Aurizon Network's UT4 Standard User Funding Agreement (SUFA) Draft Amending Access Undertaking (DAAU) – supplementary submission on the draft decision

30 October 2017

Dear Professor Green,

This submission is a supplement to Aurizon Network's 15 September 2017 response (the 'Policy Response') to the draft decision of the Queensland Competition Authority (the 'QCA') in respect of the UT4 SUFA DAAU.

As contemplated in Michael Riches' 13 October 2017 letter to you and Charles Millsted, this submission comprises:

- a complete set of SUFA template documents, and
- a form of UT4

that are consistent with the Policy Response.

Aurizon Network requests that the QCA consider the Policy Response and this submission taken together when the QCA is formulating its final decision in respect of the UT4 SUFA DAAU.

Aurizon Network is committed to working with the QCA and collaborating with stakeholders to support the growth and sustainability of the Central Queensland Coal Network.

Yours sincerely
