

The Trustee must not exercise its right under clause **[6.5(b)]** of the Extension Infrastructure Head-Lease without the prior written consent of Aurizon.

The Trustee:

- (i) irrevocably nominates Aurizon as the Trustee's nominee for the purpose of clause **[6.5(c)]** of the Extension Infrastructure Head-Lease during the term of this Agreement; and
- (ii) must promptly notify the Extension Infrastructure Lessor that the Trustee has nominated Aurizon as the Trustee's nominee for the purpose of clause **[6.5(c)]** of the Extension Infrastructure Head-Lease during the term of this Agreement.

The Trustee must promptly notify Aurizon in writing upon becoming aware of any matter which Aurizon is required to notify to the Extension Infrastructure Lessor under clause **[7.5]** of the Extension Infrastructure Head-Lease.

If Aurizon gives a Notice to the Extension Infrastructure Lessor under clause [7.5] of the Extension Infrastructure Head-Lease, Aurizon must, at the same time as it gives that Notice to the Extension Infrastructure Lessor, give a copy of that Notice to the Trustee.

If Aurizon gives the asset register to the Extension Infrastructure Lessor under clause [7.6] of the Extension Infrastructure Head-Lease, Aurizon must, at the same time as it gives the asset register to the Extension Infrastructure Lessor, give a copy of the asset register to the Trustee. Within 20 Business Days of receipt of the asset register, the Trustee must provide any comments it has on the content of the asset register to Aurizon. Aurizon must, diligently and in good faith, consult with the Trustee or any comments the Trustee has provided.

The Trustee must promptly notify Aurizon in writing upon becoming aware of any matter which Aurizon is required to notify the Extension Infrastructure Lessor under clauses [9.3] and [9.6] of the Extension Infrastructure Head-Lease.

The Trustee, as between the Parties, is liable for and must pay all amounts payable by the Parties under:

- (i) clause [16(a)] of the Extension Infrastructure Head-Lease; or
- (ii) clause [20] of the Integrated Network Deed,

except to the extent such liability for payment was caused or contributed (to the extent of the contribution) to by Aurizon's breach of this Agreement or any Transaction Document, or by any act, omission, negligence or failure on the part of Aurizon or any of Aurizon Associates.

[QCA Note: Liability regime across all documents is under consideration]

If Aurizon pays any amount for which the Trustee is liable under **clause 0**, the Trustee must pay that amount to Aurizon promptly on demand.

Indemnity**[QCA Note: liability regime across all documents is under consideration]**

The Trustee indemnifies Aurizon against any amounts which are paid or payable by Aurizon to the Extension Infrastructure Lessor under clause [10.2] of the Extension Infrastructure Head-Lease in respect of any "Losses" (as defined in the Extension Infrastructure Head-Lease) of every kind that may be incurred or sustained, whether directly or indirectly, by the Extension Infrastructure Lessor in respect of or arising from or in any way connected with any matter referred to in clauses [10.2(a)(i)] to [(vii)] of the Extension Infrastructure Head-Lease to the extent that the relevant matter was caused, or contributed to (to the extent of the contribution), by any act, omission, negligence or failure on the part of the Trustee or a Trustee's Associate.

It is not necessary for Aurizon to incur any expense or make any payment before enforcing a right of indemnity under this **clause 0**.

The indemnity under this **clause 0** is a continuing obligation separate and independent of the Trustee's other obligations.

For the avoidance of doubt, the indemnity under this **clause 0** continues to apply despite **clause 0** or **0** also applying.

Termination of Sublease

The Sublease automatically terminates, without the need for either Party to notify the other Party, at the same time as the Extension Infrastructure Head-Lease terminates (for any reason).

For the avoidance of doubt, the terms of this Agreement, other than **clause 0**, continue in full force and effect despite the termination of the Sublease under this **clause 0**.

Compensation arrangement – Aurizon cause

This **clause 0** applies if:

- (i) the Extension Infrastructure Lessor exercises its right to terminate the Extension Infrastructure Head-Lease under clause [11.4] of the Extension Infrastructure Head-Lease due to the occurrence of any event or circumstance specified in clause [11.4] of the Extension Infrastructure Head-Lease which was caused by an act or omission of Aurizon; or
- (ii) the Extension Infrastructure Head-Lease automatically terminates under clause [11.5] of the Extension Infrastructure Head-Lease due to the Trustee exercising its right of termination under **clauses 0** or **0**.

If this **clause 0** applies:

- (i) despite the SIL Extension Infrastructure ceasing to be Subleased Extension Infrastructure subleased to Aurizon under this **clause 0**, all of the terms of this Agreement (other than this **clause 0**) will continue to apply as if the SIL Extension Infrastructure was Subleased Extension Infrastructure subleased by the Trustee to Aurizon under this **clause 0**; and
- (ii) the Parties acknowledge and agree that the amount of the Rent payable each Month to the Trustee by operation of **clause (i)** will not be rent payable for the sublease of the SIL Extension Infrastructure but, rather, will be a compensation amount payable by Aurizon to the Trustee as a consequence of the early termination of the Extension Infrastructure Head-Lease due to Aurizon's cause.

If the Trustee or any Preference Unit Holder suffers or incurs a Trustee Detriment, then:

- (i) the Trustee must promptly give Aurizon a notice specifying reasonable details of the Trustee Detriment and the Detriment Amount (including reasonable details of the calculation of the Detriment Amount and reasonable supporting evidence of the Trustee Detriment and the Detriment Amount) (**Detriment Notice**); and
- (ii) within 28 days of receipt of the Detriment Notice, Aurizon must give the Trustee either:
 - A. a notice specifying that it agrees with the Detriment Amount in respect of the Trustee Detriment specified in the Detriment Notice; or
 - B. a Dispute Notice under the Dispute Resolution Process which disputes the Detriment Amount specified in the Detriment Notice.

If a Dispute referred to in **clause (ii)B** is not resolved in accordance with the CEO Process, then the Dispute must be referred to an Expert to determine the Detriment Amount in respect of the Trustee Detriment Amount in accordance with the Expert Process.

If **clause (ii)** applies and Aurizon does not give the Trustee a Dispute Notice referred to in **clause (ii)B** within the time referred to in **clause (ii)B**, then:

- (i) Aurizon must not give the Trustee a Dispute Notice under the Dispute Resolution Process disputing the Detriment Amount specified in the Detriment Notice; and

- (ii) any such Dispute Notice which is given by Aurizon will be taken to be of no effect.

Interest (calculated at the Interest Rate) will accrue on the unpaid portion of the Detriment Amount in respect of a Trustee Detriment from the date that the Trustee gives Aurizon a Detriment Notice in respect of the Trustee Detriment until the Detriment Amount has been fully paid by Aurizon and any interest accrued on the Detriment Amount but not paid by Aurizon at the end of each month will itself bear interest under this **clause 0**.

If:

- (i) Aurizon gives the Trustee a notice specifying that it agrees with the Detriment Amount in respect of a Trustee Detriment specified in the Detriment Notice; or
- (ii) the Detriment Amount in respect of a Trustee Detriment is determined by an Expert in accordance with the Expert Process,

the Detriment Amount (as agreed or determined) is payable to the Trustee by Aurizon but only in accordance with **clause 0**.

Compensation arrangement – other cause

This **clause 0** applies if the Extension Infrastructure Lessor exercises its right to terminate the Extension Infrastructure Head-Lease under:

- (i) clause **[11.1]** of the Extension Infrastructure Head-Lease; or
- (ii) clause **[11.4]** of the Extension Infrastructure Head-Lease (other than for a reason specified in **clause (i)**).

If this **clause 0** applies, then despite the SIL Extension Infrastructure ceasing to be Subleased Extension Infrastructure subleased by the Trustee to Aurizon under this **clause 0**, all of the terms of this Agreement (other than this **clause 0**) (including Aurizon's obligation to pay Rent under **clause 0**) in respect of the SIL Extension Infrastructure) will continue to apply as if the SIL Extension Infrastructure continued to be Subleased Extension Infrastructure subleased by the Trustee to Aurizon under this **clause 0**, on the basis that in consideration of such agreement, Aurizon must pay the Trustee the sum of \$1.00 but only if demanded in writing by the Trustee.

If the Group (or, if Aurizon is not a member of a Consolidated Group, Aurizon) suffers or incurs any Aurizon Detriment, then:

- (i) Aurizon must promptly give the Trustee a notice specifying reasonable details of the Aurizon Detriment and the Detriment Amount (including reasonable details of the calculation of the Detriment Amount and reasonable supporting evidence of the Aurizon Detriment and the Detriment Amount) (**Detriment Notice**); and
- (ii) within 28 days of receipt of the Detriment Notice, the Trustee must give Aurizon either:
 - A. a notice specifying that it agrees with the Detriment Amount in respect of the Aurizon Detriment specified in the Detriment Notice; or
 - B. a Dispute Notice under the Dispute Resolution Process which Disputes the Detriment Amount specified in the Detriment Notice.

If a Dispute referred to in **clause (ii)B** is not resolved in accordance with the CEO Process, then the Dispute must be referred to an Expert to determine the Detriment Amount in respect of the Aurizon Detriment in accordance with the Expert Process.

If **clause (ii)** applies and the Trustee does not give Aurizon a Dispute Notice referred to in **clause (ii)B** within the time referred to in **clause (ii)B**, then:

- (i) the Trustee must not give Aurizon a Dispute Notice under the Dispute Resolution Process Disputing the Detriment Amount specified in the Detriment Notice; and
- (ii) any such Dispute Notice which is given by the Trustee will be taken to be of no effect.

Interest (calculated at the Interest Rate) will accrue on the unpaid portion of the Detriment Amount in respect of an Aurizon Detriment from the date that Aurizon gives the Trustee a Detriment Notice in respect of the Aurizon Detriment until the Detriment Amount has been fully paid by the Trustee and any interest accrued on the Detriment Amount but not paid by the Trustee at the end of each Month will itself bear interest under this **clause 0**.

If:

- (i) the Trustee gives Aurizon a notice specifying that it agrees with the Detriment Amount in respect of an Aurizon Detriment specified in the Detriment Notice; or
- (ii) the Detriment Amount in respect of an Aurizon Detriment is determined by an Expert in accordance with the Expert Process,

the Detriment Amount (as agreed or determined) is payable to Aurizon by the Trustee but only in accordance with **clause 0**.

Payment of Monthly DA Instalment

If, at the time that Aurizon gives the Trustee a Monthly Invoice under **clause 0**:

- (i) any Detriment Amount (or portion of a Detriment Amount) is payable to Aurizon, then, at the same time that it gives the Trustee the Monthly Invoice under **clause 0**, Aurizon must provide the Trustee with a tax invoice setting out the DA Monthly Instalment for the Month in which the Monthly Invoice is given, including comprehensive details of the calculation of that amount (**Aurizon DA Monthly Invoice**); or
- (ii) any Detriment Amount (or portion of a Detriment Amount) is payable to the Trustee, then the Trustee must provide Aurizon with a tax invoice setting out the DA Monthly Instalment for the Month including comprehensive details of the calculation of the amount (**Trustee DA Monthly Invoice**).

Within 10 Business Days after Aurizon gives the Trustee an Aurizon DA Monthly Invoice or the Trustee gives Aurizon a Trustee DA Monthly Invoice:-

- (i) in the event of an Aurizon DA Monthly Invoice, the Trustee must pay the DA Monthly Instalment specified in the Aurizon DA Monthly Invoice;
- (ii) in the event of a Trustee DA Monthly Invoice, Aurizon must pay the DA Monthly Instalment specified in the Trustee DA Monthly Invoice.

If a Party Disputes the DA Monthly Instalment specified in a DA Monthly Invoice:

- (i) that Party may give the other Party a Dispute Notice under the Dispute Resolution Process; and
- (ii) if the Dispute is not resolved in accordance with the CEO Process, then either Party may refer the Dispute to an Expert for determination in accordance with the Expert Process.

Notwithstanding **clause 0**, if the DA Monthly Instalment specified in a DA Monthly Invoice is Disputed, the party required to pay the DA Monthly Instalment must pay the portion of the DA Monthly Instalment that is not in Dispute within the time specified in **clause 0**.

Upon resolution of any Dispute about the DA Monthly Instalment specified in a DA Monthly Invoice, if the DA Monthly Instalment specified in the DA Monthly Invoice as agreed or determined under the Dispute Resolution Process is:

- (i) more than the amount that was payable in respect of the DA Monthly Invoice, then the amount of the difference must be paid by the Trustee to Aurizon (in the case of an Aurizon DA Monthly Invoice) or by Aurizon to the Trustee (in the case of a Trustee DA Monthly Invoice) within ten Business Days after:
 - A. if the DA Monthly Instalment as agreed or determined under the Dispute Resolution Process is the same as the DA Monthly Instalment specified in the DA Monthly Invoice, the date of resolution of the Dispute Resolution Process; or
 - B. if **clause (i)A** does not apply, a Party gives the other Party an adjustment note or further tax invoice (as applicable) under **clause 0**; or
- (ii) less than the amount that was payable in respect of the DA Monthly Invoice, then the amount of the difference must be paid by Aurizon to the Trustee (in the case of an Aurizon DA Monthly Invoice) or by the Trustee to Aurizon (in the case of a Trustee DA Monthly Invoice) within ten Business Days after:
 - A. if the DA Monthly Instalment as agreed or determined under the Dispute Resolution Process is the same as the DA Monthly Instalment specified in the DA Monthly Invoice, the date of the resolution of the Dispute Resolution Process; or
 - B. if **clause (ii)A** does not apply, a Party gives the Other Party an adjustment note or further tax invoice (as applicable) under **clause 0**.

If, upon resolution of any Dispute about the DA Monthly Instalment specified in a DA Monthly Invoice given by a Party under **clause 0**, the DA Monthly Instalment as agreed or determined under the Dispute Resolution Process differs from the amount of the DA Monthly Instalment specified in the DA Monthly Invoice, the Party issuing the DA Monthly Invoice must, within five Business Days after resolution of the Dispute, give the other Party an adjustment note or further tax invoice (as applicable) in respect of the difference.

If, at any time a Party discovers an error in a DA Monthly Invoice resulting in an underpayment or overpayment, then that Party must promptly notify the other Party of this error.

Despite payment of a DA Monthly Invoice, if, at any time, an error (resulting in an underpayment or overpayment) is discovered and notified to the other Party in accordance with **clause 0**, then:

- (i) if the error results in an underpayment:

- A. the Party who has been underpaid must, within five Business Days after the date the error is verified, give the other Party an adjustment note or further tax invoice (as applicable) for the amount of the underpayment; and
 - B. within ten Business Days of receipt of the adjustment note or further tax invoice under **clause (i)A**, the other Party must pay the amount referred to in **clause (i)A** to the Party who has been underpaid; or
- (ii) if the error results in an overpayment:
- A. within five Business Days after the date the error is verified by the Party who has been overpaid, that Party must give the other Party an adjustment note for the amount of the overpayment; and
 - B. within ten Business Days after receipt of the adjustment note or further tax invoice (as applicable) under **clause (ii)A**, the Party who was overpaid must pay the amount referred to in **clause (ii)A** to the other Party.

Leased Extension Infrastructure

Lease of Leased Extension Infrastructure

The Trustee must ensure that each part of the Infrastructure which is constructed, and each part, accessory and equipment that is incorporated or installed in, or attached to, the Infrastructure, comprising the Extension, is owned wholly by the Trustee free from all Security Interests (other than Permitted Liens) from Practical Completion until its transfer by the Trustee to the Extension Infrastructure Lessor under clause [3.1(b)] of the Extension Infrastructure Head-Lease.

From Practical Completion, such part of the Infrastructure, part, accessory or equipment is deemed to be Leased Extension Infrastructure and is leased by the Trustee to Aurizon under this Agreement until:

- (i) the time at which such Infrastructure, part, accessory or equipment is transferred by the Trustee to the Extension Infrastructure Lessor under clause [3.1(b)] of the Extension Infrastructure Head-Lease (at which time, such Infrastructure, part, accessory or equipment will cease to be Leased Extension Infrastructure and will ceased to be leased to Aurizon under this Agreement); or
- (ii) otherwise, the end of the Term.

The Parties acknowledge and agree that:

- (i) as between the Parties, the Leased Extension Infrastructure is owned by the Trustee;
- (ii) the Leased Extension Infrastructure is leased under this Agreement separately from the land on, under or above which it is situated;
- (iii) nothing in this Agreement grants to Aurizon any right or interest in or to the land on, under or above which the Leased Extension Infrastructure is situated regardless of whether or not any part of it is affixed to the land; and
- (iv) nothing in this Agreement grants to the owner of the land on, under or above which the Leased Extension Infrastructure is situated any right or

interest in the Leased Extension Infrastructure regardless of whether or not any part of it is affixed to the land.

Use only for Permitted Purposes

Aurizon must only use the Leased Extension Infrastructure for a Permitted Purpose.

For the avoidance of doubt, Aurizon may authorise other persons to access and use all or part of the Leased Extension Infrastructure for a Permitted Purpose.

Aurizon must:

- (i) obtain, maintain and comply with all Authority Approvals; and
- (ii) otherwise comply with all Legislation,

that are required to be obtained, maintained or complied with (as applicable) in order for Aurizon to lawfully use the Leased Extension Infrastructure for any Permitted Purpose for which Aurizon uses the Leased Extension Infrastructure.

The Trustee must:

- (i) not unreasonably withhold or delay the giving of, and must not impose any unreasonable conditions upon, any consent that is required from the Trustee for Aurizon to comply with its obligations under **clause 0**; and
- (ii) promptly, upon written request by Aurizon, do all things reasonably required by Aurizon (including executing documents) to enable Aurizon to comply with its obligations under **clause 0**.

Aurizon:

- (i) must ensure that Aurizon's Associates comply with the provisions of this Agreement;
- (ii) is responsible for the acts and omissions of its Associates as if those acts and omissions were the acts and omissions of Aurizon itself.

Title

Aurizon acknowledges that it has no rights in relation to the Leased Extension Infrastructure other than its rights as lessee under this Agreement.

The Trustee must promptly, upon written request by Aurizon, exercise any of its rights and entitlements in, or in relation to, the Leased Extension Infrastructure to assist Aurizon to the extent necessary to enable Aurizon to use the Leased Extension Infrastructure for any Permitted Purpose where Aurizon is unable to act itself by reason of the Trustee's interest in, or in relation to, the Leased Extension Infrastructure.

Exclusive use and possession

Subject to **clause 0**, Aurizon will have exclusive use and possession of the Leased Extension Infrastructure and may peaceably possess and enjoy the Leased Extension Infrastructure for the Term without any interruption or disturbance from the Trustee (or any other person lawfully claiming by, from or under the Trustee) subject only to any interruption or disturbance which results from the exercise by the Trustee of its rights under this Agreement, or any Transaction Document or any rights conferred on the Trustee by Legislation.

Subject to **clause 0**, Aurizon permits the Trustee and the Trustee's Associates, at reasonable times and having given Aurizon reasonable notice, to access any Leased Extension Infrastructure for purpose of inspecting the Leased Extension Infrastructure.

When exercising its rights under **clause 0**, the Trustee and the Trustee's Associates:

- (i) must not interfere with Aurizon's operations or business;
- (ii) will be subject to the same limitations upon and conditions of access as apply to any third party visitor to the place where the relevant Leased Extension Infrastructure is located; and
- (iii) must comply with all safety requirements and other reasonable directions of Aurizon in relation to such access.

The Trustee must, and must ensure that the Trustee's Associates, only access and use the Leased Extension Infrastructure for the purposes referred to in **clause 0**.

The Trustee must promptly upon demand pay all costs and expenses reasonably incurred by Aurizon in facilitating and supervising access to and use of the Total Extension Infrastructure for the purpose referred to in **clause 0**.

The Trustee must ensure that the Trustee's Associates do not do anything in relation to the Leased Extension Infrastructure which, if done by the Trustee, would be a breach of this Agreement by the Trustee.

Obligation to operate and manage

Aurizon must operate and manage the Leased Extension Infrastructure:-

- (i) in accordance with Good Operating Practice; and
- (ii) in accordance with all applicable Legislation and the requirements of all relevant Authority Approvals (including the Access Undertaking).

Aurizon must ensure that Aurizon's Associates do not do anything in respect of the Leased Extension Infrastructure which, if done by Aurizon, would be a breach of this Agreement by Aurizon.

Obligation to Repair and maintain

Subject to **clauses 0** and **0**, Aurizon must, at its cost, Repair and maintain the Leased Extension Infrastructure:

- (i) in accordance with Good Operating Practice;
- (ii) in accordance with all applicable Legislation;
- (iii) in accordance with the requirements of all relevant Authority Approvals (including the Access Undertaking); and
- (iv) in accordance with all notices, orders and directions lawfully given by any Governmental Agency (including so far as they impose obligations on the Trustee and the performance of those obligations by Aurizon is not prohibited by Law).

Aurizon must, at its cost, replace any part of the Leased Extension Infrastructure that is lost or destroyed.

No obligation to replace

Except as required under **clause 0**, nothing in this Agreement requires Aurizon to replace any part of the Leased Extension Infrastructure (including, for the avoidance of doubt, any part of the Leased Extension Infrastructure which is obsolete or life expired). Where Aurizon does replace any part of the Leased Extension Infrastructure, it will ensure that any such replacement becomes Infrastructure for the purpose of the State Infrastructure Lease.

Modifications

Aurizon may:

- (i) make any Modifications to the Leased Extension Infrastructure; or
- (ii) authorise third parties to make any Modifications to the Leased Extension Infrastructure,

provided that all Modifications:

- (iii) comply with all applicable Legislation;
- (iv) comply with the requirements of all relevant Authority Approvals;
- (v) are in accordance with Good Operating Practice.

Aurizon must maintain details of all Modifications made, or authorised to be made, to the Leased Extension Infrastructure under **clause 0**.

Trustee Additional Infrastructure

The Trustee and Aurizon (as applicable) must ensure that any Trustee Additional Infrastructure is owned wholly by the Trustee free from all Security Interests (other than Permitted Liens) from the time on which it is constructed, incorporated, installed or attached.

With effect upon the date on which any Trustee Additional Infrastructure is constructed, incorporated, installed or attached, the Trustee Additional Infrastructure is deemed to form part of the Leased Extension Infrastructure and is leased by the Trustee to Aurizon under this Agreement.

As between the Trustee and Aurizon, title to the Trustee Additional Infrastructure remains with the Trustee.

Aurizon Additional Infrastructure

Despite any Aurizon Additional Infrastructure being constructed, incorporated or installed in or attached to the Leased Extension Infrastructure or the Extension Land:

Aurizon Additional Infrastructure does not form part of the Leased Extension Infrastructure; and as between the Trustee and Aurizon, title to Aurizon Additional Infrastructure remains with Aurizon.

Removed Infrastructure

Removed Infrastructure will cease being part of the Leased Extension Infrastructure from the time it is permanently removed from the Leased Extension Infrastructure or the Extension Land.

The Trustee must transfer title to Removed Infrastructure to Aurizon or its nominee for nil consideration and free from all Security Interests (other than Permitted Liens) except in the case of any Removed Infrastructure which is:

- (i) removed by or for Aurizon and not replaced;
- (ii) removed by or for the Trustee in the performance of its obligations under **clause 0**.

Termination of Construction Agreement [QCA note: to be considered whether the Trustee/Preference Unit Holders may seek that part or all of the Leased Extension Infrastructure be included in the RAB first, with Aurizon only]

having the right to require removal in respect of the Leased Extension Infrastructure not included in the RAB]

If the Construction Agreement terminates during the Construction Period, then within 20 Business Days after the termination of the Construction Agreement, Aurizon may notify the Trustee that it no longer wishes the whole, or particular parts, of the Leased Extension Infrastructure to be subject to the lease under this **clause 0**.

A Notice given under **clause 0** must specify:

- (i) that Aurizon no longer wishes the whole of the Leased Extension Infrastructure to be subject to the lease under this **clause 0**; or
- (ii) the particular parts of the Leased Extension Infrastructure which Aurizon no longer wishes to be subject to the lease under this **clause 0**.

On the date that Aurizon gives the Trustee a Notice under **clause 0**:

- (i) the Leased Extension Infrastructure specified in the Notice given under **clause 0 (Redundant Extension Infrastructure)** will immediately cease being subject to the lease under this **clause 0**; and
- (ii) for the avoidance of doubt, the Leased Extension Infrastructure (other than the Redundant Extension Infrastructure) will continue to be subject to the lease under this **clause 0**.

Insurance

Aurizon must effect and maintain insurance policies and/or adopt internal 'self-insurance strategies' in respect of:

- (i) the replacement and reinstatement of the Landholder Infrastructure and Leased Extension Infrastructure;
- (ii) public liability risks in connection with the Landholder Infrastructure, the Extension Land and the Leased Extension Infrastructure;
- (iii) Aurizon's liabilities under this Agreement in respect of the Leased Extension Infrastructure in respect of items of an insurable nature; and
- (iv) workers' compensation insurance covering any liability, loss, claim or proceeding, whether arising by virtue of any statute relating to workers' compensation insurance, accident compensation legislation, employee's liability or at common law, by any person employed by Aurizon for the Permitted Use, and unless otherwise limited by statute, the liability provided by this insurance must be for an unlimited amount,

which provide a level of cover that is not materially lower than the level of cover provided under the insurance policies and/or internal 'self-insurance strategies' that Aurizon would effect, maintain and/or adopt to the extent required in accordance with Good Operating Practice in respect of:

- (v) the replacement and reinstatement of Infrastructure; and
- (vi) public liability risks in connection with Infrastructure.

Each of the policies of insurance effected in accordance with this Agreement must, to the extent permitted by law:

- (i) ensure that the Trustee is noted (or dealt with in such other manner as may be equivalent to noting) on each policy as an insured party;

- (ii) ensure where legally possible, that each policy providers that all insuring agreements and endorsements shall operate in the same manner as if there were a separate policy of insurance covering each insured party; and
- (iii) ensure, where legally possible, that each policy provides that the insurer waives all rights, remedies or relief which it might become entitled to by subrogation against any insured parties, and that failure by any insured party to observe and fulfil the terms of the policy shall not prejudice the insurance in respect of any other insured party.

Aurizon must:

- (i) upon request by the Trustee (not more than once every 12 months) produce to the Trustee certificates of currency of policies taken out pursuant to this **clause 0** within 20 Business Days of request;
- (ii) otherwise provide evidence to the Trustee acting reasonably of the capacity of Aurizon to "self-insure" in accordance with this **clause 0**;
- (iii) at all times comply with the terms and conditions of all insurance policies effected pursuant to this **clause 0**;
- (iv) notify the Trustee as soon as practicable after the occurrence of any claim under any insurance policy required by this Agreement providing reasonable details of such claim where such claim may materially adversely affect the interest of the Trustee;
- (v) in respect of any claims by it or any other insured for which it is responsible, pay and bear all expenses/deductibles provided for in any insurances effected under this **clause 0**.

If Aurizon fails to maintain the policies of insurance required under this **clause 0** and is unable to satisfy the Trustee (acting reasonably) as to its financial capacity to "self-insure", the Trustee may effect and maintain such insurance and pay the premiums in that respect and recover any amounts so paid as a debt due from Aurizon.

Total Extension Infrastructure

Non-discrimination

Aurizon must not take any action in respect of the Total Extension Infrastructure where such action is for the purpose of reducing the Rent payable by it under this Agreement. Nothing in this **clause 0** will prevent Aurizon taking action required in order for Aurizon to comply with Good Operating Practice which would have, as a result, the effect that the Rent payable by it under this Agreement is reduced.

Nothing in this **clause 0** imposes any restriction or limitation on the making of any submissions or representations by Aurizon to the Access Regulator and the content of such submissions or representations.

Keeping of Records by Aurizon

Aurizon must keep and maintain reasonable records relating to the operation, management, repair, maintenance, Modification and use and condition of the Total Extension Infrastructure.

Aurizon must, promptly upon written request by the Trustee from time to time, deliver to the Trustee, in the format Aurizon generally keeps records of that nature, a copy of any record kept and maintained by Aurizon under **clause 0**.

Condition based asset reports

Aurizon must provide the Trustee with a copy of each condition based assessment within 5 Business Days of its provision to the Access Regulator by Aurizon in accordance with the Access Undertaking, together with a comparison showing the rate of deterioration of the Total Extension Infrastructure against that of the Rail Infrastructure (as defined in the Access Undertaking) detailed in the condition based assessment.

Lease continues

For the avoidance of doubt, unless this Agreement is earlier terminated in accordance with the terms of this Agreement, this Agreement, including the obligation to pay Rent, will continue for the Term despite there ceasing to be any Total Extension Infrastructure subleased or leased (as applicable) under this Agreement prior to the end of the Term.

Outgoings

Despite the Extension Infrastructure Head-Lease:

- (i) during the Construction Period, the Trustee must pay all charges, taxes and rates which are payable in respect of the Total Extension Infrastructure or services provided for the Total Extension Infrastructure; and
- (ii) after the end of the Construction Period, Aurizon must pay all charges, taxes and rates which are payable in respect of the Total Extension Infrastructure or services provided for the Total Extension Infrastructure, except for taxes on the revenues or capital gains of the Trustee.

For the avoidance of doubt, Aurizon is not responsible under this Agreement to pay any charges, taxes and rates which are payable in respect of land.

Replacement of Total Extension Infrastructure

If Aurizon replaces any part of the Total Extension Infrastructure which is a “depreciating asset” (as defined in the Tax Act) (the **original depreciating asset**) that is “lost or destroyed” (as referred to in item 8 of section 40-300(2) of the Tax Act), the Trustee must choose under section 40-365 of the Tax Act to exclude all of any amount that would otherwise be included in the Trustee’s assessable income as a result of a “balancing adjustment event” (as defined in the Tax Act) occurring because the original depreciating asset is “lost or destroyed” (as referred to in item 8 of section 40-300(2) of the Tax Act).

Rectification of Defects

Rectification of Defects by Trustee

The Trustee must, at its cost, procure the rectification of any Defects promptly after they are recorded (or required to be recorded) in the Defects Register.

The Trustee has or will have appointed Aurizon to perform the Trustee's obligations under this **clause 0**.

Rectification of Defects by Aurizon

After the end of the Defects Rectification Period, Aurizon must rectify, or procure the rectification of, all Defects other than Defects which are recorded (or required to be recorded) in the Defects Register.

As between the Trustee and Aurizon, Aurizon will be responsible for the costs of rectifying, or procuring the rectification of, Defects under **clause 0 (Aurizon Defect Rectification Costs)**.

The Trustee acknowledges that Aurizon may seek to include Aurizon Defect Rectification Costs in the Regulatory Asset Base as part of the capital cost of the Total Extension Infrastructure.

Rent and other payments

Rent

Within seven Business Days after the Monthly Invoice Date for the Initial Rent Month and each subsequent Month during the Term, Aurizon must give the Trustee a RCTI (**Monthly Invoice**) specifying the Rent for that Month.

Within ten Business Days after Aurizon gives the Trustee a Monthly Invoice for a Month, Aurizon must pay the total invoice amount specified in the Monthly Invoice for that Month to the Trustee.

Supporting information

Subject to **clause 0**, each Monthly Invoice given by Aurizon to the Trustee under **clause 0** must be accompanied by details of the calculation of the Rent for the Month specified in the Monthly Invoice.

Nothing in this Agreement obliges Aurizon to disclose any Customer Confidential Information to the Trustee.

Interest on overdue payments

If, for any reason, a Party does not pay an amount payable under this Agreement on or before the due date for payment, it must pay interest to the other Party.

Interest will accrue on the outstanding amount from the due date for payment until that amount, together with the interest on that amount, has been paid.

Interest will be calculated at the Interest Rate, and any interest accrued but unpaid at the end of each Month will be capitalised and will thereafter itself bear interest.

Disputes

If the Trustee Disputes the amount of the Rent for a Month specified in a Monthly Invoice, the Trustee may give Aurizon a Dispute Notice under the Dispute Resolution Process.

Upon resolution of a Dispute referred to in **clause 0**, if the amount of the Rent payable under the relevant Monthly Invoice as agreed or determined under the Dispute Resolution Process is:

- (i) more than the amount that was paid by Aurizon under the Monthly Invoice, then within five Business Days after the date of the resolution of the Dispute, Aurizon must:
 - A. give the Trustee a further RCTI or adjustment note (as applicable) for the amount of the difference; and
 - B. pay the amount referred to in **clause (i)A** to the Trustee; or
- (ii) less than the amount that was paid by Aurizon under the Monthly Invoice, then:
 - A. within five Business Days after the date of the resolution of the Dispute, Aurizon must give the Trustee an adjustment note for the amount of the difference; and
 - B. Aurizon may set-off the amount referred to in **clause (ii)A** in accordance with **clause 0**.

Correction of errors

If, at any time:

- (i) the Trustee discovers an error in the Monthly Invoice resulting in an underpayment or overpayment, then the Trustee must promptly notify Aurizon of this error; and
- (ii) Aurizon discovers an error in the Monthly Invoice resulting in an underpayment or overpayment, then Aurizon must promptly notify the Trustee of this error.

Despite Aurizon's payment of a Monthly Invoice, if, at any time, an error (resulting in an underpayment or overpayment) is discovered and notified to the other Party in accordance with **clause 0**, then:

- (i) if the error results in an underpayment then Aurizon must, within five Business Days after the date the error is verified by Aurizon:
 - A. give the Trustee a further RCTI or adjustment note (as applicable) for the amount of the underpayment; and
 - B. pay the amount referred to in **clause (i)A** to the Trustee; or
- (ii) if the error results in an overpayment:
 - A. within five Business Days after the date the error is verified by Aurizon, Aurizon may give the Trustee an adjustment note for the amount of the overpayment to Aurizon; and
 - B. Aurizon may set-off the amount referred to in **clause (ii)A** in accordance with **clause 0**.

Right of set-off

A Party may deduct from any amounts which are due and payable by that Party to the other Party under this Agreement any amounts which are due and payable by the other Party to that Party under this Agreement or any other Transaction Document where those amounts:

- (i) have been agreed by the Parties as being due and payable; or
- (ii) are determined to be due and payable by an Expert in accordance with the Expert Process or by a validly constituted court or tribunal,

except where this Agreement or any other Transaction Document expressly permits or requires that Party to pay or otherwise deal with those amounts in a different manner

(Set-off Amount).

If:

- (i) Aurizon wishes to deduct from any Rent for a Month (**relevant Month**) a Set-Off Amount which is due and payable by the Trustee to Aurizon as at the DTP Date for the relevant Month under this Agreement (**Monthly Set-off Amount**); and
- (ii) Aurizon is required to give a direction to pay to an Extension Access Agreement Customer or a Specified Access Agreement Customer (**Relevant DTP Customer**) for the relevant Month under **clauses 0** or **0** (as applicable),

then, despite **clauses 0** and **0**, Aurizon may reduce the amount that it would, but for this **clause 0**, otherwise be required to direct the Relevant DTP Customer to pay under **clauses 0** or **0** (as applicable) for the relevant Month by:

- (iii) if the amount which Aurizon would, but for this **clause 0**, otherwise be required to direct the relevant DTP Customer to pay under **clauses 0** or **0** (as applicable) for the relevant Month is less than or equal to the Relevant DTP Customer's Share of the Monthly Set-off Amount for the relevant Month - the full amount which Aurizon would, but for this **clause 0**, otherwise be required to direct the Relevant DTP Customer to pay for the relevant Month; or
- (iv) if the amount which Aurizon would, but for this **clause 0**, be required to direct the Relevant DTP Customer to pay for the relevant Month under **clauses 0** or **0** (as applicable) is more than the Relevant DTP Customer's Share of the Monthly Set-off Amount for the relevant Month – the Relevant DTP Customer's Share of the Monthly Set-off Amount for the relevant Month,

so that, despite **clauses 0** and **0**, the amount which Aurizon is required to direct the relevant DTP Customer to pay under **clauses 0** or **0** (as applicable) for the relevant Month is the reduced amount after the deduction under this **clause 0**.

Any amount that is deducted under **clause 0** from an amount that Aurizon would, but for **clause 0**, otherwise be required to direct an Extension Access Agreement Customer or a Specified Access Agreement Customer to pay into the Direction to Pay Account under **clause 0** or **0** (as applicable) for a Month is taken to have been paid by the Trustee to Aurizon on the date that the Extension Access Agreement Customer or Specified Access Agreement Customer (as applicable) pays that amount to Aurizon under **clauses 0** or **0** (as applicable).

If the total of the amounts that are deducted under **clause 0** from amounts that Aurizon would, but for **clause 0**, otherwise be required to direct Extension Access Agreement Customers and Specified Access Agreement Customers to pay into the Direction to Pay Account under **clauses 0** and **0** for a Month are less than the Monthly Set-off Amount as at the DTP Date for the Month, then, for the avoidance of doubt, the amount of the difference continues to be due and payable by the Trustee to Aurizon.

Any amounts that are deducted under **clause 0** from amounts that Aurizon would, but for **clause 0**, otherwise be required to direct Extension Access Agreement Customers and Specified Access Agreement Customers to pay into the Direction to Pay Account under **clause 0** and **0** for a Month are taken to have been paid, for the purposes of **clause 0**, Aurizon to the Trustee by the due date under **clause 0** for payment of the Monthly Invoice for that Month.

Method of payment

All payments to be made under or in connection with this Agreement must be paid in Australian currency, without set-off or deduction (subject to **clause 0**), by:

electronic payment to an account nominated by the Party entitled to receive the payment; or

such other method as the Party entitled to receive the payment may reasonably require from time to time.

Direction to pay

Direction to pay – Extension Access Agreement

Unless **clause 0** applies, at the time that Aurizon gives an Extension Access Agreement Customer an Extension Access Agreement Invoice for a Month, Aurizon must, by notice to the Extension Access Agreement Customer (such notice to be copied to the Trustee), direct the Extension Access Agreement Customer to pay by the due date for payment under the Extension Access Agreement:

- (i) into the Direction to Pay Account – the Direction to Pay Amount for that Extension Access Agreement for that Month; and
- (ii) to Aurizon (in the manner required under the Extension Access Agreement) – the remaining amount of the Access Charges, if any, which are payable under that Extension Access Agreement Invoice for that Month after subtracting the amount referred to in **clause (i)**.

If:

- (i) the Direction to Pay Amount for an Extension Access Agreement for a Month is zero; or
- (ii) the Direction to Pay Amount for an Extension Access Agreement for a Month less the amount that Aurizon is permitted to deduct from a direction to pay given to the Extension Access Agreement Customer for that Extension Access Agreement under **clause 0** for that Month is zero,

then, at the time that Aurizon gives the Extension Access Agreement Customer for that Extension Access Agreement an Extension Access Agreement Invoice for that Month, Aurizon must, by notice to that Extension Access Agreement Customer (such notice to be copied to the Trustee), direct that Extension Access Agreement Customer to pay by the due date for payment under that Extension Access Agreement:

- (iii) into the Direction to Pay Account – zero dollars; and
- (iv) to Aurizon (in the manner required under the Extension Access Agreement) – 100% of the Access Charges which are payable under that Extension Access Agreement Invoice for that Month.

If, at the time that Aurizon gives an Extension Access Agreement Customer an Extension Access Agreement Invoice for a Month, Aurizon does not give that Extension Access Agreement Customer a direction to pay under **clause 0** or **0**, then, despite that Extension Access Agreement Customer not being given a direction to pay under **clause 0** or **0**:

- (i) the Direction to Pay Amount for that Extension Access Agreement for that Month will be taken to be 100% of the Access Charges which are payable under that Extension Access Agreement Invoice for that Month; and
- (ii) that Extension Access Agreement Customer will be taken to have been given a direction to pay the Direction to Pay Amount for that Month into the Direction to Pay Account under **clause 0**.

Direction to pay – Specified Access Agreements

The Parties acknowledge and agree that this **clause 0** is a SUFA EISL DTP Provision.

The Trustee may procure access agreement customers to give Aurizon a SAA DTP Undertaking in respect of their access agreements.

The Parties acknowledge and agree that Aurizon will treat a SAA DTP Undertaking as being in force and binding upon the party giving the SAA DTP Undertaking unless and until that party notifies Aurizon that it revokes the SAA DTP Undertaking.

Subject to **clause 0**, if:

- (i) the sum of the Direction to Pay Amounts for all Extension Access Agreements for a Month is less than the Expected Rent for that Month; and

- (ii) the amount which is the difference between:
 - A. the sum of the Direction to Pay Amounts for all Extension Access Agreements for that Month; and
 - B. the amount which is the Expected Rent for that Month,is greater than or equal to the sum of the amount of the Access Charges payable under all Specified Access Agreement Invoices for that Month,

then, at the time that Aurizon gives each Specified Access Agreement Customer its Specified Access Agreement Invoice for that Month, Aurizon must, by notice to each Specified Access Agreement Customer (such notice to be copied to the Trustee), direct each Specified Access Agreement Customer to pay 100% of the Access Charges payable under its Specified Access Agreement Invoice for that Month into the Direction to Pay Account by the due date for payment under its Specified Access Agreement.

Subject to **clause 0**, if:

- (i) the sum of the Direction to Pay Amounts for all Extension Access Agreements for a Month is less than the Expected Rent for that Month; and
- (ii) the amount which is the difference between:
 - A. the sum of the Direction to Pay Amounts for all Extension Access Agreements for that Month; and
 - B. the amount which is the Expected Rent for that Month,is less than the sum of the amount of the Access Charges payable under all Specified Access Agreement Invoices for that Month,

then, at the time that Aurizon gives each Specified Access Agreement Customers its Specified Access Agreement Invoice for that Month, Aurizon must, by notice to each Specified Access Agreement Customer (such notice to be copied to the Trustee), direct each Specified Access Agreement Customer to pay by the due date for payment under its Specified Access Agreement:

- (iii) into the Direction to Pay Account – the whole of, part of or none (zero dollars) of the amount of the Access Charges which are payable under its Specified Access Agreement Invoice for that Month; and
- (iv) to Aurizon (in the manner required under the Specified Access Agreement) – the remaining amount of the Access Charges, if any, which are payable under its Specified Access Agreement Invoice for that Month after subtracting the amount of such Access Charges which the Specified Access Agreement Customer is directed to pay into the Direction to Pay Account under **clause (iii)**,

so that, in total, Aurizon has directed one or more Specified Access Agreement Customers to pay into the Direction to Pay Account the amount which is the difference between:

- (v) the Expected Rent for that Month; and
- (vi) the sum of the Direction to Pay Amounts for all Extension Access Agreements for that Month.

If the sum of the Direction to Pay Amounts for all Extension Access Agreements for a Month is equal to or greater than the Expected Rent for that Month, then at the time that Aurizon gives each Specified Access Agreement Customer its Specified Access Agreement Invoice for that Month, Aurizon must, by notice to each Specified Access Agreement Customer (such notice to be copied to the Trustee), direct each Specified Access Agreement Customer to pay by the due date for payment under its Specified Access Agreement:

- (i) into the Direction to Pay Account – zero dollars; and
- (ii) to Aurizon (in the manner required under the Specified Access Agreement) – 100% of the Access Charges which are payable under its Specified Access Agreement Invoice for that Month.

If the amount of the Access Charges which are payable under a Specified Access Agreement Invoice for a Month which a Specified Access Agreement Customer would, but for this **clause 0**, otherwise be directed to pay into the Direction to Pay Account for that Month under this **clause 0** less the amount that Aurizon is permitted to deduct from a direction to pay given to that Specified Access Agreement Customer for its Specified Access Agreement under **clause 0** for that Month is zero, then, at the time that Aurizon gives the Specified Access Agreement Customer its Specified Access Agreement Invoice for that Month, Aurizon must, by notice to that Specified Access Agreement Customer (such notice to be copied to the Trustee), direct that Specified Access Agreement Customer to pay by the due date for payment under its Specified Access Agreement:

- (i) into the Direction to Pay Account – zero dollars; and
- (ii) to Aurizon (in the manner required under the Specified Access Agreement) – 100% of the Access Charges which are payable under the Specified Access Agreement Invoice for that Month.

If, at the time that Aurizon gives a Specified Access Agreement Customer a Specified Access Agreement Invoice for a Month, Aurizon does not give that Specified Access Agreement Customer a direction to pay under **clauses 0, 0, 0 or 0**, then, despite that Specified Access Agreement Customer not being given a direction to pay under **clause 0, 0, 0 or 0**:

- (i) the Direction to Pay Amount for its Specified Access Agreement for that Month will be taken to be 100% of the Access Charges which are payable under the Specified Access Agreement Invoice for that Month; and
- (ii) the Specified Access Agreement Customer will be taken to have been given a direction to pay the Direction to Pay Amount for that Month into the Direction to Pay Account under **clause 0**.

Nomination of Specified Access Agreements

Subject to **clause 0**, Aurizon may, at any time during the term, give a notice to the Trustee and the Other Relevant Access Agreement Customer for an Other Relevant Access Agreement, notifying them that the Other Relevant Access Agreement is nominated as a Specified Access Agreement with effect on and from the date of such notice.

Aurizon must not nominate an Other Relevant Access Agreement to be a Specified Access Agreement if the Other Relevant Access Agreement is already nominated by Aurizon or the Access Regulator to be a 'Specified Access Agreement' under another SUFA EISL.

Without limiting Aurizon's obligation under **clause 0**, Aurizon may, at any time during the term, give a notice to the Trustee and the Specified Access Agreement Customer for a Specified Access Agreement, notifying them that the Specified Access Agreement will cease to be nominated as a Specified Access Agreement with effect on and from the date specified in the notice (which date must be at least **two** months after the date the notice is given).

If, at any time during the term, the Total DTP Access Charge Amount is less than the Threshold Amount, then Aurizon must, within five Business Days:

- (i) nominate one or more Other Relevant Access Agreements to be Specified Access Agreements so that, at the time that such nomination or nominations take effect, the Total DTP Access Charge Amount will be equal to or greater than the Threshold Amount; or
- (ii) if Aurizon is not able to comply with **clause (i)** because there are insufficient Other Relevant Access Agreements which are able to be nominated as Specified Access Agreements, nominate as many Other Relevant Access Agreements to be Specified Access Agreements as Aurizon is able to nominate at that time.
- (iii) If at any time during the term, the Trustee considers that Aurizon has not complied with **clause 0**, then the Trustee may give a notice to Aurizon requesting that Aurizon comply with **clause 0** within five Business Days after the date on which the notice is given to Aurizon.

If:

- (i) the Trustee gives a notice to Aurizon under **clause (iii)**; and
- (ii) the Trustee considers that Aurizon has not complied with **clause 0** within the five Business Days referred to in **clause (iii)**,

then the Trustee may give a notice to Aurizon and the Access Regulator requesting that the Access Regulator, subject to **clause 0**, nominate one or more Other Relevant Access Agreements to be Specified Access Agreements so that, at the time that such nominations take effect, the Total DTP Access Charge Amount will be equal to or greater than the Threshold Amount.

If the Access Regulator receives a notice under **clause 0**, the Access Regulator may give a notice to Aurizon, the Trustee and the Other Relevant Access Agreement Customer for an Other Relevant Access Agreement, notifying them that the Other Relevant Access Agreement is nominated as a Specified Access Agreements under this **clause 0** on and from the date the notice is given, provided that:

- (i) the Access Regulator may only nominate an Other Relevant Access Agreement to be a Specified Access Agreement if Aurizon could have nominated the Other Relevant Access Agreement to be a Specified Access Agreement under this **clause 0**;
- (ii) the Access Regulator must only nominate the Other Relevant Access Agreement, or the combination of Other Relevant Access Agreements, which results, or which together result, in, at the time that such nomination or nominations take effect, the Total DTP Access Charge Amount being:
 - A. equal to the Threshold Amount; or
 - B. if **clause (ii)A** is not possible, greater than the Threshold Amount by the smallest possible amount; and
- (iii) if the Access Regulator is not able to comply with the request under **clause 0** because there are insufficient Other Relevant Access Agreements which are able to be nominated as Specified Access Agreements, then the Access Regulator may nominate as many Other Relevant Access Agreements to be Specified Access Agreements as it is able to nominate at that time.

For the purpose of estimating the Total DTP Access Charge Amount and Threshold Amount for the purpose of this **clause 0**, Aurizon and the Access Regulator (as applicable) may make reasonable assumptions about future events provided that those assumptions, to the extent applicable, are adopted consistently in estimating both the Total DTP Access Charge Amount and the Threshold Amount.

The nomination, by the Access Regulator, of an Other Relevant Access Agreement to be a Specified Access Agreement as contemplated in this **clause 0** will only be effective if the nomination by the Access Regulator was in accordance with the requirements of this **clause 0**.

Aurizon must:

- (i) seek to include a SAA DTP Provision in each standard form of access agreement which it submits for approval by the Access Regulator after the Commencement Date;
- (ii) seek to include a SAA EISL DTP Provision in all access agreements entered into after the Commencement Date; and
- (iii) if a SAA DTP Provision is included in an access agreement entered into after the Commencement Date, not agree with the other parties to the access agreement to remove that provision, or to vary that provision so that it ceases to be a SAA DTP Provision.

Direction to Pay Account

Prior to the Initial Rent Month, the Trustee must establish, and maintain during the remainder of the Term, a separate bank account (**Direction to Pay Account**), in the name of the Trustee, for the purpose of receiving payments which Aurizon directs, or is deemed to direct, Extension Access Agreement Customers and Specified Access Agreement Customers to pay under this **clause 0**.

The Trustee must:

- (i) not deposit funds into the Direction to Pay Account; and
- (ii) use reasonable endeavours to ensure that the only funds (excluding interest earned on funds in the Direction to Pay Account) deposited into the Direction to Pay Account are amounts which Aurizon directs Extension Access Agreement Customers and Specified Access Agreement Customers to pay into the Direction to Pay Account under this **clause 0**.

Promptly after:

- (i) the due date for payment of a Direction to Pay Amount for a Month for an Extension Access Agreement or Specified Access Agreement (as notified by Aurizon to the Trustee under **clause 0**); and
- (ii) if the Direction to Pay Amount referred to in **clause (i)** is not paid (in whole or in part) into the Direction to Pay Account by the due date for payment but is subsequently paid (in whole or in part) into the Direction to Pay Account – the date of such late payment,

the Trustee must give Aurizon a Notice specifying:

- (iii) the amount (if any) paid into the Direction to Pay Account by the Extension Access Agreement Customer or Specified Access Agreement Customer for that Extension Access Agreement or Specified Access Agreement; and
- (iv) if applicable, the date of payment of that amount into the Direction to Pay Account.

If the amount paid into the Direction to Pay Account during the last Month in which Rent is payable by Aurizon to the Trustee under this Agreement exceeds the Rent for that Month (as specified in the Monthly Invoice for that Month), then, within five Business Days after the end of that Month, the Trustee must pay to Aurizon the amount by which the amount paid into the Direction to Pay Account during that Month exceeds the Rent for that Month (as specified in the Monthly Invoice for that Month).

Notice of directions to pay

Promptly after Aurizon gives all of the directions to pay for a Month to Extension Access Agreement Customers and Specified Access Agreement Customers (if applicable) under **clauses 0** and **0**, Aurizon must give the Trustee a Notice specifying:

the Total Direction to Pay Amount for the Month;

each of the Extension Access Agreement Customers and Specified Access Agreement Customers (if applicable) to which Aurizon has given a direction to pay;

the Direction to Pay Amounts that Aurizon directed such Extension Access Agreement Customer and Specified Access Agreement Customer (if applicable) to pay into the Direction to Pay Account for that Month; and

the due date for payment of such Direction to Pay Amounts for that Month.

Application of Total Direction to Pay Amount

The Total Direction to Pay Amount for a Month will be taken to have been paid by Aurizon to the Trustee by the due date for payment of the Monthly Invoice for that Month for the purpose of **clause 0** (regardless of whether or not an Extension Access Agreement Customer or Specified Access Agreement Customer actually paid the applicable Direction to Pay Amount for that Month into the Direction to Pay Account as directed by Aurizon by the due date for payment).

After the Monthly Invoice Date for a Month, Aurizon must calculate whether there is an Overpayment Amount for that Month.

If, under **clause 0**, Aurizon calculates that there is an Overpayment Amount for a Month, then:

- (i) Aurizon must give the Trustee a notice specifying reasonable details of the Overpayment Amount for that Month; and
- (ii) the Overpayment Amount for that Month is taken to be due and payable on and from the Monthly Invoice Date that Month;

The Overpayment Amount for a Month is only payable by way of a deduction in accordance with **clause 0**.

Rent Shortfall Adjustment Amount

If an Extension Access Agreement Customer or Specified Access Agreement Customer does not pay the whole or part of the Direction to Pay Amount for a Month (**relevant Month**) into the Direction to Pay Account as directed under **clause 0** and **0** within three months after the due date for payment of such Direction to Pay Amount (**relevant non-payment**), then, promptly after the end of that three month period, Aurizon must calculate:

the Rent Shortfall Adjustment Amount for the relevant non-payment for the relevant Month in accordance with the following formula:

$$RSAA = R_i - (R_o - S)$$

where:

RSAA	=	The Rent Shortfall Adjustment Amount for the relevant non-payment for the Month
R_i	=	The Rent for the relevant Month (calculated in accordance with the Rent Calculation Methodology using the same inputs as originally used to calculate the Rent for the relevant Month subject only to the non-payment of “S” (as defined in the formula in this clause 0) being taken into account for the purpose of such recalculation)
R_o	=	The Rent for the relevant Month as invoiced in the Monthly Invoice for the relevant Month
S	=	The amount of the Direction to Pay Amount for the relevant Month which the relevant Extension Access Agreement Customer or Specified Access Agreement Customer (as applicable) did not pay into the Direction to Pay Account within three months after the due date for the payment of such Direction to Pay Amount into the Direction to Pay Account

the Rent Reduction Amount for the relevant non-payment for the relevant Month in accordance with the following formula:

$$RRA = S - RSAA$$

where:

RRA	=	The Rent Reduction Amount for the relevant non-payment for the relevant Month
S	=	The amount of “S” (as defined in the formula in clause 0)
RSAA	=	The Rent Shortfall Adjustment Amount for the relevant non-payment for the relevant Month calculated in accordance with clause 0 as a consequence of the non-payment of “S” (as defined in the formula in clause 0)

For the avoidance of doubt, there will be more than one Rent Shortfall Adjustment Amount and Rent Reduction Amount for any relevant Month in circumstances in which there are more than one relevant non-payment in respect of a relevant Month.

Late Payment Adjustment Amount

If Aurizon is required to calculate a Rent Shortfall Adjustment Amount under **clause 0** and, after the end of the three month period referred to in **clause 0**, the relevant Extension Access Agreement Customer or Specified Access Agreement Customer pays the whole or part of the Direction to Pay Amount for the relevant Month referred to in **clause 0** into the Direction to Pay Account, then, promptly after each such payment (**relevant late payment**), Aurizon must calculate:

the Late Payment Adjustment Amount for the relevant late payment for the relevant Month in accordance with the following formula:

$$LPAA = LPA/S \times RSAA$$

where:

LPA	=	The amount of the relevant late payment
S	=	The amount of the Direction to Pay Amount for the relevant Month which the relevant Extension Access Agreement Customer or Specified Access Agreement Customer (as applicable) did not pay into the Direction to Pay Account within three months after the due date for the payment of such Direction to Pay Amount into the Direction to Pay Account
RSAA	=	The Rent Shortfall Adjustment Amount for the relevant Month calculated in accordance with clause 0 as a consequence of the non-payment of "S" (as defined in the formula in this clause 0)

the Rent Increase Amount for the relevant late payment for the relevant Month in accordance with the following formula:

$$RIA = LPA/S \times RRA$$

where:

RIA	=	The Rent Increase Amount for the relevant late payment for the relevant Month
LPA	=	The amount of the relevant late payment
S	=	The amount of "S" (as defined in the formula in clause 0)
RRA	=	The Rent Reduction Amount for the relevant late payment for the relevant Month calculated in accordance with clause 0 as a consequence of the non-payment of "S" (as defined in the formula in clause 0)

For the avoidance of doubt, there will be more than one Late Payment Adjustment Amount and Rent Increase Amount for any relevant Month in circumstances in which there are more than one relevant late payment in respect of a relevant Month.

Calculation of Rent

Objective

The Parties agree that the amount of the Rent for a Month payable by Aurizon to the Trustee under this Agreement is intended to be calculated so as to achieve the objective set out in **Schedule 1** (Objective).

Rent Calculation Methodology

The Parties acknowledge and agree that the Rent Calculation Methodology as at the Commencement Date achieves the Objective as at the Commencement Date.

Calculation of Rent

The Rent for a Month will be the amount calculated in accordance with the Rent Calculation Methodology (as varied from time to time under this **clause 0**).

For the purpose of calculating the Rent for a Month, any Direction to Pay Amount for the Month which Aurizon has directed an Extension Access Agreement Customer or Specified Access Agreement Customer to pay into the Direction to Pay Account under **clauses 0** and **0** will be taken to have been paid by the Extension Access Agreement Customer or Specified Access Agreement Customer (as applicable) into the Direction to Pay Account by the due date for payment (regardless of whether or not the amount was actually paid into the Direction to Pay Account as directed by the due date for payment).

Variations to Rent Calculation Methodology

If, at any time, a Party considers, acting reasonably, that the Rent Calculation Methodology at that time fails, or will in the future fail, to achieve the Objective for any reason, then that Party may give a Notice (**Variation Notice**) to the other Party:

specifying how the Rent Calculation Methodology fails, or will in the future fail, to achieve the Objective;

requesting that the Rent Calculation Methodology be varied, to the extent necessary, so that the Rent Calculation Methodology achieves, or will in the future achieve, the Objective; and

setting out the Party's proposed variations to the Rent Calculation Methodology.

Good faith negotiations

If a Party gives a Variation Notice, the Parties must promptly (and in any event within ten Business Days) negotiate in good faith to endeavour to agree in writing the variations to the Rent Calculation Methodology, to the extent necessary, so that the Rent Calculation Methodology achieves, or will in the future achieve, the Objective.

For the purposes of the negotiations referred to in **clause 0**, the Parties must:

- (i) act fairly, reasonably and honestly;
- (ii) work together and cooperate with each other; and
- (iii) meet regularly with each other or as otherwise reasonably required by either of them.

Determination of Rent Calculation Methodology Dispute

If, within one month after a Party gives a Variation Notice to the other Party, the Parties have not agreed on variations to the Rent Calculation Methodology:

- (i) a Dispute (**Rent Calculation Methodology Dispute**) will be taken to exist between the Parties; and
- (ii) either Party may refer the Rent Calculation Methodology Dispute to an Expert for determination under the Expert Process.

If a Party refers the Rent Calculation Methodology Dispute to an Expert for determination under the Expert Process then, subject to **clause 0**, the Parties must jointly appoint the Access Regulator as the expert to determine the Rent Calculation Methodology Dispute.

If:

- (i) the Access Regulator does not accept the appointment as the expert to determine the Rent Calculation Methodology Dispute; or

- (ii) the Parties agree to have the Rent Calculation Methodology Dispute determined by an expert other than the Access Regulator,

then the Rent Calculation Methodology Dispute will be determined by an Expert appointed in accordance with the Expert Process.

If a Rent Calculation Methodology Dispute is referred to an Expert for determination in accordance with the Expert Process, the expert must apply the principles which it considers, acting reasonably, would be applied by the Access Regulator if it were appointed as the expert to determine the Rent Calculation Methodology Dispute.

Unless otherwise agreed between the Parties, in determining a Rent Calculation Methodology Dispute, the expert (whether or not the Access Regulator) must determine:

- (i) the extent to which the Rent Calculation Methodology fails, or will in the future fail, to achieve the Objective; and
- (ii) the variations to the Rent Calculation Methodology (if any) required so that the Rent Calculation Methodology (once varied) will achieve the Objective.

If the expert determines any variations to the Rent Calculation Methodology in accordance with **clause 0**, the Rent Calculation Methodology will be taken to be varied as determined by the expert:

- (i) if the Rent Calculation Methodology Dispute is about the Rent Calculation Methodology failing to achieve the Objective in the future – on the date that the Rent Calculation Methodology would, but for the variations, fail to achieve the Objective in the future; or
- (ii) otherwise – on the date that the expert notifies in the expert's determination that the variation to the Rent Calculation Methodology takes effect.

Records and auditing

Keeping of records

Aurizon must maintain full and complete records of all information which may be reasonably required by the Trustee to verify the determination of the Rent (including the regulatory value of the Total Extension Infrastructure in its Regulatory Asset Base by asset type and by location on a basis that shows the Total Extension Infrastructure separately from other assets of the same asset type and location).

Aurizon must preserve and maintain the records referred to in **clause 0** for a period of not less than five years following the end of the year in which the records ceased being necessary to enable calculation of the amounts payable to the Trustee under this Agreement.

Audit

The Trustee may appoint an independent auditor nominated by it and approved by Aurizon (**Auditor**) to carry out audits in order to verify the amounts included in Monthly Invoices, the advised Monthly Direction to Pay Amounts, the determination of Rent under this Agreement and such other matters reasonably required or relevant to the audit of the records provided under, or the administration of **clauses 0, 0, 0 and 0 (Audits)**.

Aurizon must approve any Auditor proposed by the Trustee unless Aurizon is of the opinion that the proposed Auditor has previously breached the terms of any confidentiality undertaking which has previously been given by the proposed Auditor to Aurizon.

The costs and expenses of an Auditor must be borne solely by the Trustee.

Prior to the Auditor undertaking its first Audit, the Trustee must ensure that the Auditor provides Aurizon with a signed confidentiality undertaking from the Auditor in favour of Aurizon in the form shown in **Schedule 4** or in a form otherwise acceptable to Aurizon (acting reasonably).

Upon at least ten Business Days prior written request given by the Trustee (not more than once each year of this Agreement), Aurizon must:

- (i) give the Auditor reasonable access during normal business hours to the books, accounts and records of Aurizon relevant to an Audit; and
- (ii) otherwise provide reasonable assistance and co-operation to the Auditor in relation to the conduct of the Audit.

The Parties acknowledge and agree that, except to the extent otherwise provided in the confidentiality undertaking referred to in **clause 0**, the Auditor will only be entitled to disclose to the Trustee:

- (i) whether or not the Auditor verified the amounts included in Monthly Invoices and the determination of Rent under this Agreement; and
- (ii) if the Auditor is unable to verify any amount included in a Monthly Invoice and/or the determination of Rent under this Agreement, the nature and extent of the Auditor's inability to verify the amount included in the Monthly Invoice and/or the determination of Rent under this Agreement.

The Parties acknowledge and agree that the confidentiality undertaking referred to in **clause 0** will:

- (i) not prevent the Auditor from disclosing the result of its Audit (other than Customer Confidential Information) to the Trustee;
- (ii) subject to **clause (iii)**, require the Auditor to keep all Customer Confidential Information confidential (including from the Trustee); and
- (iii) permit the Auditor to disclose Customer Confidential Information to an Expert (but not the Trustee) to the extent that the expert requires access to the Customer Confidential Information for the purpose of resolving a Dispute in accordance with the Expert Process about any amount included in a Monthly Invoice and/or the determination of Rent under this Agreement provided that the Expert has first signed a confidentiality undertaking in favour of Aurizon under which the Expert undertakes to keep the Customer Confidential Information confidential (including from the Trustee).

Audit of Direction to Pay Account

Aurizon may appoint an independent auditor nominated by it and approved by the Trustee (such approval not to be unreasonably withheld or delayed) (**DTP Auditor**) to carry out audits in order to verify amounts paid into the Direction to Pay Account (**DTP Audits**).

The costs and expenses of a DTP Auditor will be borne solely by the Trustee and the Trustee must reimburse Aurizon for any such costs and expenses incurred by Aurizon.

Upon at least ten Business Days prior written request given by Aurizon (not more than once each year of this Agreement), the Trustee must:

- (i) give the DTP Auditor reasonable access during normal business hours to the books, accounts, bank statements and records of the Trustee relevant to an DTP Audit; and

- (ii) otherwise provide reasonable assistance and cooperation to the DTP Auditor in relation to the conduct of the DTP Audit.

Force majeure

If Aurizon is prevented or hindered by a Force Majeure Event from fully or partly performing any obligation (except for the payment of money) under this Agreement, then Aurizon will be excused from performing that obligation for the period that Aurizon is so prevented or hindered.

Upon the occurrence of any Force Majeure Event which prevents or hinders Aurizon from fully or partly performing any obligation under this Agreement, Aurizon must:

- (i) give notice of the event to the Trustee as soon as reasonably practicable;
- (ii) use all reasonable endeavors to mitigate the effect of the Force Majeure Event upon the performance of its obligations under this Agreement; and
- (iii) resume full performance of its obligations under this Agreement as soon as reasonably practicable, and notify the Trustee when it does so.

Termination

Termination by Trustee for Insolvency Event

The Trustee may immediately terminate this Agreement by notice to Aurizon if an Insolvency Event occurs in respect of Aurizon.

Termination by Trustee for non-payment

The Trustee may immediately terminate this Agreement by notice to Aurizon if Aurizon does not pay any money which is due for payment to the Trustee under a Monthly Invoice by the due date for payment and Aurizon does not pay that money, together with interest under **clause 0**, within a further period of 12 months after the Trustee gives a Notice to Aurizon requesting payment of that money.

Termination by Trustee after the Zero Value Date

The Trustee may terminate this Agreement by notice (effective immediately) to Aurizon at any time after the Zero Value Date.

No other rights of termination

Except as provided in **clauses 0, 0** and **0** and despite any rule of law or equity to the contrary:

- (i) neither Party may terminate, rescind or treat as repudiated, or obtain any order with the effect of terminating or rescinding, this Agreement; and
- (ii) this Agreement will not terminate, be frustrated (whether at common law, by equity or by statute), be repudiated or taken to have been repudiated for any reason.

Neither the Trustee nor Aurizon may surrender any part of its interest in this Agreement.

No prejudice as to right to damages

Subject to **clause 0**, nothing in this **clause 0** prejudices in any way a Party's right to Claim and recover damages for any breach of this Agreement by the other Party.

Limitation of liability

Limitation of Aurizon's liability

Except to the extent:

that Aurizon has committed fraud, Gross Negligence or Wilful Default; or

otherwise prohibited by law,

Aurizon's liability in respect of a Claim arising out of, or in any way related to, this Agreement (excluding a Claim in respect of the non-payment by Aurizon of an amount that it is expressly required to pay to the Trustee, or to indemnify the Trustee in respect of, under the terms of this Agreement or any other Transaction Document and a Claim in respect of the determination of this Agreement as a consequence of a termination of the State Infrastructure Lease caused, or contributed to (to the extent of the contribution), by any act, omission, negligence or failure on the part of Aurizon or any of Aurizon's Associates) is limited to, and will in no event exceed, the total amount of \$1.00.

Trustee's limitation of liability

Aurizon acknowledges that the Trustee enters into this Agreement only as trustee of the Trust, and in no other capacity (other than in respect of the warranties in relation to trustee capacity in **clause 0** which are given by the Trustee in its personal capacity).

A liability of the Trustee arising under or in connection with this Agreement is limited to and can be enforced against the Trustee only to the extent to which the Trustee is entitled to be indemnified out of the Trust for the liability and the liability can be satisfied out of property of the Trust.

The limitation of liability in this **clause 0** will not apply to any liability of the Trustee to the extent that the liability is not satisfied out of the property of the Trust because there is a reduction in the Trustee's right of indemnity as a result of the Trustee committing fraud, negligence, breach of trust or breach of the Trust Deed or Unit Holders Deed.

Exclusion of Consequential Loss

Subject to **clause 0**, despite any other provision of this Agreement, neither Party will be liable to the other for any Consequential Loss suffered by or Claimed against that other Party other than under a Claim by the Trustee against Aurizon in respect of the determination of this Agreement as a consequence of a termination of the State Infrastructure Lease to the extent caused, or contributed to (to the extent of the contribution), by any act, omission, negligence or failure on the part of Aurizon or any of Aurizon's Associates.

Clause 0 does not apply to the indemnity in **clause 0**.

Nothing in this **clause 0** will exclude any amount which a Party is expressly required to pay, or to indemnify the other Party in respect of, under the terms of this Agreement, or of any other Transaction Document.

Scope of Claim, liability or loss

For the avoidance of doubt, references in this **clause 0** to a Claim, liability or loss include:

a Claim for, or liability or loss arising from, breach of contract, tort (including negligence), breach of equitable duty, breach of statutory duty, breach of the Competition and Consumer Act 2010 (Cth) or otherwise; and

a Claim, liability or loss arising out of the performance or non-performance of any obligation under this Agreement, or arising out of a termination of this Agreement for any reason (including breach, repudiation or otherwise).

Trustee's risks

Acknowledgement

The Trustee acknowledges and accepts, each as a material term of this Agreement and to induce Aurizon to enter this Agreement, that:

its right to the payment of Rent under this Agreement and the quantum of the Rent payable under this Agreement is determined (in part) by Aurizon's revenue from each Coal System of which the Total Extension Infrastructure forms part;

Aurizon's revenue from each of those systems is dependent on various known and unknown risks, uncertainties and other factors (some of which are within, and some of which are beyond, Aurizon's control); and

those risks, uncertainties and other factors may cause Aurizon's actual revenue, and the actual payments to the Trustee under this Agreement, to differ from that expected by Aurizon or the Trustee.

Rail infrastructure manager

Rail infrastructure manager

Aurizon warrants and covenants that it is, and will continue to be, accredited as rail infrastructure manager under the Rail Safety Act for railway operations in respect of the Total Extension Infrastructure and the Extension Land.

Approval of railway manager

For the purposes of section 255 of the TIA, the Parties acknowledge and agree that the terms of this Agreement and the other Transaction Documents constitute:

Aurizon's approval as railway manager of all the Works and other activities to be undertaken by or for the Trustee on the Extension Land under and in accordance with this Agreement or another Transaction Document; and

for avoidance of doubt, reasonable conditions to which that approval is subject.

Warranties

Warranties

Each Party warrants that:

it is a corporation validly existing under the laws applicable to it;

it is able to pay its debts as and when they fall due;

it has the power to enter into and perform this Agreement and has obtained all necessary consents to enable it to do so;

its obligations under this Agreement are enforceable in accordance with their terms;

no litigation, arbitration or administrative proceeding has been commenced before, and no judgment or award has been given or made by, any court, arbitrator, other tribunal or Governmental Agency against it which would have a material adverse effect on its ability to observe its obligations under this Agreement; and

it is not in breach or default under any agreement to which it is a party to an extent or in a manner which would have a material adverse effect on its ability to perform its obligations under this Agreement.

Trustee warranties

The Trustee warrants that:

it has full power and authority to enter into this Agreement and to perform the Trustee's obligations under this Agreement and the Trust Deed;

it is the sole trustee of the Trust and no action has been taken to remove or replace the Trustee; and

it has the right to be fully indemnified out of the assets of the Trust in respect of all its obligations under this Agreement, and the Trustee has not done or omitted to do anything that would result in its right of indemnity being restricted or limited in any way.

PPSA

If the Trustee determines that the lease of the Leased Extension Infrastructure in accordance with the terms of this Agreement creates a security interest or security interests for the purposes of the Personal Property Securities Act 2009 (Cth) (**PPSA**), the Lessee or the Sublessee (as applicable) must do all things which the Trustee reasonably requires, including without limitation, obtaining consents, signing and producing documents and supplying information for the purposes of:

ensuring that any security interest so created is enforceable, and otherwise effective;

enabling the Trustee to apply for any registration or give any notifications in connection with the security interest so that the security interest has the priority required by the Trustee; or

enabling the Trustee to exercise its rights in connection with the security interest.

Reliance

Each Party acknowledges that the other Party has entered (or will enter) into this Agreement in reliance upon the warranties contained in **clause 0**.

The Trustee acknowledges that Aurizon has entered (or will enter) into this Agreement in reliance upon the warranties contained in **clause 0**.

General

Disputes

If any Dispute arises between the Parties under this Agreement, the Parties must follow the Dispute Resolution Process to resolve that Dispute.

Confidentiality

The Parties must comply with the Confidentiality Obligations in respect of Confidential Information.

Notices

Any notice, demand, certification, process or other communication (**Notice**) under this Agreement must comply with and be given in accordance with the Extension Project Agreement as if the Notice were a notice under that document.

Assignment

A Party may only assign, transfer, mortgage, charge, make the subject of a trust or otherwise deal with or encumber all or any of its rights or liabilities under this Agreement (or procure or permit any of those things) in accordance with the Extension Project Agreement.

GST

In this **clause 0**:

- (i) words and expressions which are not defined in this Agreement but which have a defined meaning in GST Law have the same meaning as in the GST Law;
- (ii) **GST Law** has the same meaning given to that expression in the A New Tax System (Goods and Services Tax) Act 1999 (Cth); and
- (iii) references to GST payable and input tax credit entitlement include GST payable by, and the input tax credit entitlement of, the representative member for a GST group of which the entity is a member.

Unless otherwise expressly stated, all prices or other sums payable or consideration to be provided under this Agreement are exclusive of GST.

If GST is payable on any supply made by a Party (or any entity through which that Party acts) (Supplier) under or in connection with this Agreement, unless the consideration is expressly stated to be inclusive of GST, the recipient will pay to the Supplier an additional amount equal to the GST payable on the supply. Subject to **clauses 0** and **0**, the recipient will pay the amount referred to in this **clause 0** in addition to and at the same time that the consideration for the supply is to be provided under this Agreement.

The Parties agree that:

- (i) Aurizon will issue a recipient created tax invoice (**RCTI**) in respect of any taxable supply which the Trustee makes to Aurizon under or in connection with this Agreement (**Trustee Supplies**);
- (ii) the Trustee will not issue tax invoices in respect of the Trustee Supplies;
- (iii) the Trustee is registered for GST as at the date of this Agreement and must notify Aurizon if it ceases to be registered;
- (iv) Aurizon is registered for GST as at the date of this Agreement and must notify the Trustee if it ceases to be registered;
- (v) Aurizon will issue an adjustment note to the Trustee for any adjustment events that arise in relation to a supply for which a RCTI has been issued;
- (vi) each RCTI to be issued in accordance with this Agreement is a tax invoice belonging to the class of invoices that the Commissioner of Taxation has determined in writing may be issued by the recipient of a taxable supply; and
- (vii) the agreement in this **clause 0** will terminate immediately if Aurizon or the Trustee cease to satisfy any of the requirements under the GST Law for issuing a RCTI.

Aurizon must deliver a tax invoice or an adjustment note to the Trustee before Aurizon is entitled to payment of an amount on account of GST under **clause 0** in respect of the supplies it makes to

the Trustee. The Trustee can withhold payment of the amount on account of GST until Aurizon provides a tax invoice or an adjustment note, as appropriate.

If an adjustment event arises in respect of a taxable supply made by a Supplier under this Agreement, the amount payable by the recipient under **clause 0** will be recalculated to reflect the adjustment event and a payment will be made by the recipient to the Supplier, or by the Supplier to the recipient, as the case requires.

Where a Party is required under this Agreement to pay or reimburse an expense or outgoing of the other Party, the amount to be paid or reimbursed by the first Party will be the sum of:

- (i) the amount of the expense or outgoing less any input tax credits in respect of the expense or outgoing to which the other Party is entitled; and
- (ii) if the payment or reimbursement is subject to GST, an amount equal to that GST.

Survival

This **clause 0** and clauses [#] and [#] survive the termination of this Agreement.

Incorporated General Provisions

Except to the extent of any inconsistency with this Agreement, the General Provisions are taken to be incorporated into this Agreement as if set out in full but with the necessary changes having been made.

Applicable law

This Agreement will be governed by and construed in accordance with the laws applicable in the State of Queensland.

Each Party irrevocably submits to the exclusive jurisdiction of courts exercising jurisdiction in the State of Queensland and courts of appeal from them in respect of any proceedings arising out of or in connection with this Agreement. Each Party irrevocably waives any objection to the venue of any legal process in these courts on the basis that the process has been brought in an inconvenient forum.

Counterparts

This Agreement may consist of a number of counterparts and, if so, the counterparts taken together constitute one document.

Schedule 1 - Objective (clause 0)

1. Objective during regulatory period

1.1 Application

This **item 1** of **Schedule 1** applies while the Railway Network is regulated under Access Legislation.

1.2 Definitions

In this **item 1** of **Schedule 1**:

2010 Access Undertaking means the access undertaking prepared by Aurizon and approved by the Queensland Competition Authority pursuant to the Queensland Competition Authority Act 1997 (Qld) which commenced on 1 October 2010, as at the date of this Agreement.

Access Agreement means an agreement, in or substantially in the form of any standard access agreement of Aurizon approved by the Access Regulator, between Aurizon and a third party that grants that third party a right to access the System for the operation of train services (and, for the avoidance of doubt, does not include any agreement or arrangement in relation to Aurizon facilitating, constructing, funding, providing or otherwise undertaking any extension, enhancement, expansion, augmentation, duplication or replacement of any part of the Railway Network).

Adjustments has the meaning given in **item 1.3** of this **Schedule 1**.

Capital Value means:

- (a) in respect of a System, the capital value, under the relevant regulated pricing regime, of the assets comprising the System including any depreciation and appreciation of that capital value; and
- (b) in respect of the System Total Extension Infrastructure, the capital value, under the relevant regulated pricing regime, of the assets comprising the System Total Extension Infrastructure including any depreciation and appreciation of that capital value.

Excluded Revenue means:

- (a) in respect of the Extension Pre-Tax Allowable Revenue and the System Pre-Tax Allowable Revenue, any revenue which, under the relevant regulated pricing regime, may be earned in relation to operation or maintenance (including OPRA), and any other revenue component not based on the Capital Value of the System or the System Total Extension Infrastructure (as applicable); and
- (b) in respect of the System Capital Revenue, any revenue which, under the relevant regulated pricing regime, is received in relation to operation or maintenance (including OPRA), and any other revenue component not based on the Capital Value of the System.

Extension Pre-Tax Allowable Revenue means, for a System, the pre-tax amount of revenue from the relevant Pricing Component that the relevant regulated pricing regime specifies may be earned under Access Agreements from train services that use the System Total Extension Infrastructure and that is calculated based on the Capital Value of the System Total Extension Infrastructure, as relied on by the Access Regulator for approval of that pre-tax amount of revenue (and, for the avoidance of doubt, excludes all Excluded Revenue).

OPRA means, for a System, the operational and performance risk allowance (or similar allowance however described) approved by the Access Regulator in respect of any relevant commercial or regulatory risk borne by Aurizon in connection with the operation and maintenance of that System. Where OPRA is not provided for under an Access Undertaking or approved by the Access Regulator for a System under an Access Undertaking, OPRA will be taken to be zero.

Pricing Component means a pricing component relating to parts of the Rail Network that differs from pricing components relating to other parts of the Rail Network based on differences in cost and utilisation, as approved by the Access Regulator. For example, under the 2010 Access Undertaking:

- (a) the component of the Reference Tariff (or access charges derived from the Reference Tariff) calculated based on AT_5 is a Pricing Component; and
- (b) the component of the Reference Tariff (or access charges derived from the Reference Tariff) calculated based on AT_2 , AT_3 and AT_4 is another Pricing Component.

In this definition, AT_2 , AT_3 , AT_4 , AT_5 and Reference Tariff have the meaning given to those terms in the 2010 Access Undertaking.

SEI Capital Revenue means, for a System, the SEI Proportion multiplied by the System Capital Revenue, subject to **item 1.3(b)** of this **item 1** of **Schedule 1**.

SEI Proportion means, for a System, the proportion which the Extension Pre-Tax Allowable Revenue bears to the System Pre-Tax Allowable Revenue.

System means, as applicable, each relevant part of the Railway Network to which a Pricing Component applies. For example, under the 2010 Access Undertaking:

- (a) the relevant parts of the Railway Network in an Individual Coal System for which a component of the Reference Tariff (or access charges derived from the Reference Tariff) calculated based on AT_5 applies is a System; and
- (b) the relevant parts of the Railway Network in that Individual Coal System for which a component of the Reference Tariff (or access charges derived from the Reference Tariff) calculated based on AT_2 , AT_3 and AT_4 applies is another System.

In this definition, Individual Coal System, AT_2 , AT_3 , AT_4 , AT_5 and Reference Tariff, have the meaning given to those terms in the 2010 Access Undertaking.

System Capital Revenue means, for a System, the revenue from the relevant Pricing Component received by Aurizon under Access Agreements for the provision of access to the System for the operation of train services (including revenue payable where trains were entitled to operate but did not operate – that is, take or pay revenue) for the same type of train services as those taken into account for the purpose of calculating the System Pre-Tax Allowable Revenue less all Excluded Revenue and adjusted to reflect any increase or decrease to the System Pre-tax Allowable Revenue associated with incentives or other efficiency sharing mechanisms.

System Total Extension Infrastructure means, for a System:

- (a) the Total Extension Infrastructure which forms part of the System (from time to time);
- (b) any Removed Infrastructure which forms part of the System and which has a value in the Regulatory Asset Base; and
- (c) any Replaced Part or Removed Obsolete Part which forms part of the System and which has a value in the Regulatory Asset Base.

System Pre-Tax Allowable Revenue means, for a System, the pre-tax amount of revenue from the relevant Pricing Component that the relevant regulated pricing regime specifies may be earned

under Access Agreements from train services that use the System and that is calculated based on the Capital Value of the System, as relied on by the Access Regulator for approval of that pre-tax amount of revenue (and, for the avoidance of doubt, includes the Extension Pre-Tax Allowable Revenue but excludes all Excluded Revenue).

1.3 Objective

- (a) The mutual objective of the Parties is that the Rent payable by Aurizon to the Lessor under this Agreement for a Month will be the sum of the SEI Capital Revenue for each System for that Month.
- (b) However, if the calculation of the relevant System Capital Revenue includes:
 - (i) charges, adjustments, off-sets, refunds or any other positive or negative amounts that are payable in respect of access;
 - (ii) adjusted access charges that were increased or decreased in relation to an under or over recovery of revenue from that System; or
 - (iii) any other adjustment,in respect of a time prior to the relevant Month (**Adjustments**), then the SEI Capital Revenue must be adjusted so that each Adjustment is applied in proportion to the SEI Proportion that would have applied at the time in respect of which that Adjustment relates.

[QCA Note: the QCA proposes that sums paid by the Trustee under clause 0 or by the Preference Unit Holders under the tax indemnity in the SUHD be recoverable by the Trustee, to the extent the payment was not caused by a breach of the Transaction Documents by the Trustee or a Preference Unit Holder. The increase in tariffs will be added to the Expected Rent, with the net present value of the indemnity sums paid to be repaid over the period to the Zero Value Date. Relevant drafting is to be added as part of the Rent review]

2. Objective following regulatory period

2.1 Application

This **item 2** of **Schedule 1** applies after the Railway Network ceases to be regulated under Access Legislation.

2.2 Definitions

Capital Revenue means, in respect of a Section:

- (a) actual access revenue, where access is provided as a separate commercial service;
- (b) Notional Access Revenue where access is provided as part of a CITS; or
- (c) a combination of both actual access revenue and Notional Access Revenue,

as applicable for that Section less Aurizon's operating and maintenance expenditure for that Section.

CITS means a commercially integrated transportation service for which the provider incurs both below-rail costs and Other Transportation Costs, and charges its customer an integrated fee for transportation services rendered to it.

CITS Provider means Aurizon or any Related Body Corporate of it that provides CITS to a customer.

Determined Other Transportation Costs means the determined quantum of Other Transportation Costs that the CITS Provider would have avoided had it not provided the Other Transportation Elements, including:

- (a) operating costs of providing the Other Transportation Elements;
- (b) administrative costs related to the provision of the Other Transportation Elements; and
- (c) an appropriate allowance for the capital costs of providing the Other Transportation Elements, which allowance must reflect the opportunity costs of the CITS Provider's relevant assets where they exist or otherwise the acquisition cost of the relevant assets (which may not be new assets), comprising both depreciation and return on assets.

End Regulation Date means the date on which this **item 2 of Schedule 1** commenced to apply.

Final Regulatory Regime means the Access Legislation and Access Undertaking that applied to Aurizon immediately prior to the End Regulation Date.

Notional Access Revenue means, in respect of the CITS provision relating to a Section, the lesser of:

- (a) the access revenue that would have been allowable to Aurizon in respect of that Section at the time of provision of the CITS had the Final Regulatory Regime continued to apply beyond the End Regulation Date, and
- (b) the revenue received by the CITS Provider for the provision of the CITS less the relevant Determined Other Transportation Costs, both being in respect of that Section.

Other Transportation Costs means costs other than below-rail costs incurred by the CITS Provider in providing CITS.

Other Transportation Elements means all elements of the CITS (service) other than the below-rail element.

Section has the meaning given in **item 2.3** of this **Schedule 1**.

2.3 Objective

Pricing of access

Where Aurizon provides a customer with access between any two points of rail infrastructure and Total Extension Infrastructure constitute any part of the rail infrastructure over which the access is provided (the rail infrastructure between those two points being a **Section**), the access agreement or CITS agreement as applicable between Aurizon and the customer must feature:

- (a) a no more favourable pricing regime (from the customer's perspective) for the provision of access or CITS as applicable in respect of Total Extension Infrastructure within that Section; than

- (b) the pricing regime applicable to the provision of access or CITS as applicable in respect of other assets within that Section,

due to the Total Extension Infrastructure ownership.

For the avoidance of doubt, Aurizon may adopt

- (i) in an access agreement, pricing in respect of a Section below the maximum amount that would have been allowed had the Final Regulatory Regime continued to apply beyond the End Regulation Date; and
- (ii) in a CITS agreement, pricing in respect of a Section as Aurizon sees fit.

Revenue sharing

Aurizon will pay to the Trustee the percentage of Capital Revenue attributable to each Section on the basis that would have applied at the time that Aurizon earned that Capital Revenue had the Final Regulatory Regime continued to apply beyond the End Regulation Date.

[Drafting note: A special Dispute Resolution Process for a Dispute in respect of **item 2 of Schedule 1** (to be absolutely clear, this special arrangement is required **only** for a post regulatory dispute) is to be included. The special Dispute Resolution Process will involve expert determination by a panel of three experts, with one nominee by the Trustee, another nominee by the Lessee and the third by agreement or failing that by an independent party. Panel decisions require any two panel members to agree. Each expert must of meet the standards set out in the Dispute Resolution Process, as modified to reflect decision by a panel of experts rather than a single expert.]

Schedule 2 - Rent Calculation Methodology [QCA note: under review] (clause 0)

1. Determination of Rent for each Month

For each Individual Coal System upgraded by Aurizon, the Rent for each Month due to the Trustee in respect of any Month during the period from the Initial Rent Month until the end of the Term shall be:

$$\begin{aligned} & [AID_t * (AT_{2-4} \text{ Distribution Pool})] + \\ & [AID_{(t-2)} * AT_{2-4} \text{ RAA}_{(t-2)}] + \\ & [AIE_t * AT_5 \text{ Distribution Pool}] + \\ & [AIE_{(t-2)} * AT_5 \text{ RAA}_{(t-2)}] + \\ & \sum_{n=1}^{n=q} (AID_{(t-n)} * AC_{AT2-4(t-n)} + AIE_{(t-n)} * AC_{AT5(t-n)}) \end{aligned}$$

2. Definitions

In this **Schedule 2**:

AC_{AT2-4(t-n)} means an amount that is one twelfth of the annual Adjustment Charge in relation to AT₂₋₄ for the relevant Individual Coal System as set by the Access Regulator for the Year n years prior intended to be adjusted in this year.
