3 Access Undertaking

3.1 Incorporation
(a) The parties agree that, for the purposes of the Access Undertaking, the Access Holder is considered an Access Seeker or an ‘Access Holder’ (as the term is defined under the Access Undertaking) (as applicable).
(b) Subject to clause 3.2, the following provisions of the Access Undertaking (as in force as at the Commencement Date) form part of this Agreement as if they were set out in full under this Agreement:

(i) Interface Risk Provisions;
(ii) Transfer Provisions;
(iii) Relinquishment Provisions;
(iv) Reduction Factor Provisions;
(v) Resumption Provisions; and

(c) The Reference Tariff Provisions of the Access Undertaking (as changed by a Change in Access Undertaking from time to time) form part of this Agreement as if they were set out in full in this Agreement.

(d) For the avoidance of doubt, despite any other provision in the Access Undertaking:

3.2 Changes in Access Undertaking

(a) If there is a Change in Access Undertaking at any time which changes any of the Incorporated Provisions set out in clause 3.1(b), then this clause 3.2 applies.

(b) A Party (Notifying Party) may, within 20 Business Days from the date of the Change in the Access Undertaking (or such longer period as the Parties may agree), notify (Amendment Notice) the other Party (Receiving Party):

(i) that it elects to amend this Agreement to replace the Incorporated Provisions which form part of this Agreement under clause 3.1(b) or this clause 3.2 (Former Incorporated Provisions) with the corresponding Incorporated Provisions as changed by the Change in Access Undertaking (New Incorporated Provisions); and
(ii) of any other changes to the other terms of this Agreement (if any) which the Notifying Party requires as a consequence of, or to give full effect to the replacement of the Former Incorporated Provisions with the New Incorporated Provisions under this clause 3.2; and
(iii) of the date from which the changes become effective (and if any changes become effective from different dates, the dates applicable to each change), which must be on or after the date on which the Change in Access Undertaking became effective (Change Date(s)).
(c) An Amendment Notice must include an amended version of this Agreement, with the changes referred to in clause 3.2(b)(i) clearly identified.

(d) Promptly following receipt of an Amendment Notice, the Receiving Party must notify the Notifying Party the extent to which the Receiving Party accepts or does not accept the drafting of the amendments to the terms of this Agreement proposed in the Amendment Notice in accordance with clause 3.2(b)(ii).

(e) If the Receiving Party does not accept the drafting of the amendments to the terms of this Agreement, then the Parties must promptly meet to negotiate and attempt to agree the changes to the terms of this Agreement (if any) which are necessary as a consequence of, or to give full effect to, the replacement of the Former Incorporated Provisions with the New Incorporated Provisions under this clause 3.2.

(f) If the Parties do not agree the amendments in respect of the matters outstanding under clause 3.2(e) by the Change Date(s), the matter must be referred to the QCA for determination in accordance with the provisions of the Access Undertaking which provide for determination of disputes by the QCA.

(g) On and from the Change Date(s) (or such other time as the QCA may determine):

(i) the New Incorporated Provisions will form part of this Agreement as if set out in full in this Agreement;

(ii) the Former Incorporated Provisions will cease to form part of this Agreement; and

(iii) amendments to the terms of this Agreement:

(A) accepted under clause 3.2(d);

(B) agreed under clause 3.2(e); or

(C) determined by the QCA under clause 3.2(f), become effective.

(h) Within 10 Business Days from the date that amendments to the terms of this Agreement are accepted, agreed and/or determined (as applicable) under this clause 3.2, Aurizon Network must prepare and send to the Access Holder a copy of this Agreement as modified.

4 Access Rights

4.1 Grant of Access Rights

In consideration of the Access Holder paying the Access Charges, on and from each Train Service Commitment Date for each Train Service Type until the Train Service Expiry Date for that Train Service Type, Aurizon Network grants, and will provide, to the Access Holder the Access Rights for that Train Service Type in accordance with the Train Description for that Train Service.
4.2 Nature and scope of Access Rights
(a) The Access Rights granted under clause 4.1 are non-exclusive contractual rights and do not give the Access Holder any right, title or interest of any proprietary nature in the Nominated Network.
(b) Aurizon Network must provide the Access Holder with certain benefits, rights and services in accordance with the Access Undertaking and, to the extent relevant to the Access Holder’s Access Rights, it is intended that the terms on which these requirements are provided are detailed in this Agreement.

4.3 Exercise of Access Rights and Operator nomination
(a) The Parties acknowledge and agree that:
   (i) the grant of the Access Rights to the Access Holder does not entitle the Access Holder to itself operate Train Services on the Nominated Network (unless it is also an Accredited Railway Operator and is nominated as an Operator in accordance with this Agreement);
   (ii) the Access Holder can only utilise the Access Rights by nominating an Operator from time to time, in accordance with this Agreement; and
   (iii) the Access Holder may nominate more than one Operator.
(b) Subject to clause 4.6(a), the Access Holder may, from time to time, provided that it is not in material breach of any of its obligations under this Agreement, nominate an Operator to utilise all or part of the Access Rights upon giving at least 20 Business Days prior written notice to Aurizon Network. The notice must:
   (i) specify:
      (A) the name, ABN, address and contact details of the Operator;
      (B) the Access Rights which the Access Holder wishes to allocate to the Operator for the Operator to use in providing Train Services for the Access Holder;
      (C) the first day and the last day of the period for which the Access Rights are to be allocated to the Operator; and
   (ii) be accompanied by either:
      (A) two copies of a Train Operations Deed, executed by the Operator, which:
          (1) reflects, in schedule 2 of that Train Operations Deed, the Access Rights which the Access Holder wishes to allocate to the Operator; and
          (2) satisfies the Compliant Nomination Requirements; or
      (B) a statement and evidence identifying the Operator’s existing Train Operations Deed in respect of utilisation of the Access Rights under this Agreement and evidence that:
          (1) the Operator agrees to the relevant nomination; and
          (2) the Compliant Nomination Requirements are satisfied.
(c) Access Rights allocated by the Access Holder to be used by any one or more Operators may not exceed, in aggregate, the Access Holder’s Access Rights under this Agreement.

(d) Despite any other provision in this Agreement and without limiting any of Aurizon Network’s obligations under clauses 4.3(e) and 4.5(b), Aurizon Network must accept, or act on:

(i) any nomination of an Operator by the Access Holder under clause 4.3(b); or

(ii) any variation which increases the allocation of Access Rights (including an increase to the period for which the Access Rights are to be allocated) to an Operator under clause 4.5, except where Aurizon Network (acting reasonably) determines either:

(iii) in respect of a nominated Train Service Type the Access Holder does not hold, or have the benefit of, Supply Chain Rights for those Train Services; or

(iv) the Operator:
   (A) is in material breach of any of its obligations under an existing Train Operations Deed with Aurizon Network (or Access Agreement if the Operator is also a Network Customer); or
   (B) is not Accredited.

(e) Aurizon Network must:

(i) within 10 Business Days of receiving the nomination under clause 4.3(b), notify the Access Holder and the relevant Operator whether it accepts or rejects (providing its reasons) the nomination;

(ii) if it rejects the nomination, facilitate the resolution of any matter the subject of its reasons for the rejection; and

(iii) if it accepts the nomination, promptly do all things reasonably required (including compliance with clause 4.6(a) where applicable and amending the relevant Train Operations Deed to the extent required) to ensure that any delay to Train Services is minimised to the extent practicable including:
   (A) if the notice under clause 4.3(b) is accompanied by two copies of a Train Operations Deed under clause 4.3(b)(ii)(A), execute both copies of the Train Operations Deed and return one copy to the Operator; or
   (B) if the notice under clause 4.3(b) is accompanied by a statement and evidence under clause 4.3(b)(ii)(B), vary the relevant Train Operations Deed to include the right to operate Train Services utilising the Access Rights in respect of which the Operator was nominated, and provide notice of that variation to the Operator.

(f) If Aurizon Network accepts the nomination of an Operator:

(i) the Access Holder must promptly provide a copy of this Agreement to the Operator; and
(ii) Aurizon Network must provide a copy of the IRMP to the Access Holder promptly after it has been agreed between the Parties and the Operator in accordance with the Interface Risk Provisions or determined under the Train Operations Deed.

4.4 Access Interface Deed

(a) If the Access Holder is also a Railway Operator and the Access Rights are to be used for the purposes of a rail haulage agreement between the Access Holder (in its capacity as ‘Operator’) and a Customer (as that term is defined in the Access Undertaking), prior to or on the date it exercises its rights under clause 4.3(b), the Access Holder must procure the Customer executes and delivers the Access Interface Deed to Aurizon Network on or before the Commitment Date.

(b) As soon as practicable after receiving the Access Interface Deed duly executed by the Customer, Aurizon Network must:

(i) execute the Access Interface Deed;

(ii) provide a copy of the fully executed Access Interface Deed to the Customer; and

(iii) notify the Access Holder that the Access Interface Deed has been executed by the Customer and Aurizon Network.

4.5 Changes to Operator nominations

(a) The Access Holder may, from time to time, upon giving at least 2 Business Days prior written notice to Aurizon Network and each affected Operator:

(i) vary any nomination previously given by the Access Holder under this Agreement so as to vary either or both of the following:

(A) the Access Rights which the Access Holder has allocated to an Operator; or

(B) the period for which the Access Rights are to be allocated to an Operator (provided that the period does not extend beyond the Train Service Expiry Date for the relevant Train Service Type); or

(ii) withdraw any nomination previously given by the Access Holder under clause 4.3(b) or this clause 4.5(a); and

(iii) if the variation or withdrawal of a nomination results from the operation of clause 10.2(d) or 10.3(c)(iv)(A)(2) under a Train Operations Deed, the Access Holder may nominate, in accordance with clause 4.3, an alternative Operator to utilise the “Category 1 Reduced Operational Rights” (as defined in the Train Operations Deed) and/or the “Category 2 Reduced Operational Rights” (as defined in the Train Operations Deed) (as applicable).

(b) Aurizon Network must notify the Access Holder and the Operator if it accepts or rejects (providing its reasons) in accordance with clauses 4.3(d)(ii) to 4.3(d)(iv)(B) the variation within the lesser of 10 Business Days or the period remaining prior to the relevant Intermediate Train Plan being finalised.
(c) Where an Operator receives an increased allocation of Access Rights following a varied nomination in accordance with this clause 4.5, and the date on which that variation commences is during the period covered by the then current Intermediate Train Plan, then Aurizon Network will schedule any additional Train Services ordered by the Operator to the extent permitted in accordance with the Network Management Principles.

(d) If Aurizon Network rejects the nomination, it must facilitate the resolution of any matter the subject of its reasons for the rejection.

(e) If Aurizon Network accepts the nomination, it must promptly do all things reasonably required to ensure that any delay to Train Services is minimised to the extent practicable including vary the relevant Train Operations Deed to include the right to operate Train Services utilising the Access Rights (or the “Category 1 Reduced Operational Rights” (as defined in the Train Operations Deed) and/or the “Category 2 Operational Rights” (as defined in the Train Operations Deed), as applicable) in respect of which the Operator was nominated.

4.6 Nominations with different Train Descriptions

(a) If at any time:

(i) the Access Holder intends to:

(A) nominate an Operator to utilise all or part of the Access Rights; or

(B) vary a nomination previously given by the Access Holder; and

the Train Services of the relevant Operator will have a Train Description different from that contemplated in Schedule 2; or

(ii) the Access Holder otherwise wishes to vary the Train Services from the Train Description nominated in Schedule 2, then:

(iii) prior to nominating the Operator or varying the nomination, Aurizon Network and the Access Holder must negotiate and endeavour to agree any amendments to this Agreement (including any amendments to the Access Rights and, subject to clause 4.6(b), the Access Charge Rates) that may be necessary to reflect the Train Description of the Train Services to be operated by the relevant Operator for that part of the Access Rights to be allocated to that Operator; and

(iv) no amendment to the Access Rights that results in the Access Holder being granted increased rights to access the Nominated Network has any effect unless and until the Access Holder and Aurizon Network have complied with Aurizon Network’s Access Undertaking (as amended by any Change in Access Undertaking) (including with respect to the allocation of those increased Access Rights).

(b) Any variation to the Access Charge Rates under clause 4.6(a)(i):

(i) must be in accordance with the pricing principles set out in Part 6 of the Access Undertaking, in particular clause 6.2; and

(ii) must be reasonably justified (including calculations) by Aurizon
4.7 Reduction of rights resulting in an Over-Allocation

If at any time:

(a) either:

(i) the Access Rights of the Access Holder are reduced, relinquished or transferred under this Agreement; or

(ii) the Nominated Monthly Train Services in respect of a Train Service Type are reduced or varied under this Agreement; and

(b) as a result of such reduction, relinquishment or transfer of Access Rights or reduction or variation of Nominated Monthly Train Services in respect of a Train Service Type, the Access Rights allocated by the Access Holder to any one or more Operators under clause 4.3 or 4.4 for a Train Service Type exceed, in aggregate, the Access Holder’s Access Rights under this Agreement for that Train Service Type following the reduction, relinquishment or transfer (such excess being the Over-Allocation),

then, unless the Access Holder varies the nominations in accordance with clause 4.5(a) within 2 Business Days of such reduction, relinquishment, transfer or variation to eliminate the Over-Allocation, the Access Holder will be deemed to have varied the nominations in accordance with clause 4.5(a) as follows:

(c) if the Access Holder has nominated only one Operator for that Train Service Type, reducing the Access Rights for that Train Service Type which the Access Holder has allocated to the Operator under its Train Operations Deed by the Over-Allocation; or

(d) if the Access Holder has nominated multiple Operators in respect of an affected Train Service Type, reducing the Access Rights for that Train Service Type which the Access Holder has allocated to each Operator under this Agreement and each Operator’s respective Train Operations Deed by a share of the Over-Allocation that is as closely as possible proportionate to the Train Services allocated to the Operator for the affected Train Service Type as a share of the total Train Services allocated to all Operators for that Train Service Type,

and such reduction will take effect on the date the reduction, variation, relinquishment or transfer takes effect, with Aurizon Network providing written notice of the reduction to each affected Operator as soon as practicable.

4.8 Operation of Ad Hoc Train Service

(a) If:

(i) the Access Holder (or its Operator) notifies Aurizon Network that it wishes to have an Operator (which the Access Holder must identify when notifying Aurizon Network) operate an Ad Hoc Train Service (which the Access Holder (or its Operator) must identify having reference to the definition of Ad Hoc Train Service) for a Train Service Type; and

(ii) the relevant Operator has notified Aurizon Network that is able and willing to operate that Ad Hoc Train Service for a Train Service Type under its Train Operations Deed to the extent the Access Holder
provided the notice under clause 4.8(a)(i),
then, to the extent permitted by the Network Management Principles, Aurizon Network:

(iii) must if required in accordance with clause 5.4(c) of Schedule G of the Access Undertaking; or

(iv) otherwise must use reasonable endeavours to,

schedule the Ad Hoc Train Service for the Train Service Type in the Daily Train Plan.

(b) On and from the time that the Ad Hoc Train Service is scheduled in the Daily Train Plan, the terms and conditions of this Agreement apply to the Ad Hoc Train Service as if the Ad Hoc Train Service is a Train Service for the Train Service Type the relevant Operator is entitled to operate utilising the Access Rights for that Train Service Type.

(c) Despite clause 4.8(b), if an Ad Hoc Train Service is of a type described in paragraph (b) of the definition of Ad Hoc Train Service and has a different Origin and Destination for that Train Service Type, then such Ad Hoc Train Service will not be taken into account for the purposes of the TOP Charge.

4.9 Supply Chain Rights

(a) The Access Holder must demonstrate to the satisfaction of Aurizon Network (acting reasonably) that the Access Holder holds, or has the benefit of, or is reasonably likely to hold, or have the benefit of, Supply Chain Rights for the commencement of the operation of the first Train Service for each Train Service Type.

(b) The Access Holder may not nominate an Operator under this Agreement in respect of a Train Service Type for which the Access Holder does not hold, or have the benefit of, Supply Chain Rights for those Train Services.

(c) The Access Holder must, for each Train Service Type, use all reasonable endeavours to continue to hold, or have the benefit of, those Supply Chain Rights until at least the Train Service Expiry Date for the Train Service Type, provided that if the term of any Supply Chain Rights expires or terminates prior to the Train Service Expiry Date for that Train Service Type, the Access Holder must use reasonable endeavours to secure equivalent Supply Chain Rights for the period until the Train Service Expiry Date for that Train Service Type.

(d) If, prior to the commencement of the operation of the Train Services for each Train Service Type, Aurizon Network:

(i) acting reasonably, considers the Access Holder’s circumstances have changed; and

(ii) notifies the Access Holder that it requires details of the changed circumstances,

the Access Holder must, within 10 Business Days after its notice, provide Aurizon Network reasonable details of:

(iii) the Supply Chain Rights for the Train Services for a Train Service Type that the Access Holder holds, or has the benefit of at the time; and
(iv) if applicable, the steps which the Access Holder has taken, or intends to take to secure any additional, renewed, extended or replacement Supply Chain Rights for the Train Services for the Train Service Type and the status of any such steps.

5 Billing and payments

5.1 Charges

(a) The Access Holder must pay to Aurizon Network the Access Charges and any other charges (if any) as calculated in accordance with this Agreement.

(b) Where a Train Service is taken to be cancelled under a Train Operations Deed, despite the Train Service being cancelled and not operated, the Train Service will be taken to be one of the Nominated Monthly Train Services for the Train Service Type for the Month in which the Train Service was originally scheduled in the Daily Train Plan provided that:

(i) the reason for the cancellation is not (or is deemed under the relevant Train Operations Deed to not be) an Aurizon Network Cause; and

(ii) the relevant Operator notified Aurizon Network that it decided not to, or was unable to, operate that Train Service less than 48 hours (or failed to give any notification) before the time for commencement of the operation of that Train Service as originally scheduled in the Daily Train Plan.

5.2 Invoicing

(a) As soon as reasonably practicable after the end of each Billing Period, Aurizon Network must give to the Access Holder an invoice for:

(i) the Access Charges for that Billing Period; plus

(ii) any amounts payable but unpaid by the Access Holder to Aurizon Network under this Agreement, and which have not previously been invoiced, as at the end of the Billing Period.

(b) If clause 5.6 applies, Aurizon Network must give the Access Holder an invoice under clause 5.2(a) after the end of a Billing Period even if no amount is required to be invoiced under clause 5.2(a) for that Billing Period.

(c) If this Agreement terminates or expires on a date other than 30 June then, as soon as reasonably practicable after the first 30 June to occur after the termination or expiry of this Agreement, Aurizon Network must give to the Access Holder an invoice for the TOP Charge (if any) for the Year during which this Agreement terminated or expired.

(d) Each invoice given under this clause 5.2 must be accompanied by reasonable details of Aurizon Network’s calculation of the amounts claimed in the invoice including a breakdown of the Access Charges and itemised description of any other amounts (for the amounts deducted under clause 5.6, particulars must include the amounts against which the deduction is applied).

5.3 Payment

(a) Subject to clause 5.4, the Access Holder must:
(i) pay to Aurizon Network the amount claimed in an invoice given under clause 5.2 within 10 Business Days after the invoice is given to the Access Holder; and

(ii) pay all amounts payable to Aurizon Network under this Agreement:

(A) in Australian currency; and

(B) by:

(1) direct deposit into one or more bank accounts notified by Aurizon Network to the Access Holder in the invoice for this purpose (whether or not those bank accounts are in the name of Aurizon Network); or

(2) such other payment method as Aurizon Network specifies in the invoice (acting reasonably).

(b) Any payment by the Access Holder of an amount payable under this Agreement in accordance with this clause 5.3 is taken to be a payment of such amount to Aurizon Network for the purpose of this Agreement (whether or not such amount is paid into a bank account in the name of Aurizon Network).

5.4 Disputes

(a) Any Disputes in connection with an amount claimed in an invoice:

(i) must be resolved in accordance with clause 24.28; and

(ii) which is not resolved in accordance with clause 24.28.2, may be referred by either Party to an Expert for determination in accordance with clause 24.28.3.

(b) Despite clause 5.4(a), if an amount claimed in an invoice given by Aurizon Network under clause 5.2 is Disputed, then unless the total amount of the invoice is nil due to the operation of clause 5.6, the Access Holder must pay to Aurizon Network:

(i) the portion of the amount claimed in the invoice that is not in Dispute; and

(ii) 50% of the portion of the amount claimed in the invoice that is in Dispute,

within the time specified in clause 5.3(a)(i).

(c) Upon resolution of any Dispute about an amount claimed in an invoice given by Aurizon Network, if the total amount which Aurizon Network was entitled to claim in the invoice (as resolved) is:

(i) more than the amount paid by the Access Holder, then the amount of the difference, together with interest on that amount calculated in accordance with clause 5.5 (from the date when the amount in Dispute would have been due and payable under clause 5.3(a)(i) but for clause 5.4(b), until the date on which the difference, together with any interest, has been paid in full), must be paid by the Access Holder to Aurizon Network within 20 Business Days after the resolution of the Dispute; or
less than the amount paid by the Access Holder, then the amount of the difference, together with interest on that amount calculated in accordance with clause 5.5 (from the date when the amount in Dispute was paid by the Access Holder until the date on which the credit is applied or the amount is paid (as applicable) under this clause 5.4(c)(ii)), must be:

(A) applied by Aurizon Network as credit in favour of the Access Holder against the amount claimed in the next invoice to be issued by Aurizon Network to the Access Holder under clause 5.2 after the resolution of the Dispute (and, if necessary, to subsequent invoices issued by Aurizon Network under clause 5.2 until the amount of the difference (including any interest) has been fully credited in favour of the Access Holder against amounts payable under invoices issued by Aurizon Network to the Access Holder under clause 5.2); or

(B) if there will be no further invoices issued by Aurizon Network to the Access Holder under clause 5.2 after the resolution of the Dispute or the last credit referred to in clause 5.4(c)(ii)(A), paid by Aurizon Network to the Access Holder within 20 Business Days after resolution of the Dispute or the last credit referred to in clause 5.4(c)(ii)(A) (as applicable).

5.5 Interest on overdue payments and Disputed amounts

(a) Without prejudice to the rights, powers and remedies of a Party under this Agreement or otherwise at Law, if for any reason a Party does not pay an amount payable under or in connection with this Agreement on or before the due date for payment, then that Party must pay interest on the outstanding amount calculated in accordance with this clause 5.5.

(b) Interest accrues on outstanding amounts from the due date for payment until that amount, together with the interest on that amount, has been paid in full.

(c) Interest under clauses 5.4(c)(i), 5.4(c)(ii) and 5.5(b) is calculated at the Default Rate. Any interest accrued but unpaid at the end of each Month is capitalised and, once capitalised, will itself bear interest.

5.6 Right of set-off

A Party may deduct from any amounts which are due and payable by the Party to the other Party under this Agreement any amounts which are due and payable by the other Party to the Party under this Agreement.

5.7 Consequences of failure to comply with Performance Levels

(a) If an Operator nominated by the Access Holder under this Agreement does not comply with the Performance Levels imposed on it under a Train Operations Deed, then, subject to clause 5.4, the Access Holder must pay to Aurizon Network the amount (if any) determined in accordance with the relevant Train Operations Deed as a result of that failure, as part of the invoice issued by Aurizon Network for Access Charges and other charges for the Billing Period immediately following Aurizon Network becoming entitled to that amount provided that, if there is no next Billing Period, the
Access Holder must pay such amount to Aurizon Network within 10 Business Days after receipt of an invoice from Aurizon Network.

(b) If Aurizon Network does not comply with the Performance Levels imposed on it under a Train Operations Deed, then Aurizon Network will credit to the Access Holder the amount (if any) determined in accordance with the relevant Train Operations Deed as a result of that failure by way of a deduction from the invoice issued by Aurizon Network for Access Charges and other charges for the Billing Period immediately following the Access Holder becoming entitled to that amount in accordance with clause 5.7(c).

(c) If the total amount which Aurizon Network must credit to the Access Holder under clause 5.7(b) is more than the amount under the invoice issued by Aurizon Network for Access Charges and other charges (after application of any other set-off or other credit owed to the Access Holder) for the Billing Period immediately following the Access Holder becoming entitled to that amount, then:

(i) the amount of the difference must be applied by Aurizon Network as credit in favour of the Access Holder against the amount claimed in the next invoice to be issued by Aurizon Network under clause 5.2 and to subsequent invoices issued by Aurizon Network under clause 5.2 until the amount of the difference has been fully credited in favour of the Access Holder against amounts payable under invoices issued by Aurizon Network under clause 5.2; or

(ii) if there is no next Billing Period, then Aurizon Network must pay such amount to the Access Holder within 10 Business Days after receipt of an invoice from the Access Holder.

6 Security

6.1 Requirement to provide Security after Commencement Date

(a) This clause 6.1 only applies if item 3 of Schedule 1 states that it applies.

(b) On or before the date 10 Business Days prior to the Commitment Date, the Access Holder must deliver Security to Aurizon Network which satisfies the requirements of this clause 6 for an amount of not less than the Security Amount.

6.2 Requirement to provide Security on certain events occurring

(a) If at any time during the Term when the Access Holder is not required to provide Security to Aurizon Network under this clause 6:

(i) the Access Holder does not pay any amount (together with any interest) payable under this Agreement and which is not the subject of a Dispute by the due date for payment or, where there is no due date for payment, within five Business Days after Aurizon Network gives written notice to the Access Holder requiring payment; or

(ii) Aurizon Network considers (acting reasonably) that the Access Holder may:

(A) no longer be financially sound;

(B) no longer be able to meet its debts as and when they fall due;
or

(C) not otherwise be capable of performing its obligations under this Agreement,

then the Access Holder must, within 10 Business Days after being required to do so by Aurizon Network, deliver Security to Aurizon Network which satisfies the requirements of this clause 6 for an amount of not less than the Security Amount.

(b) In considering whether to require the Access Holder to provide Security under clause 6.2(a)(ii), Aurizon Network may take into consideration:

(i) expected future payment obligations under this Agreement and the financial performance of the Access Holder; and

(ii) the Access Holder ceasing to have an Acceptable Credit Rating.

6.3 Requirement to provide Security for the Security Amount

(a) If the Access Holder is required to provide Security under this clause 6, the Security must be provided and maintained for an amount of not less than the Security Amount.

(b) If at any time during the Term:

(i) the Access Holder is required to provide Security under this clause 6; and

(ii) the Security provided by the Access Holder to Aurizon Network under this clause 6 is for an amount which is less than the Security Amount (including due to Aurizon Network having recourse to the Security under clause 6.6),

then the Access Holder must promptly (and in any event within 10 Business Days after being required to do so by Aurizon Network) deliver to Aurizon Network:

(iii) additional Security; or

(iv) replacement Security,

which satisfies the requirements of this clause 6 so that Security is provided and maintained for an aggregate amount of not less than the Security Amount.

6.4 Requirement to provide Security for additional Train Service Type

Without limiting clause 6.3, if:

(a) at any time during the Term:

(i) Schedule 2 is varied to include an additional Train Service Type; or

(ii) the Train Description for an existing Train Service Type is varied;

(b) at the time of the variation referred to in clause 6.4(a) the Access Holder is required to provide Security under this clause 6; and

(c) at the time of the variation referred to in clause 6.4(a) the Security provided by the Access Holder to Aurizon Network under this clause 6 is for an amount which is less than the amount which will be the Security Amount on and from, as applicable:
(i) the Train Service Commitment Date for that additional Train Service Type; or

(ii) the date the variation to the Train Description for that existing Train Service Type takes effect,

having regard to the additional Access Charges payable, in the future, for that Train Service Type, then the Access Holder must promptly (and in any event within 10 Business Days before the applicable date specified in clause 6.4(c)(i) or 6.4(c)(ii)) deliver to Aurizon Network:

(iii) additional Security; or

(iv) replacement Security,

which satisfies the requirements of this clause so that Security is provided and maintained for an aggregate amount of not less than the amount which will be the Security Amount on and from the applicable date specified in clause 6.4(c)(i) or 6.4(c)(ii) (having regard to the additional Access Charges payable, in the future, for that Train Service Type).

6.5 Replacement of Security

(a) The Access Holder may, with Aurizon Network’s consent, replace any Security provided by the Access Holder under this clause with replacement Security which satisfies the requirements of this clause.

(b) If the Security provided by an Access Holder under this clause is a bank guarantee that has an expiry date, then:

(i) the Access Holder must, at least 20 Business Days prior to the expiry of the bank guarantee, deliver to Aurizon Network replacement Security which satisfies the requirements of this clause; and

(ii) if the Access Holder does not deliver to Aurizon Network replacement Security in accordance with clause 6.5(b)(i):

(A) Aurizon Network may, in its absolute discretion, draw on the existing bank guarantee;

(B) any such amount drawn by Aurizon Network (Cash Deposit) will be treated as a deposit of cash delivered by or on behalf of the Access Holder as Security under this Agreement in place of the relevant bank guarantee;

(C) this clause will apply (with any necessary changes) in respect of the Cash Deposit; and

(D) if requested by the Access Holder at any time, Aurizon Network must return the Cash Deposit to the Access Holder in exchange for the Access Holder delivering to Aurizon Network replacement Security which satisfies the requirements of this clause.

6.6 Recourse to Security

Aurizon Network may have recourse to the Security in respect of any amount which the Access Holder fails to pay under or in connection with this Agreement:

(a) if the Access Holder fails to pay the amount by the due date for payment under this Agreement, Aurizon Network notifies the Access Holder of the
payment default and the Access Holder fails to remedy the payment default within 10 Business Days after the date the notice is given, following the expiry of such period;

(b) if the amount is not payable by a specified date and the Access Holder fails to make payment within 10 Business Days after Aurizon Network has requested payment of such amount, following the expiry of such period; or

(c) if the amount is the subject of a Dispute, in accordance with clause 5.4(c)(i).

6.7 Review of requirement to provide Security

If at any time during the Term, the Access Holder:

(a) is required to provide Security under this clause 6; and

(b) considers that its financial circumstances have changed such that it should no longer be required to provide Security,

then the Access Holder may request (provided that the Access Holder must not request more than once in any Year) that Aurizon Network review the creditworthiness of the Access Holder and Aurizon Network will undertake such a review when requested.

6.8 Return of Security

Aurizon Network must return to the Access Holder (and, where appropriate, give the Access Holder any necessary releases in relation to) any Security provided by the Access Holder under this clause 6:

(a) subject to Aurizon Network’s rights of recourse to the Security under clause 6.6, promptly and in any event within 10 Business Days after the date of termination or expiry of this Agreement;

(b) on the Access Holder delivering to Aurizon Network any replacement Security under clause 6.3(b)(iv), 6.4(c)(iv) or 6.5 which satisfies the requirements of this clause 6; or

(c) if, after a review pursuant to clause 6.7, Aurizon Network considers, acting reasonably, that it is no longer necessary for the Access Holder to provide Aurizon Network with Security under this clause 6.

7 Accreditation

(a) Aurizon Network must have and maintain Accreditation to the extent required to perform its obligations and exercise its rights under this Agreement and, if requested to do so in writing by the Access Holder, provide to the Access Holder copies of documentation evidencing currency, renewal or amendment of its Accreditation within five Business Days of such request.

(b) Aurizon Network must notify the Access Holder as soon as possible of any notice from an Authority affecting, or likely to affect, its Accreditation, and must provide a copy of that notice to the Access Holder on request.
8 Resumption of Access Rights

(a) Unless otherwise specified in this Agreement, Aurizon Network may resume some or all of the Access Rights in accordance with the Resumption Provisions which form part of this Agreement under clause 3.

(b) Within the later of two Business Days after:

(i) a Resumption Notice is given to the Access Holder; and

(ii) the resolution of the Dispute if:

(A) there is a Dispute in connection with a decision by Aurizon Network to resume the Access Holder’s Access Rights; and

(B) the outcome of the Dispute is that the Access Rights may be resumed,

the Access Holder may give notice to Aurizon Network and each affected Operator in accordance with clause 4.5(a) to vary the Access Rights which the Access Holder has allocated to an Operator to take into account any resumption of Access Rights determined or agreed under the Resumption Provisions which form part of this Agreement under clause 3 or as determined under the relevant dispute resolution process.

(c) Except to the extent that the Access Holder has given a notice as contemplated in clause 8(b), the resumption of Access Rights for each Train Service Type:

(i) firstly, are deemed to reduce the Access Rights for that Train Service Type for which the Access Holder has not nominated an Operator; and

(ii) if, after the operation of clause 8(c)(i), there is an Over-Allocation for the relevant Train Service Type, clause 4.7 applies in respect of that Over-Allocation.

9 Reduction of Conditional Access Rights due to Capacity Shortfall

9.1 Application

(a) This clause 9 only applies in respect of a Train Service Type if the Train Description for that Train Service Type specifies that this clause 9 applies in respect of that Train Service Type.

(b) If this clause 9 applies in respect of a Train Service Type, this clause 9 only applies to the extent that it:

(i) is not inconsistent with the Access Undertaking (as amended by any Change in Access Undertaking); and

(ii) does not oblige Aurizon Network to do or not do anything that would cause Aurizon Network to breach the Access Undertaking (as amended by any Change in Access Undertaking).

9.2 Conditional Access Rights

If this clause 9 applies in respect of a Train Service Type:
(a) the Access Rights for that Train Service Type under this Agreement (Conditional Access Rights) are conditional upon the completion and commissioning of the Expansion specified in the Train Description for that Train Service Type;

(b) despite the Train Service Commitment Date specified in the Train Description for the Conditional Access Rights, the Train Service Commitment Date for the Conditional Access Rights will be taken to be the later of:

(i) the Train Service Commitment Date for the Conditional Access Rights specified in the Train Description for the Conditional Access Rights; and

(ii) the date upon which all Segments of the Expansion are completed and commissioned.

9.3 Effect on Operator nominations

(a) Within the later of:

(i) two Business Days after the Capacity Assessment Notice is given to the Access Holder in accordance with the Conditional Access Provisions which form part of this Agreement under clause 3; and

(ii) if the Access Holder disputes the Capacity Assessment Notice, two Business Days after the resolution of the Dispute, the Access Holder may notify Aurizon Network and each affected Operator in accordance with clause 4.5(a) to vary the Access Rights which the Access Holder has allocated to an Operator to take into account the variation to the Conditional Access Rights under the Conditional Access Provisions which form part of this Agreement under clause 3.

(b) Except to the extent that the Access Holder has given a notice as contemplated in clause 9.3(a) in respect of the variation to the Conditional Access Rights under the Conditional Access Provisions which form part of this Agreement under clause 3 for each affected Train Service Type, the variation to the Conditional Access Rights for each affected Train Service Type:

(i) are deemed to reduce the Access Rights for that Train Service Type for which the Access Holder has not nominated an Operator; and

(ii) if, after the operation of clause 9.3(b)(i), there remains an Over-Allocation for the relevant Train Service Type, clause 4.7 applies in respect of that Over-Allocation.

9.4 Future capacity developments

If any Conditional Access Rights are varied under this clause 9, the Access Holder acknowledges and agrees that Aurizon Network will only be obliged to develop additional Capacity, and to grant the Access Holder Access Rights in respect of any such additional Capacity, if, and to the extent that, it is obliged to do so under the Access Undertaking (as amended by any Change in Access Undertaking).
10 Access Holder initiated increase to Maximum Payload

10.1 Request for increased Maximum Payload

(a) At any time during the Term, the Access Holder may, with the consent of each relevant Customer of the Access Holder (if any) or the consent of each relevant Operator where the Access Holder is not also the Operator, give Aurizon Network a notice requesting that Aurizon Network consider increasing the Maximum Payload for a Train Service Type (Notice of Enquiry).

(b) A Notice of Enquiry must:

(i) specify the proposed increased Maximum Payload for the relevant Train Service Type (Proposed Maximum Payload);

(ii) specify the date on which the Access Holder proposes that the Proposed Maximum Payload for that Train Service Type takes effect;

(iii) specify whether the Access Holder elects to relinquish or maintain the Surplus Access Rights for the Train Service Type;

(iv) specify the details of the proposed Rollingstock Configuration for the Train Service Type (including the maximum Payload of the proposed Rollingstock Configuration which must not be less than the Proposed Maximum Payload);

(v) be accompanied by an ‘Authorisation Request Notice’ (as defined in the relevant Operator’s Train Operations Deed) in respect of the proposed Rollingstock Configuration from each Operator:

(A) which operates Train Services in respect of that Train Service Type; and

(B) in respect of which it is proposed to increase the Maximum Payload for that Train Service Type; and

(vi) include the written consent of:

(A) each relevant Customer of the Access Holder (if any); or

(B) each relevant Operator where the Access Holder is not also the Operator.

10.2 Response Notice and Variation Request Notice

(a) Aurizon Network will consider (acting reasonably) whether or not the Proposed Maximum Payload for the Train Service Type specified in the Notice of Enquiry can be accommodated (having regard to whether the Access Holder elected in the Notice of Enquiry to relinquish or maintain the Surplus Access Rights for the Train Service Type), which will be taken to be the case if:

(i) the Access Holder demonstrates to the satisfaction of Aurizon Network (acting reasonably) that it holds, or has the benefit of, or is reasonably likely to hold, or have the benefit of, Supply Chain Rights for Train Services operated using the proposed Rollingstock Configuration for the Train Service Type specified in the Notice of Enquiry on and from the Variation Effective Date; and
(ii) Aurizon Network determines (acting reasonably), through a capacity assessment, that the increase to the Proposed Maximum Payload, and the operation of Train Services utilising the proposed Rollingstock Configuration, for the Train Service Type:

(A) will not utilise more Capacity than the Existing Capacity allocated to the Train Service Type under this Agreement; or

(B) will utilise more Capacity than the Existing Capacity allocated to the Train Service Type under this Agreement but there is sufficient Available Capacity to accommodate the additional Capacity that will be utilised; and

(iii) Aurizon Network determines (acting reasonably) that the operation of Train Services utilising the proposed Rollingstock Configuration specified in the Notice of Enquiry or the utilisation of additional Capacity (if clause 10.2(a)(ii)(B) applies) will not be likely to cause Aurizon Network to be unable to comply with its obligations under any other access agreement or train operations deed or with applicable Rollingstock Interface Standards.

(b) Within 20 Business Days after the Access Holder gives Aurizon Network a Notice of Enquiry in respect of a Train Service Type, Aurizon Network must give the Access Holder a notice (Response Notice) specifying:

(i) whether or not the Proposed Maximum Payload for the Train Service Type specified in the Notice of Enquiry can be accommodated in accordance with clause 10.2(a) (including its reasons for that decision); and

(ii) if so:

(A) the Revised Nominal Payload for the Train Service Type (calculated in accordance with clause 13.1);

(B) if the Access Holder elected in the Notice of Enquiry to relinquish the Surplus Access Rights for the Train Service Type:

(1) the Revised Nominated Monthly Train Services for the Train Service Type (calculated in accordance with clause 13.2); and

(2) the SAR Relinquishment Fee for the Surplus Access Rights for the Train Service Type (calculated in accordance with clause 13.5);

(C) the Surplus Access Rights for the Train Service Type (calculated in accordance with clause 13.3);

(D) if the Access Holder elected in the Notice of Enquiry to maintain the Surplus Access Rights for the Train Service Type, the Revised Indicative Tonnage (calculated in accordance with clause 13.4); and

(E) Aurizon Network’s estimate (acting reasonably) of the earliest date on which the increase in the Maximum Payload for the
Train Service Type could take effect.

(c) Within 20 Business Days after Aurizon Network gives the Access Holder a Response Notice that specifies that the Proposed Maximum Payload for a Train Service Type specified in the relevant Notice of Enquiry can be accommodated, the Access Holder may give Aurizon Network a notice (Variation Request Notice) which:

(i) requests that Aurizon Network increase the Maximum Payload for the Train Service Type to the Proposed Maximum Payload specified in the relevant Notice of Enquiry with effect on and from a date specified in the Variation Request Notice (which date must not be earlier, or more than three months later, than the date specified in the relevant Response Notice in accordance with clause 10.2(b)(ii)(E)); and

(ii) sets out the details of any changes to the nominations previously given under clause 4.3 or clause 4.5 to take effect from the Variation Effective Date.

10.3 Dispute

(a) An Access Holder may, within 20 Business Days after Aurizon Network gives the Response Notice to the Access Holder, give Aurizon Network a Dispute Notice which Disputes any of the following in accordance with clause 28:

(i) Aurizon Network’s determination in accordance with clause 10.2(a) whether or not the Proposed Maximum Payload for the Train Service Type specified in the Notice of Enquiry can be accommodated; or

(ii) the Revised Nominal Payload, the Revised Nominated Monthly Train Services (if applicable), the Surplus Access Rights, the Revised Indicative Tonnage (if applicable) or the SAR Relinquishment Fee for the Surplus Access Rights (if applicable), for the Train Service Type specified in the Response Notice.

(b) If a Dispute referred to in clause 10.3(a) is not resolved in accordance with clause 28.2, then the Parties must refer the Dispute to an Expert to determine the Dispute in accordance with clause 28.3.

(c) If the Access Holder does not give Aurizon Network a Dispute Notice within the time referred to in clause 10.3(a), then:

(i) the Access Holder must not give Aurizon Network a Dispute Notice Disputing the matters referred to in clause 10.3(a);

(ii) any such Dispute Notice which is given by the Access Holder will be taken to be of no effect; and

(iii) the Access Holder will not have, and must not make, any Claim against Aurizon Network in respect of that Dispute.

10.4 Consequences of a Variation Request Notice

(a) The effective date of a Variation Request Notice is the latest of:

(i) the date specified in the Variation Request Notice in accordance with clause 10.2(c)(i):
(ii) the date the proposed Rollingstock Configuration for the Train Service Type specified in the 'Authorisation Request Notice' (as defined in the relevant Operator’s Train Operations Deed) becomes an 'Authorised Rollingstock Configuration' (as defined in the relevant Operator’s Train Operations Deed) for the Train Service Type; and

(iii) if the Access Holder elected in the relevant Notice of Enquiry to relinquish the Surplus Access Rights for the Train Service Type, the date the Access Holder pays Aurizon Network the SAR Relinquishment Fee for the Surplus Access Rights for the Train Service Type.

(Variation Effective Date).

(b) If the Access Holder gives Aurizon Network a Variation Request Notice in respect of a Train Service Type and the Access Holder elected in the relevant Notice of Enquiry to relinquish the Surplus Access Rights for the Train Service Type, then with effect on the Variation Effective Date:

(i) the Maximum Payload for the Train Service Type will be taken to be varied to be the Proposed Maximum Payload for the Train Service Type (as specified in the relevant Notice of Enquiry);

(ii) the Nominal Payload for the Train Service Type will be taken to be varied to be the Revised Nominal Payload for the Train Service Type (as specified in the relevant Response Notice or, if clause 10.3(a) applies, as agreed or determined through the Dispute resolution process under clause 28);

(iii) the Nominated Monthly Train Services for the Train Service Type will be taken to be varied to be the Revised Nominated Monthly Train Services for the Train Service Type (as specified in the relevant Response Notice or, if clause 10.3(a) applies, as agreed or determined through the Dispute resolution process under clause 28);

(iii) the Indicative Tonnage for the Train Service Type will be taken to be the Revised Indicative Tonnage for the Train Service Type (as specified in the relevant Response Notice or, if clause 10.3(a) applies, as agreed or determined through the Dispute resolution process under clause 28); 

(iv) the Nominated Monthly Train Services for the Train Service Type will remain unchanged; and 

(v) the Surplus Access Rights for the Train Service Type will continue to form part of the Access Rights.

11 Reduction of Nominated Monthly Train Services if Maximum Payload exceeded

11.1 Notification of reduction of Nominated Monthly Train Services

(a) If, at a point in time (Assessment Date), the Average Annual Payload for a Train Service Type operated by a particular Operator (Defaulting Operator) exceeds the Maximum Payload for that Train Service Type, then Aurizon Network may, within 20 Business Days after the Assessment Date, give the Access Holder and the Defaulting Operator a notice (Reduction Notice) in respect of the Affected Train Service Type; the Defaulting Operator and the relevant Customer (if any) a notice requiring the Access Holder (with the written consent of the Customer) to either:

(i) notify Aurizon Network that it elects to maintain the existing Maximum Payload for the Train Service Type and ensure the Defaulting Operator rectifies its non-compliance with the Maximum Payload for the Train Service Type; or

(ii) give a Notice of Enquiry requesting an increase to the Maximum Payload for the Train Service Type in accordance with clause 10, (Reduction Notice).

(b) The Reduction Notice must:

- specify (A) the Average Annual Payload for the Affected Train Service Type as at the Assessment Date;
- (B) the Revised Nominal Payload for the Affected Train Service Type;
- (C) the Revised Maximum Payload for the Affected Train Service Type; and
- (D) the Revised Nominated Monthly Train Services for the Affected Train Service Type, including reasonable details of the calculation of those amounts; and

(c) Subject to clause 11.1(d), if:
an Access Holder fails to provide a notice under clause 11.1(a)(i) or clause 11.1(a)(ii) within 20 Business Days after receiving a Reduction Notice under clause 11.1(a) (or, if the Access Holder has Disputed that Reduction Notice in accordance with clause 11.3, within 20 Business Days after the date of the resolution of that Dispute); or

(ii) notify the Access Holder and the Defaulting Operator that, with effect on the date specified in the Reduction Notice (which date must not be less than three months after the date the Reduction Notice is given to the Access Holder and the Defaulting Operator): an Access Holder fails to provide a Variation Request Notice under clause 10.2(c) within the time required by that clause where:

(A) the Nominal Payload for the Affected Train Service Type will be taken to be varied to be the Revised Nominal Payload for that Affected Train Service Type (as specified in the Reduction Notice); the Access Holder previously gave a Notice of Enquiry in accordance with clause 11.1(a)(ii); and

(B) Aurizon Network gave a Response Notice that specifies that the Proposed Maximum Payload for the Affected Train Service Type specified in that Notice of Enquiry can be accommodated. Aurizon Network may give the Access Holder, the Defaulting Operator and the relevant Customer (if any) notice that, with effect on the date that is three months after the date of that notice:

(iii) the Maximum Payload for the Affected Train Service Type will be taken to be varied to:

(A) if clause 11.1(c)(i) applies:

(1) the amount which is the maximum Payload of the Train Services operated by the Defaulting Operator of the Relevant Rollingstock Configuration for the Affected Train Service Type (rounded to the nearest whole tonne) which was the Relevant Rollingstock Configuration for the Affected Train Service Type which was most used in the operation of Train Services for the Affected Train Service Type by the Defaulting Operator during the 12 month period ending on the Assessment Date; or

(2) if disputed by the Access Holder under clause 11.3, the amount agreed or determined through the Dispute resolution process under clause 28;

(B) the Maximum Payload for the Affected Train Services Type will be taken to be varied to be the Revised Maximum Payload for that Affected Train Service Type (as specified in the Reduction Notice); and if clause 11.1(c)(ii) applies, the Proposed Maximum Payload specified in the Notice of Enquiry;

(C) the Nominated Monthly Train Services for the Affected Train Service Type will be taken to be varied to be the Revised Nominated Monthly Train Services for that Affected Train
Service Type (as specified in the Reduction Notice).

(iv) the Nominal Payload for the Affected Train Service Type will be taken to be varied to the Revised Nominal Payload for the Train Service Type (calculated in accordance with clause 13.1 or if disputed by the Access Holder under clause 11.3, the amount agreed or determined through the Dispute resolution process under clause 28);

(v) the Indicative Tonnage for the Affected Train Service Type will remain unchanged;

(vi) the Nominated Monthly Train Services for the Affected Train Service Type will be taken to be varied to the Revised Nominated Monthly Train Services for the Train Service Type (calculated in accordance with clause 13.3 or if disputed by the Access Holder under clause 11.3, the amount agreed or determined through the Dispute resolution process under clause 28);

(vii) the Surplus Access Rights for the Train Service Type (calculated in accordance with clause 13.4 or if disputed by the Access Holder under clause 11.3, the amount agreed or determined through the Dispute resolution process under clause 28) will be relinquished and cease to form part of the Access Rights; and

(viii) the Access Holder must pay the SAR Relinquishment Fee for the Surplus Access Rights for the Affected Train Service Type (calculated in accordance with clause 13.6 or if disputed by the Access Holder under clause 11.3, the amount agreed or determined through the Dispute resolution process under clause 28).

(d) Clause 11.1(c) does not apply where:

(i) Aurizon Network withdraws a Reduction Notice; or

(ii) a Reduction Notice is Disputed in accordance with clause 11.3 and the resolution of that Dispute determines that the Reduction Notice should not have been given (including if clause 11.3(c) applies).

(e) If the Access Holder gives a Notice of Enquiry for an Affected Train Service Type under this clause 11.1, Aurizon Network may give a Response Notice that specifies that the Proposed Maximum Payload for the Affected Train Service Type specified in that Notice of Enquiry can be accommodated even if the Access Holder has not demonstrated the matters specified in clause 10.2(a)(i).

11.2 Determining the Affected Train Service Type

(a) If Aurizon Network gives the Access Holder a Reduction Notice and the relevant Train Service Type (Split Train Service Type) operated by the Defaulting Operator which has exceeded the Maximum Payload is also operated by another Operator (Non-Defaulting Operator):

(i) the Train Service Type operated by the Defaulting Operator (New Train Service Type); and

(ii) the Train Service Type operated by the Non-Defaulting Operator (Original Train Service Type),
are deemed to be two different Train Service Types on the basis that:

(iii) the “Nominated Monthly Train Services (for a 30 day Month)” for the New Train Service Type is deemed to be the “Nominated Monthly Train Services (for a 30 day Month)” allocated to the Defaulting Operator in respect of the Split Train Service Type as at the Assessment Date;

(iv) the “Nominated Monthly Train Services (for a 30 day Month)” for the Original Train Service Type is deemed to be the “Nominated Monthly Train Services (for a 30 day Month)” which was not allocated to the Defaulting Operator in respect of the Split Train Service Type as at the Assessment Date; and

(v) subject to clauses 10.211.2(a)(iii) and 10.211.2(a)(iv), the Train Description for:

(A) the New Train Service Type; and

(B) the Original Train Service Type,

is otherwise the same as for the Split Train Service Type.

(b) The Affected Train Service Type is:

(i) if clause 10.211.2(a) applies, the New Train Service Type operated by the Defaulting Operator; and

(ii) in any other case, the Train Service Type operated by the Defaulting Operator which has exceeded the Maximum Payload.

10.3 Calculation of Revised Maximum Payload

The Revised Maximum Payload for an Affected Train Service Type is the amount which is the maximum Payload of the Train Services operated by the Defaulting Operator of the Relevant Rollingstock Configuration for the Train Service Type (rounded to the nearest whole tonne) which was the Relevant Rollingstock Configuration for the Train Service Type which was most used in the operation of Train Services for the Affected Train Service Type by the Defaulting Operator during the 12 month period ending on the Assessment Date.

10.4 Calculation of Revised Nominal Payload

The Revised Nominal Payload for an Affected Train Service Type is the amount (expressed as tonnes) calculated in accordance with the following formula:

\[
RNP = RMP \times LEF
\]

where:

- \( RNP \) = the Revised Nominal Payload for the Affected Train Service Type
- \( RMP \) = the Revised Maximum Payload for the Affected Train Service Type (rounded to the nearest whole tonne)
- \( LEF \) = Loading Efficiency Factor
10.5 Calculation of Revised Nominated Monthly Train Services

The Revised Nominated Monthly Train Services for an Affected Train Service Type is the number of Train Services calculated in accordance with the following formula:

\[ \text{RNMTS} = 2 \times \text{Loaded Train Services} \]

where:

\[ \text{RNMTS} = \text{the Revised Nominated Monthly Train Services for the Affected Train Service Type} \]

\[ \text{Loaded Train Services} = \frac{\text{IT}}{\text{RNP}} \]

rounded to the nearest whole Train Service on the basis that where the first decimal place is greater than three, the number of Train Services is to be rounded up to the nearest number of whole Train Services and, where the first decimal place is three or less, the number of Train Services is to be rounded down to the nearest number of whole Train Services.

\[ \text{IT} = \text{the Indicative Tonnage for the Train Service Type} \]

\[ \text{RNP} = \text{the Revised Nominal Payload for the Affected Train Service Type} \]

11.3 10.6 Dispute

(a) If Aurizon Network gives the Access Holder a Reduction Notice in respect of an Affected Train Service Type, the Access Holder may, within 20 Business Days after Aurizon Network gives:

(i) the Reduction Notice to the Access Holder, give Aurizon Network a Dispute Notice which Disputes any of the Reduction Notice following in accordance with clause 27.28:

(A) the Average Annual Payload for the Affected Train Service Type specified in that notice; or

(B) whether the Average Annual Payload for the Affected Train Service Type exceeds the Maximum Payload for the Affected Train Service Type; or

(C) Aurizon Network’s determination of the Affected Train Service Type in accordance with clause 11.2; or

(ii) a notice to the Access Holder under clause 11.1(c), give Aurizon Network a Dispute Notice which Disputes any of the following in accordance with clause 28:

(A) the amount which will be the Proposed Maximum Payload for the Affected Train Service Type in accordance with clause 11.1(c)(iii)(A)(1); or

(B) the Revised Nominal Payload, the Revised Nominated Monthly Train Services, the Surplus Access Rights or the SAR Relinquishment Fee for the Surplus Access Rights, for the Train Service Type specified in the notice.
(b) If a Dispute referred to in clause 10.611.3(a) is not resolved in accordance with clause 27.228.2, then the Parties must refer the Dispute to an Expert to determine: the Dispute in accordance with clause 28.3,

(i) the Average Annual Payload for the Affected Train Service Type as at the relevant Assessment Date; and

(c) (ii) if the Expert determines that the Average Annual Payload for the Affected Train Service Type as at the relevant Assessment Date exceeds does not exceed the Maximum Payload for the Train Service Type:

(A) the Revised Nominal Payload for the Affected Train Service Type;

(B) the Revised Maximum Payload for the Affected Train Service Type; and

(C) the Revised Nominated Monthly Train Services for the Affected Train Service Type, then Aurizon Network will be taken not to have given the Reduction Notice.

(d) (c) If the Access Holder does not give Aurizon Network a Dispute Notice within the time referred to in clause 10.6(a) within the time referred to in clause 10.611.3(a), then:

(i) the Access Holder must not give Aurizon Network a Dispute Notice Disputing the relevant Reduction Notice or the variation of the Nominal Payload, Maximum Payload or the Nominated Monthly Train Services for the relevant Affected Train Service Type under this matters referred to in clause 11.3(a):

(ii) any such Dispute Notice which is given by the Access Holder will be taken to be of no effect; and

(iii) the Access Holder will not have, and must not make, any Claim against Aurizon Network in respect of that Dispute.

10.7 Variation to Train Description

If Aurizon Network gives the Access Holder and the Defaulting Operator a Reduction Notice in respect of a Train Service Type, then:

(a) the Nominal Payload for the Train Service Type operated by the Defaulting Operator will be taken to be the Revised Nominal Payload for the Train Service Type;

(b) the Maximum Payload for the Train Service Type operated by the Defaulting Operator will be taken to be varied to be the Revised Maximum Payload for the Train Service Type; and

(c) the Nominated Monthly Train Services for the Train Service Type operated by the Defaulting Operator will be taken to be varied to be the Revised Nominated Monthly Train Services for the Train Service Type,

as:

(d) specified in the relevant Reduction Notice; or

(e) if clause 10.6(a) applies, agreed or determined through the Dispute resolution process under clause 27,
with effect on the later of:

(f) the date specified in the relevant Reduction Notice; and

(g) if the Access Holder gives Aurizon Network a Dispute Notice referred to in clause 10.6(a), the date agreed through the Dispute resolution process, or the date the Expert notifies the Parties of his or her determination, under clause 27.

10.8 Variation to Train Operations Deeds

Where there is a variation to a Train Description in accordance with clause 10.7:

(a) the Access Holder will be deemed to have given a notice to Aurizon Network to reduce the number of Nominated Monthly Train Services the Defaulting Operator may operate for that Train Service Type utilising the Access Rights under a Train Operations Deed in accordance with the Reduction Notice; and

(b) Aurizon Network shall provide written notice of that reduction to the Defaulting Operator as soon as practicable and shall:

(i) issue a notice to the Access Holder setting out the changes to the “Nominated Monthly Train Services (for a 30 day Month)” set out in schedule 2 of this Agreement for each of:

(A) the Affected Train Service Type; and

(B) the Original Train Service Type (if applicable); and

(ii) issue a notice to the Defaulting Operator and the Access Holder setting out the changes to the Train Description and the “Nominated Monthly Operational Rights (for a 30 day Month)” in schedule 2 of the Defaulting Operator’s Train Operations Deed.

11.4 10.9 No prejudice to other rights

This Subject to clause 10.9.6, this clause 11 does not prejudice Aurizon Network’s other rights and remedies in respect of any non-compliance by the Access Holder, Defaulting Operator or any other Operator with the Train Description for a Train Service Type.

11 Access Holder initiated increase to Maximum Payload

11.1 Request for increased Maximum Payload

(a) At any time during the Term, the Access Holder may give Aurizon Network a notice requesting that Aurizon Network consider increasing the Maximum Payload for a Train Service Type (Notice of Enquiry).

(b) A Notice of Enquiry must specify:

(i) subject to clause 11.1(c), the proposed increased Maximum Payload for the relevant Train Service Type;

(ii) the date on which the Access Holder proposes that the proposed increased Maximum Payload for that Train Service Type takes effect; and

(iii) if clause 11.2(c) would apply to the giving of a Variation Request.
Notice, details of the proposed Rollingstock Configuration for the Train Service Type (including the maximum Payload of the proposed Rollingstock Configuration).

(c) The proposed increased Maximum Payload for a Train Service Type specified in a Notice of Enquiry must not exceed:

(i) the maximum Payload of the Authorised Rollingstock Configuration for the Train Service Type which has the greatest maximum Payload; or

(ii) if the Maximum Payload for the Train Service Type exceeds the maximum Payload of the Authorised Rollingstock Configuration for the Train Service Type which has the greatest maximum Payload, the maximum Payload of the proposed Rollingstock Configuration for the Train Service Type specified in the Notice of Enquiry.

11.2 Response Notice and Variation Request Notice

(a) Within 20 Business Days after the Access Holder gives Aurizon Network a Notice of Enquiry in respect of a Train Service Type, Aurizon Network must give the Access Holder a notice (Response Notice) specifying:

(i) whether or not the proposed increased Maximum Payload for the Train Service Type specified in the Notice of Enquiry can be accommodated; and

(ii) if so:

(A) the Revised Nominal Payload for that Train Service Type (calculated as the amount (rounded to the nearest whole tonne) which is 98% of the Maximum Payload for the Train Service Type specified in the Notice of Enquiry);

(B) the Revised Nominated Monthly Train Services for that Train Service Type (calculated in accordance with clause 10.5 as if the Revised Nominal Payload for the Train Service Type for the purpose of that calculation is the Revised Nominal Payload calculated in accordance with clause 11.2(a)(ii)(A));

(C) the difference between the Nominated Monthly Train Services for the Train Service Type and the Revised Nominated Monthly Train Services for the Train Service Type (Surplus Access Rights);

(D) the [Relinquishment Fee] that would be payable under the Relinquishment Provisions which form part of this Agreement under clause 3 in respect of the relinquishment of the Surplus Access Rights by the Access Holder; and

Drafting note: Aurizon Network and the QRC are working through a mechanism to avoid socialisation of costs among other system users. In its initial form, this mechanism contemplates that where Train Paths are relinquished under these provisions, the Access Holder will pay a fee equal to the AT2 component of access charges that would have been payable in relation to the Train Paths that have been relinquished. Once the mechanism has been fully worked
(E) through, Aurizon Network will provide drafting in relation to the appropriate fee that will be payable.

(b) Within 20 Business Days after Aurizon Network gives the Access Holder a Response Notice that specifies that the proposed increased Maximum Payload for a Train Service Type specified in the Notice of Enquiry can be accommodated, the Access Holder may give Aurizon Network a notice (Variation Request Notice) which:

(i) requests that Aurizon Network increase the Maximum Payload for the Train Service Type to the proposed increased Maximum Payload specified in the Notice of Enquiry with effect on a date specified in the notice (which date must not be earlier, or more than six months later, than the date specified in the relevant Response Notice in accordance with clause 11.2(a)(ii)(E)); and

(ii) sets out the details of any changes to the nominations previously given under clause 4.3 or 4.5 to take into account the relinquishment of the Surplus Access Rights.

(c) If the proposed increased Maximum Payload for a Train Service Type specified in a Notice of Enquiry exceeds the maximum Payload of the Authorised Rollingstock Configuration for the Train Service Type which has the greatest maximum Payload, then the Access Holder must not give Aurizon Network a Variation Request Notice in respect of the Train Service Type unless, at the same time, each Operator which operates Train Services in respect of that Train Service Type also gives Aurizon Network an Authorisation Request Notice (as defined in that Operator’s Train Operations Deed) in respect of a proposed Rollingstock Configuration which has a maximum Payload which is the same as the proposed increased Maximum Payload.

11.3 Consequences of a Variation Request Notice

(a) If the Access Holder gives Aurizon Network a Variation Request Notice in respect of a Train Service Type, then the Access Holder will be taken, at the same time, to have given Aurizon Network a Notice of Intention to Relinquish under the Relinquishment Provisions which form part of this Agreement under clause 3 in respect of which:

(i) the Nominated Access Rights under those Relinquishment Provisions will be taken to be the Surplus Access Rights for the Train Service Type specified in the relevant Response Notice; and

(ii) the Relinquishment Date under those Relinquishment Provisions will be taken to be the date specified in the Variation Request Notice.

(b) Subject to clause 11.2(c), if the Access Holder gives Aurizon Network a Variation Request Notice in respect of a Train Service Type, then:

(i) the Maximum Payload for the Train Service Type will be taken to be varied to be the proposed increased Maximum Payload for the Train Service Type (as specified in the relevant Notice of Enquiry);

(ii) the Nominal Payload for the Train Service Type will be taken to be
varied to be the Revised Nominal Payload for the Train Service Type (as specified in the relevant Response Notice); and

(iii) the Nominated Monthly Train Services for the Train Service Type will be taken to be varied to be the Revised Nominated Monthly Train Services for the Train Service Type (as specified in the relevant Response Notice),

with effect on the latest of:

(iv) the date specified in the Variation Request Notice;

(v) if clause 11.2(c) applies, the date the proposed Rollingstock Configuration for the Train Service Type specified in the Authorisation Request Notice becomes an Authorised Rollingstock Configuration for the Train Service Type; and

(vi) the date the Access Holder pays Aurizon Network the [Relinquishment Fee] under the Relinquishment Provisions which form part of this Agreement under clause 3 in respect of the relinquishment of the Surplus Access Rights.

[Drafting note: see above drafting note on the calculation of this fee.]

12 Reduction of Nominated Monthly Train Services if Nominal Payload increased [not used]

12.1 Notice of Intention to Increase Nominal Payload

(a) Subject to clause 12.1(b), at any time during the Term, Aurizon Network may give the Access Holder a notice of Aurizon Network’s intention to increase the Nominal Payload for a Train Service Type (Notice of Intention to Increase Nominal Payload).

(b) Aurizon Network must not give a Notice of Intention to Increase Nominal Payload for a Train Service Type unless Aurizon Network has first consulted with all relevant Access Holders and relevant Railway Operators about options for increasing the capacity of the relevant part of the Network on which Train Services for the Train Service Type are operated.

(c) If Aurizon Network gives a Notice of Intention to Increase Nominal Payload to the Access Holder, Aurizon Network must also give a copy of that Notice of Intention to Increase Nominal Payload to each affected Operator (if any).

(d) A Notice of Intention to Increase Nominal Payload must:

(i) specify:

(A) the increased Nominal Payload (Revised Nominal Payload) for the Train Service Type (as determined by Aurizon Network in its discretion); and

(B) the Revised Maximum Payload for the Train Service Type; and

(C) the Revised Nominated Monthly Train Services for the Train Service Type,

including reasonable details of the calculation of those amounts;

(ii) specify the date (Effective Date) on which the variations specified in
the Notice of Intention to Increase Nominal Payload will take effect
(provided that such Effective Date must not be less than 18 months
(or such other period as agreed between the Parties) after the date
on which Aurizon Network gives the Notice of Intention to Increase
Nominal Payload to the Access Holder); and

(iii) notifying the Access Holder that, subject to clause 12.5, with effect
on the Effective Date:

(A) the Nominal Payload for the Train Service Type will be taken to
be varied to be the Revised Nominal Payload for the Train
Service Type (as specified in the Notice of Intention to
Increase Nominal Payload);

(B) the Maximum Payload for the Train Services Type will be taken
to be varied to be the Revised Maximum Payload for that Train
Service Type (as specified in the Notice of Intention to
Increase Nominal Payload); and

(C) the Nominated Monthly Train Services for that Train Service
Type will be taken to be varied to be the Revised Nominated
Monthly Train Services for that Train Service Type (as
specified in the Notice of Intention to Increase Nominal
Payload).

13 Calculations for changes to payload

13.1 12.2 Calculation of Revised Maximum Nominal Payload

The Revised Maximum Nominal Payload for a Train Service Type is the amount
(expressed as tonnes) calculated in accordance with the following formula:

\[
\text{RMP}_{\text{RNP}} = \text{RNPP}_{\text{PMP}} \times \text{CF}_{\text{LEF}}
\]

where:

\[
\text{RMP}_{\text{RNP}} = \text{the Revised Maximum Nominal Payload for the Train Service Type (rounded down to the nearest whole tonne)}
\]

\[
\text{RNPP}_{\text{PMP}} = \text{the Revised Nominal Proposed Maximum Payload for the Train Service Type as specified in the relevant Notice of Intention or, if applicable, the amount determined in accordance with clause 11.1(c)(iii)(A) for the Train Service Type (rounded to the nearest whole tonne)}
\]

\[
\text{CF}_{\text{LEF}} = 1.02 (or such other conversion factor agreed between the Parties Loading Efficiency Factor (as defined in the definition of “Gross Tonnes” in Item 1.1 of schedule 4) for a Train Service for the Train Service Type)
\]

13.2 12.3 Calculation of Revised Nominated Monthly Train Services

The Revised Nominated Monthly Train Services for a Train Service Type is the
number of Train Services calculated in accordance with the following formula:
RNMTS = 2 × Loaded Train Services

where:

RNMTS = the Revised Nominated Monthly Train Services for the Train Service Type

Loaded Train Services = IT/RNP (rounded to the nearest whole Train Service on the basis that where the first decimal place is greater than three, the number of Train Services is to be rounded up to the nearest number of whole Train Services and, where the first decimal place is three or less, the number of Train Services is to be rounded down to the nearest number of whole Train Services)

IT = the Indicative Tonnage for the Train Service Type

RNP = the Revised Nominal Payload for the Train Service Type as specified in the relevant Notice of Intention to Increase Nominal Payload calculation is being undertaken under clause 10.2(b)(ii)(B) or clause 11.1(c)(vi))

12.4 Dispute in relation to variations to Train Description

13.3 Calculation of Surplus Access Rights

The Surplus Access Rights for a Train Service Type is the difference between the Nominated Monthly Train Services for the Train Service Type and the Revised Nominated Monthly Train Services for the Train Service Type.

13.4 Calculation of Revised Indicative Tonnage

The Revised Indicative Tonnage for a Train Service Type is the number of Train Services calculated in accordance with the following formula:

\[
\text{Revised Indicative Tonnage} = \frac{\text{NMTS}}{2} \times \text{RNP}
\]

where:

NMTS = the Nominated Monthly Train Services for the Train Service Type

RNP = the Revised Nominal Payload for the Train Service Type

13.5 Calculation of SAR Relinquishment Fee

The SAR Relinquishment Fee for the Surplus Access Rights for a Train Service Type is the amount equivalent to the present value, calculated at the Discount Rate, of the payment of the aggregate AT2 Component of the TOP Charges for the Surplus Access Rights that would have been payable for the remainder of the Term assuming:

(a) If Aurizon Network gives the Access Holder a Notice of Intention to Increase Nominal Payload in respect of a Train Service Type, the Access Holder may, within 20 Business Days after Aurizon Network gives the Notice of Intention to Increase Nominal Payload to the Access Holder, give
Aurizon Network a Dispute Notice which Disputes: that the Surplus Access Rights were not relinquished; and

(i) the Revised Maximum Payload for the Train Service Type; and/or

(ii) the Revised Nominated Monthly Train Services for the Train Service Type. Surplus Access Rights were not operated for the Access Holder for a reason other than Aurizon Network Cause and TOP Charges are payable for the remainder of the Term.

specified in the Notice of Intention to Increase Nominal Payload in accordance with clause 27.

(b) The Access Holder must not Dispute the Revised Nominal Payload specified in a Notice of Intention to Increase Nominal Payload and any Dispute Notice which is given by the Access Holder in respect of such a Dispute will be taken to be of no effect.

(c) If a Dispute referred to in clause 12.4(a) is not resolved in accordance with clause 27.2, then the Parties must refer the Dispute to an Expert to determine:

(i) the Revised Maximum Payload for the Train Service Type; and

(ii) the Revised Nominated Monthly Train Services for the Train Service Type,

in each case, based on the Revised Nominal Payload specified in the Notice of Intention to Increase Nominal Payload.

(d) If the Access Holder does not give Aurizon Network a Dispute Notice referred to in clause 12.4(a) within the time referred to in clause 12.4(a), then:

(i) the Access Holder must not give Aurizon Network a Dispute Notice Disputing the

(A) the Revised Maximum Payload for the Train Service Type; and/or

(B) the Revised Nominated Monthly Train Services for the Train Service Type,

specified in the Notice of Intention to Increase Nominal Payload;

(ii) any such Dispute Notice which is given by the Access Holder will be taken to be of no effect; and

(iii) the Access Holder will not have, and must not make, any Claim against Aurizon Network in respect of that Dispute.

12.5 Withdrawal of Notice of Intention to Increase Nominal Payload

(a) Aurizon Network may, in its absolute discretion, withdraw a Notice of Intention to Increase Nominal Payload at any time before the date which is 10 months before the Effective Date.

(b) If Aurizon Network withdraws a Notice of Intention to Increase Nominal Payload under clause 12.5(a), the variations to the Nominal Payload, Maximum Payload and Monthly Nominal Train Services for the Train
Service Type set out in the Notice of Intention to Increase Nominal Payload will not take effect.

12.6 **Variation to Train Description**

If Aurizon Network gives the Access Holder a Notice of Intention to Increase Nominal Payload in respect of a Train Service Type, then, unless the Notice of Intention to Increase Nominal Payload is withdrawn under clause 12.5, with effect on the Effective Date:

(a) the Nominal Payload for the Train Service Type will be taken to be varied to be the Revised Nominal Payload for the Train Service Type;

(b) the Maximum Payload for the Train Service Type will be taken to be varied to be the Revised Maximum Payload for the Train Service Type; and

(c) the Nominated Monthly Train Services for the Train Service Type will be taken to be varied to be the Revised Nominated Monthly Train Services for the Train Service Type,

as:

(d) specified in the relevant Notice of Intention to Increase Nominal Payload; or

(e) if clause 12.4(c) applies, agreed or determined through the Dispute resolution process under clause 27.

12.7 **Variation of Train Operations Deeds and Operator nominations**

If Aurizon Network gives the Access Holder a Notice of Intention to Increase Nominal Payload in respect of a Train Service Type, then, unless the Notice of Intention to Increase Nominal Payload is withdrawn under clause 12.5, with effect on the Effective Date the Access Holder will be deemed to have given a notice to Aurizon Network in accordance with clause 4.5(a) varying the Access Rights which the Access Holder has allocated to each Operator under a Train Operations Deed in respect of that Train Service Type:

(a) if the Access Holder has only nominated one Operator, so as to be consistent with the Revised Nominal Payload, Revised Maximum Payload and Revised Nominated Monthly Services for the Train Service Type set out in the relevant Notice of Intention to Increase Nominal Payload; and

(b) if the Access Holder has nominated multiple Operators, so as to ensure that, in aggregate, the train descriptions under those Train Operations Deeds for that Train Service Type are consistent with the Revised Nominated Payroll, Revised Maximum Payload and Revised Nominated Monthly Services for the Train Service Type set out in the relevant Notice of Intention to Increase Nominal Payload (based on a consistent variation of those train descriptions, having regard to the proportion of all Train Services for that Train Service Type allocated to each Operator).

13.6 **No resumption during process to change payload**

Where clause 10, or clause 11 has been triggered by an Access Holder or Aurizon Network, Aurizon Network must not take steps to resume any Access Rights in accordance with clause 8.
14 Relinquishment of Access Rights
The Access Holder may relinquish some or all of the Access Rights in accordance with the Relinquishment Provisions which form part of this Agreement under clause 3.

15 Transfer of Access Rights by Access Holder
The Access Holder may Transfer all or part of the Access Rights to itself or a Third Party in accordance with the Transfer Provisions which form part of this Agreement under clause 3.

16 Reduction Factor
16.1 Determination of the Reduction Factor
If Nominated Access Rights are intended to be relinquished or transferred under the Relinquishment Provisions or the Transfer Provisions which form part of this Agreement under clause 3, the Reduction Factor must be calculated in accordance with the Reduction Factor Provisions which form part of this Agreement under clause 3.

16.2 Replacement Access Agreement
If Aurizon Network identifies an opportunity for it to enter into an Access Agreement with an existing or prospective Network Customer that would result in a lessening of the Relinquishment Fee or Transfer Fee (as applicable) that would otherwise be payable to Aurizon Network under the Relinquishment Provisions or the Transfer Provisions which form part of this Agreement under clause 3 (as applicable), Aurizon Network will not unreasonably delay the process for negotiating and executing an Access Agreement with that existing or prospective Network Customer.

17 Resumptions, reductions, relinquishments and transfers - General
17.1 Termination where no Access Rights remain
(a) Where Access Rights have been resumed, reduced, relinquished or transferred in accordance with this Agreement (including under the Resumption Provisions, the Conditional Access Provisions, the Relinquishment Provisions and the Transfer Provisions which form part of this Agreement under clause 3 and clauses 8, 9, 13-14, 15 and 28.629.6) to the extent that there is no longer any Access Rights remaining the subject of this Agreement, then Aurizon Network may terminate this Agreement by notice to the Access Holder (without prejudice to those provisions which are stated to survive this Agreement).

(b) Any termination under this clause 13.17.1 is without prejudice to any rights of any Party which accrued on or before termination.

17.2 Effect on entitlement to operate and Access Charge Rates
Where Access Rights have been resumed, reduced, relinquished or transferred in accordance with this Agreement (including under the Resumption Provisions, the Conditional Access Provisions, the Relinquishment Provisions and the
Transfer Provisions which form part of this Agreement under clause 3 and clauses 8, 9, 13, 14, and 15 and 28.6.29.6), then for the avoidance of doubt:

(a) the Access Holder’s entitlement to have an Operator operate Train Services is also reduced in accordance with that resumption, reduction, relinquishment or transfer of Access Rights;

(b) the Access Holder’s Nominated Monthly Train Services for each applicable Train Service Type will be taken to be varied to be reduced in accordance with that resumption, reduction, relinquishment or transfer of Access Rights; and

(c) the Access Holder will no longer be obliged to pay Access Charges in respect of the resumed, reduced, relinquished or transferred Access Rights (except for any such Access Charges that accrued prior to the resumption, reduction, relinquishment or transfer, including any TOP Charge payable in respect of the part of the Year prior to the resumption, reduction, relinquishment or transfer).

17.3 16.3 No compensation or liability

(a) Except for any payment specifically provided in this Agreement or liability for any breach by Aurizon Network of this Agreement, Aurizon Network is not liable for any loss or damage, however caused (including in contract, tort (including negligence) or otherwise) suffered or incurred by the Access Holder in connection with any resumption, reduction, relinquishment or transfer of Access Rights in accordance with the Resumption Provisions, the Conditional Access Provisions, the Relinquishment Provisions and the Transfer Provisions which form part of this Agreement under clause 3 and clauses 8, 9, 13, 14, 15, and 28.6.29.6.

(b) The Access Holder releases Aurizon Network from any Claim for loss or damage referred to in clause 13.3 that the Access Holder may otherwise have.

18 17 Consequences of a failure of an Operator to satisfy conditions

18.1 17.1 Reduction of allocation of Access Rights

If:

(a) an Operator (Defaulting Operator) fails to satisfy the conditions for:

(i) the commencement of Train Services under clause 10.2 of its Train Operations Deed; or

(ii) the commencement of Train Services for a Train Service Type under clause 10.3 of its Train Operations Deed; and

(b) Aurizon Network has given a notice to the Access Holder and the Defaulting Operator in accordance with clause 10.2(e) or 10.2(d)(i) or clause 10.3(c)(iv)(A)(1) (as applicable) of the Defaulting Operator’s Train Operations Deed,

then, on such notice being given by Aurizon Network:
(c) the Access Holder is deemed to have withdrawn its allocation of Access Rights to the Defaulting Operator in respect of:

   (i) in the case of a notice under clause 10.2(c)10.2(d)(i) of the Defaulting Operator’s Train Operations Deed, all of the Access Rights for which the Defaulting Operator has been nominated; and

   (ii) in the case of a notice under clause 10.3(c)(iii)10.3(c)(iv)(A)(1) of the Defaulting Operator’s Train Operations Deed, that part of the Access Rights for which the Defaulting Operator has been nominated but in respect of which the Defaulting Operator has failed to satisfy the relevant conditions in clause 10.3 of its Train Operations Deed; and

(d) without limiting the Access Holder’s rights under clauses 4.3 and 4.5, the Access Holder will have the right under clauses 4.3(b) and 4.5 to nominate a new Operator to use, or vary the previous nomination of another Operator to include, the Access Rights which were previously allocated to the Defaulting Operator.

18.2 Reversing changes to Train Descriptions

(a) If:

   (i) a Defaulting Operator fails to satisfy the conditions for the commencement of Train Services for a Train Service Type (relevant Train Service Type) under clause 10.3 of its Train Operations Deed; and

   (ii) Aurizon Network has given a notice to the Access Holder and the Defaulting Operator in accordance with clause 10.3(c)(iv)(B)(1) of the Defaulting Operator’s Train Operations Deed,

the Access Holder may elect to allocate the varied Train Service Type to another Operator (either through a new nomination or variation of an existing nomination).

(b) If the Access Holder fails to notify Aurizon Network of its election within 10 Business Days then the Train Description for the relevant Train Service Type will be taken not to have been varied (even if the relevant variation has taken effect) and the Train Description for the relevant Train Service Type will be taken to be the Train Description for the relevant Train Service Type in force immediately before the variation took effect.

19 Compliance

19.1 General requirements – Parties

To the extent relevant to the performance of its obligations under this Agreement, each Party must observe and comply with:

(a) all applicable Laws;

(b) the lawful requirements of relevant Authorities; and

(c) to the extent applicable to that Party:

   (i) the terms of the Access Undertaking (as amended by any Change in Access Undertaking); and

   (ii) the IRMP (subject to, in the Access Holder’s case, receipt of the
IRMP from Aurizon Network in accordance with clause 4.3(f)(ii)).

19.2 18.2 General Requirements – Aurizon Network
To the extent relevant to the performance of its obligations under this Agreement, Aurizon Network must observe and comply with:
(a) the conditions of its Accreditation;
(b) all licences and permits affecting its operations;
(c) the Network Management Principles; and
(d) any Environmental Authority it holds from time to time.

19.3 18.3 Non-compliance by Operator with Train Description
(a) If:
(i) Train Services for a Train Service Type operated by an Operator (Defaulting Operator) do not comply, in any material respect, with the Train Description for the Train Service Type, except where such non-compliance is attributable to another Railway Operator or Aurizon Network;
(ii) the Defaulting Operator fails to demonstrate to the reasonable satisfaction of Aurizon Network, within 20 Business Days of being requested to do so, that those Train Services operated by the Defaulting Operator will consistently comply with the applicable Train Description for the remainder of the Term; and
(iii) Aurizon Network provided a copy of the request to the Defaulting Operator to the Access Holder on or about the same time as providing it to the Defaulting Operator,

then, without limiting any right Aurizon Network has to suspend or terminate the Train Services for a Train Service Type under a Train Operations Deed, Aurizon Network must promptly:
(iv) notify the Access Holder of any such non-compliance and the failure to demonstrate future consistent compliance with the relevant Train Description (Notice of Defaulting Operator); and
(v) commence consultation with the Access Holder and the Defaulting Operator in respect of the non-compliance.

(b) Without limiting any right Aurizon Network has to suspend or terminate the Train Services for a Train Service Type under the Train Operations Deed, before taking any steps under clause 18.3.19.3(c), Aurizon Network must provide the Access Holder with at least 20 Business Days from the date of the Notice of Defaulting Operator to:
(i) unless the Train Services for a Train Service Type have been terminated under a Train Operations Deed, procure the Defaulting Operator to rectify the non-compliance notified under clause 18.3.19.3(a); or
(ii) nominate an alternative Operator to provide the relevant Train Services in accordance with its rights to do so under this Agreement, and

unless the Train Services for a Train Service Type have been terminated
under a Train Operations Deed, provide the Access Holder prior notice of any action Aurizon Network intends to take under clause 48.3.19.3(c).

(c) If, following the provision of the Notice of Defaulting Operator under clause 19.3(a) and taking of the steps in clause 19.3(b), the Access Holder has not nominated an alternative Operator to provide the relevant Train Services within 20 Business Days from the provision of the Notice of Defaulting Operator or Aurizon Network continues to not be reasonably satisfied that the Defaulting Operator will consistently comply with the Train Description under the Train Operations Deed for the remainder of the term of that Train Operations Deed, Aurizon Network may:

(i) vary the Train Description for the applicable Train Service Type to a level it reasonably expects to be achievable by the Defaulting Operator for the remainder of the Term, having regard to the extent of previous compliance with the applicable Train Description (but not taking into account, for the purpose of assessing previous compliance, any non-compliance to the extent that the non-compliance was attributable to another Railway Operator or to Aurizon Network); and

(ii) reasonably vary this Agreement in accordance with clauses 35.3, 36.3(f), 35.3, 36.3(g) and 35.3, 36.3(h) to reflect the impact of the change in the applicable Train Description.

(d) If Aurizon Network varies the Train Description for a Affected Train Service Type under clause 18.3.19.3(c)(i), it must issue a notice to the Access Holder setting out the changes to the “Nominated Monthly Train Services (for a 30 day Month)” set out in Schedule 2 of this Agreement.

(e) The Access Holder is entitled to dispute any variation proposed by Aurizon Network pursuant to this clause 48.3.19.3 in accordance with the process set out in clause 35.3, 36.3(h).

20 19 Weighbridges and Overload Detectors

20.1 19.1 Verification

(a) If a Weighbridge or Overload Detector is located en route between an Origin and Destination for a Train Service Type, the Party responsible for that Weighbridge or Overload Detector (as specified in item 5 of Schedule 3) must use reasonable endeavours to ensure that such Weighbridge or Overload Detector is operational, calibrated and available to weigh Trains operated over such Weighbridge or Overload Detector.

(b) Aurizon Network may vary at any time the numbers and locations of Weighbridges and Overload Detectors, subject to providing reasonable notice to the Access Holder.

(c) If a party to the Train Operations Deed gives a notice under clause 19.5 of the Train Operations Deed, then:

(i) subject to clause 19.20.1(c)(ii), unless otherwise determined by calibration testing under clause 19.5 of the Train Operations Deed, the relevant Weighbridge or Overload Detector (as applicable) is deemed to have malfunctioned from the date the notice is given.
under clause \textsection{17.5}(a) of the Train Operations Deed until the
testing referred to in clause \textsection{17.5}(b) of the Train Operations Deed
has been carried out and, if required, the Weighbridge or Overload
Detector has been recalibrated. Until such testing has been carried
out and the Weighbridge or Overload Detector has been recalibrated,
the mass of the relevant Train or Wagon which would otherwise have
been measured by that Weighbridge or Overload Detector will be the
Maximum Desirable Gross Tonnage (as the term is defined in the
Train Operations Deed) for the Train or Wagon, as applicable; and

(ii) where the person conducting the test in accordance with clause
\textsection{17.5}(b) of the Train Operations Deed determines that the
Weighbridge or Overload Detector (as applicable) is measuring
within the tolerances specified in item 5 of Schedule 3 of the Train
Operations Deed, the Weighbridge or Overload Detector will be
treated as having been measuring accurately from the date on which
the relevant notice was given under clause \textsection{17.5}(a) of the Train
Operations Deed.

(iii) If clause \textsection{19.20.1}(c)(ii) applies in respect of a Weighbridge, the
invoice for Access Charges for the Billing Period immediately
following the Billing Period in which the determination in clause
\textsection{19.20.1}(c)(ii) is made will be adjusted to appropriately account for
the difference in payment of Access Charges arising from the
Weighbridge having been treated as malfunctioning under clause
\textsection{19.20.1}(c)(i).

21 Infrastructure management

21.1 Notifications

(a) As soon as is reasonably practicable after it becomes aware, the Access
Holder must notify Aurizon Network of any damage to or disrepair or failure
in operation or function of any part of the Nominated Network.

(b) The Access Holder:

(i) unless permitted under this Agreement or authorised by Aurizon
Network, must not cause any Obstruction or permit to continue any
Obstruction caused by the Access Holder; and

(ii) must notify Aurizon Network as soon as reasonably practicable after
the Access Holder’s Staff or Access Holder’s directors discover or
become aware of:

(A) any Obstruction (including all Incidents) or any breach or
suspected breach of Safeworking Procedures; or

(B) anything which the Access Holder, the Access Holder’s Staff or
Access Holder’s directors, observe which may reasonably be
considered to cause or contribute to the occurrence of an
Incident or Obstruction; or

(C) any harm to the Environment caused or contributed to by the
Access Holder’s use of its Access Rights within the area of the
Nominated Network, which the Access Holder knows would
result in a breach by Aurizon Network of the terms of any environmental authority it holds in connection with the Nominated Network.

21.2 Investigations
(a) If an Incident occurs, an Investigation into the Incident must be:
   (i) commenced as soon as practicable unless otherwise agreed between the Parties; and
   (ii) conducted in accordance with the Investigation Procedures.
(b) Each Party must cooperate, and ensure that Aurizon Network’s Staff or the Access Holder’s Staff (as applicable) cooperate, fully with any Investigation.
(c) The Parties must consult in good faith in relation to the implementation of any recommendations arising from an Investigation in accordance with the Investigation Procedures.

22 Interface management
22.1 Compliance with Interface Risk Management Plan
Each Party must advise the other Party of any failure to comply with the IRMP as soon as reasonably practicable after the Party becomes aware of such non-compliance, including details of the nature of the non-compliance and how the Party has rectified or intends to rectify the non-compliance.

22.2 Interface representative
(a) Prior to the commencement of any Train Services, each Party must nominate one or more appropriately qualified representatives (by identifying the name, title, experience (including length of experience) and qualifications of each representative) (Interface Representative) who is or are (as applicable) to be responsible for:
   (i) making decisions in relation to interface issues that arise in connection with this Agreement;
   (ii) liaising and cooperating with representatives of the other Party on those interface issues; and
   (iii) meeting with representatives of the other Party at locations, times and by means (including in person) specified by Aurizon Network from time to time.
(b) Each Party must ensure that any representative it nominates under this clause 22.2 is available to efficiently and effectively perform the responsibilities of the Interface Representative specified in clause 22.2(a) and that it has nominated an Interface Representative under this clause 22.2 at all times during the Term.

23 Insurance by Access Holder
23.1 Maintain insurance policies
Before the commencement of Train Services, the Access Holder must, at its expense, take out and subsequently maintain current at all times during the Term insurance with a corporation (as defined in the Corporations Act) licensed to
conclude insurance business in Australia (or otherwise reasonably acceptable to
Aurizon Network) those policies of insurance required by this Agreement.

23.2 **22.2-Required insurance policies**
The Access Holder must effect and maintain insurance for the risks and on the
terms specified in Schedule 5.

23.3 **22.3-Disclosure of insurance policies**
The Access Holder must provide to Aurizon Network evidence of the insurance
policies effected and maintained pursuant to this clause 22.2 (including
evidence that the cover provided under those insurance policies complies with
this clause 22.3 and of the currency of those insurance policies) to Aurizon
Network’s reasonable satisfaction:

(a) at least 10 Business Days before the commencement of Train Services;
(b) within 10 Business Days after renewal of each insurance policy during the
Term; and
(c) within 10 Business Days after being requested to do so in writing by
Aurizon Network.

23.4 **22.4-Failure to disclose insurance policies**
Without prejudice to Aurizon Network’s other rights and remedies in respect of
such default, if the Access Holder, whenever required to do so under this
Agreement, fails to produce to Aurizon Network evidence to the reasonable
satisfaction of Aurizon Network of insurances that have been effected or
maintained by it and does not remedy that default within 10 Business Days after
Aurizon Network gives notice to the Access Holder requiring that default to be
remedied, Aurizon Network may effect and maintain the insurance and pay the
premiums and any amount so paid will be a debt due from the Access Holder to
Aurizon Network.

23.5 **22.5-Minimum terms of policies**
Each of the policies of insurance effected in accordance with this Agreement
must, to the extent permitted by Law:

(a) note the interests of the Access Holder, any contractor of the Access Holder
engaged by the Access Holder in relation to the performance of the Access
Holder’s obligations under this Agreement and Aurizon Network;
(b) not contain any exclusions, endorsements or alterations to the accepted
policy wording that adversely amends the cover provided without the
written consent of Aurizon Network (not to be unreasonably withheld or
delayed); and
(c) include the terms and be for the amounts referred to in Schedule 5.

23.6 **22.6-Access Holder not to render policy void**
The Access Holder must not render any of the insurances effected in accordance
with this clause 22.3 void or voidable or liable to refusal of any claim.

23.7 **22.7-Compliance**
The Access Holder must at all times comply with the terms and conditions of all
insurance policies effected pursuant to this clause 22.3.
23.8 Notice of potential claims
In addition to any other obligation on the Access Holder under this Agreement, the Access Holder must:

(a) notify Aurizon Network as soon as practicable after the making of any Claim under any insurance policy required by this Agreement;

(b) notify Aurizon Network of the Claim in reasonable detail; and

(c) keep Aurizon Network informed of subsequent developments concerning any Claim,
to the extent that such Claim is in connection with this Agreement.

23.9 Access Holder to pay all excess/deductibles
(a) The Access Holder must, in respect of any Claims by it or any other insured for which it is responsible, pay and bear all excesses/deductibles provided for in any insurances effected in accordance with this clause 22.23.

(b) If the Access Holder fails to pay any excess/deductible provided for in any insurances effected in accordance with this clause 22.23, Aurizon Network may pay the relevant excess/deductible and any amount so paid will be a debt due from the Access Holder to Aurizon Network.

23.10 Settlement of claims
If:

(a) Aurizon Network makes a Claim against the Access Holder for damage to the Infrastructure;

(b) the Claim is in respect of the same matter as the Access Holder claims under a policy required by this Agreement for damage to Infrastructure; and

(c) the Access Holder has not disputed Aurizon Network’s Claim,
then upon settlement of the Access Holder’s Claim, under such policy, the portion of monies owed by the Access Holder to Aurizon Network must be paid to Aurizon Network from the monies received by the Access Holder under the policy against which the Access Holder made a Claim.

24.1 Indemnity for personal injury and property damage
Subject to clause 23.224.2 and clause 24.25, each Party is solely liable for, and releases, indemnifies and will keep indemnified the other Party, its directors and Staff against, all Claims of any nature suffered or incurred by, or made or brought against, the other Party, its directors or Staff in respect of:

(a) any loss of, damage to or destruction of property (including property of the other Party); or

(b) personal injury to or death of any person,
in each case caused by or contributed to (to the extent of the contribution) by:

(c) any breach of this Agreement by the Party; or

(d) any negligent act or omission of, the Party or the Party’s Staff in connection with this Agreement.
**24.2 Indemnity by Access Holder for certain liabilities to Third Parties**

Despite clause 23.424.1 but subject to clause 2425, the Access Holder is solely liable for, and releases, indemnifies and will keep indemnified Aurizon Network, Aurizon Network’s directors and Aurizon Network’s Staff against, all Claims of any nature made or brought by a Third Party against, Aurizon Network, Aurizon Network’s directors or Aurizon Network’s Staff in respect of:

(a) any loss of, damage to or destruction of property; or
(b) personal injury to or death of any person,

in each case caused by or contributed to (to the extent of the contribution) by:

(c) any breach of this Agreement by the Access Holder; or
(d) any negligent act or omission of the Access Holder or the Access Holder’s Staff.

**24.3 Duty to mitigate**

Each Party must use all reasonable endeavours to mitigate the damage, loss, cost, liability or expense in respect of which an indemnity in this Agreement applies.

**24.4 General provisions regarding indemnities**

(a) Each indemnity in this Agreement is a continuing obligation, separate and independent from the other obligations of the Parties and survives the expiry or termination of this Agreement.

(b) It is not necessary for a Party to incur expense or make a payment before enforcing any indemnity in this Agreement.

**25 Limitations and exclusions of liability**

**25.1 Exclusion of Consequential Loss**

Except as expressly provided otherwise in clause 3031 or the IRMP Provisions which form part of this Agreement under clause 3, neither Party is liable to the other under or in connection with this Agreement (including under an indemnity) for any Consequential Loss however caused (including any breach of this Agreement or negligent act or omission of a Party).

**25.2 Time limit and minimum threshold on Claims**

Neither Party (first Party) is liable for, and the other Party must not make any Claim against the first Party under or in connection with this Agreement unless:

(a) notice of the Claim has been given to the first Party within 12 Months after the other Party becomes aware of the occurrence of the event or circumstance giving rise to the Claim; and

(b) the amount of the Claim exceeds $100,000 in respect of any one event or cause of action or series of related events or causes of action, provided that if this condition is satisfied then the other Party may proceed for the full amount of the Claim and not only the amount in excess of $100,000.
25.3 **24.3 Claims and exclusions in respect of Infrastructure standard**

Despite any other provision of this Agreement, Aurizon Network, its directors and Aurizon Network’s Staff are not liable to the Access Holder for any Claim, and the Access Holder must not make any Claim against Aurizon Network, Aurizon Network’s directors and/or Aurizon Network’s Staff, in respect of any:

(a) loss of or damage to real or personal property, including property of the Access Holder;

(b) personal injury to or death of any person; or

(c) any other damage, expense, injury, cost or loss whatsoever, arising out of or in connection with the standard of the Infrastructure or any failure of or defect in the Infrastructure, except to the extent that such loss, damage, injury or death, cost or expense results directly from the failure of Aurizon Network to perform its obligations under clause 19.2(a) of a Train Operations Deed or Aurizon Network’s negligence in performing those obligations.

25.4 **24.4 Claims and exclusions in respect of non-provision of access**

(a) Subject to clause 24.4(b), only and despite any other provision of this Agreement, Aurizon Network, Aurizon Network’s directors and Aurizon Network’s Staff are not liable to the Access Holder for any Claim, and the Access Holder must not make any Claim against Aurizon Network, Aurizon Network’s directors and/or Aurizon Network’s Staff, in respect of any failure by Aurizon Network to make the Infrastructure available for an Operator to operate a Train Service for the Access Holder at the Scheduled Time in the Train Schedule.

(b) Aurizon Network is liable to the Access Holder in respect of any failure by Aurizon Network to make the Infrastructure available to enable an Operator to operate a Train Service for the Access Holder at the Scheduled Time in the Train Schedule if (and then only to the extent that):

(i) Aurizon Network did not reschedule the relevant Train Service if required to do so under a Train Operations Deed; and

(ii) the failure by Aurizon Network to make the Infrastructure available was caused by or was the result of an Operational Constraint, that Operational Constraint resulted from a breach of this Agreement or of the relevant Train Operations Deed (including clauses 21.2(b) or (c) of that document) by Aurizon Network or the negligence of Aurizon Network; and

(iii) the failure by Aurizon Network to make the Infrastructure available was not permitted under this Agreement or the relevant Train Operations Deed or was attributable to a breach of this Agreement or of the relevant Train Operations Deed (including clauses 21.2(b) or (c) of that document) by, or negligent act or omission of, Aurizon Network; and

(iv) the failure by Aurizon Network to make the Infrastructure available was not attributable to:

(A) the Access Holder or the Access Holder’s Staff;

(B) an Operator or an Operator’s Staff;
(C) another Railway Operator (other than Aurizon Network) or any employees, contractors, volunteers or agents of another Railway Operator (other than Aurizon Network);

(D) a Force Majeure Event;

(E) Major Periodic Maintenance of, or Infrastructure Enhancements to, the Infrastructure undertaken in accordance with clauses 21.2(b) and (c) of the relevant Train Operations Deed, and scheduled in a manner consistent with the Network Management Principles;

(F) if:

(1) the Access Rights for the relevant Train Service are Conditional Access Rights;

(2) there is a Capacity Shortfall in respect of any Segment of the applicable Expansion; and

(3) the Conditional Access Rights have not been varied under the Conditional Access Provisions which form part of this Agreement under clause 3,

the unavailability in the Infrastructure is attributable to the Capacity Shortfall in relevant Infrastructure;

(G) a breach of an Infrastructure Lease by an Infrastructure Lessor or any negligent act or omission of an Infrastructure Lessor; or

(H) any action taken by Aurizon Network, acting reasonably, in response to an emergency or a genuine safety risk; and

(v) either:

(A) the Parties and the relevant Operator have not agreed upon and implemented a performance and adjustment regime for the purposes of the relevant Train Operations Deed and the total number of Train Services (expressed as a percentage) cancelled in a Billing Period as a result of a failure by Aurizon Network to make the Infrastructure available (other than any failure by Aurizon Network to make the Infrastructure available which is attributable to an event or circumstance specified in clauses 24.4(b)(iv)(A) to 24.4(b)(iv)(H)) exceeds five percent of the total number of Train Services scheduled in the Daily Train Plan for that Billing Period; or

(B) the Parties and the relevant Operator have agreed upon and implemented a performance and adjustment regime for the purposes of the relevant Train Operations Deed, but the failure to make the Infrastructure available is of a magnitude which is beyond the scope of that performance and adjustment regime.

(c) The five percent threshold in clause 25.4(b)(v)(A) does not apply in circumstances of Wilful Breach by Aurizon Network.

(d) For clarification, if clause 25.4(b)(iv) applies, that clause operates to reduce the potential liability of Aurizon Network to the extent only that the
failure to make the Infrastructure available was attributable to matters listed in clause 25.4(b)(iv).

(B)

25.5 Claims and exclusions in respect of delays to Train Movements

Despite any other provision of this Agreement, a Party (Defaulting Party) is not liable to the other Party (Affected Party) for any Claim, and the Affected Party must not make any Claim against the Defaulting Party, in respect of delays to Train Movements unless (and then only to the extent that):

(a) the delay was a result of a breach of this Agreement or the relevant Train Operations Deed (including clauses 21.2(b) and (c) of that document) by the Defaulting Party, or a negligent act or omission on the part of the Defaulting Party; and

(b) if the delay was caused by or the result of an Operational Constraint:

(i) where Aurizon Network is the Affected Party, the Operational Constraint resulted from a breach of this Agreement by the Access Holder; or

(ii) where the Access Holder is the Affected Party, the Operational Constraint was not permitted under this Agreement or the relevant Train Operations Deed or resulted from a breach of this Agreement or the relevant Train Operations Deed (including clauses 21.2(b) and (c) of that document) by, or negligent act or omission of, Aurizon Network; and

(c) the delay is not attributable to:

(i) the Affected Party or where the Affected Party is:

(A) Aurizon Network - Aurizon Network’s Staff; or

(B) the Access Holder - the Access Holder’s Staff, an Operator or an Operator’s Staff;

(ii) another Railway Operator (other than the Defaulting Party) or any employees, contractors, volunteers or agents of another Railway Operator (other than the Defaulting Party);

(iii) a Force Majeure Event;

(iv) Major Periodic Maintenance of, or Infrastructure Enhancements to, the Infrastructure undertaken in accordance with clauses 21.2(b) and (c) of the relevant Train Operations Deed, and scheduled in a manner consistent with the Network Management Principles; or

(v) a breach of an Infrastructure Lease by an Infrastructure Lessor or any negligent act or omission of an Infrastructure Lessor; or

(vi) any action taken by Aurizon Network, acting reasonably, in response to an emergency or a genuine safety risk; and

(d) either:
(i) the Parties and the relevant Operator have not agreed upon and implemented a performance and adjustment regime for the purposes of the relevant Train Operations Deed; or

(ii) the Parties and the relevant Operator have agreed upon and implemented a performance and adjustment regime for the purposes of the relevant Train Operations Deed, but the delays are of a magnitude which is beyond the scope of that performance and adjustment regime.

(e) For clarification, if clause 25.5(c) applies, that clause operates to reduce the potential liability of the Defaulting Party to the extent only that the failure to make the Infrastructure available was attributable to matters listed in clause 25.5(c).

25.6 24.6 Defence of Claims by Third Parties

(a) Each Party must provide such reasonable assistance as requested by the other Party in the defence of any Claim made against the other Party by a Third Party arising out of any Incident or other event giving rise to the Claim.

(b) The Party that requested assistance under clause 24.6.25.6(a) must, within five Business Days after a demand is made, pay to the other Party any costs and expenses reasonably incurred by the other Party in providing the assistance requested under clause 24.6.25.6(a).

25.7 24.7 Exclusion of Claims in certain other circumstances

(a) Except to the extent that an Operational Constraint results from a breach by, or negligent act or omission of, Aurizon Network of this Agreement or a Train Operations Deed (including clauses 21.2(b) and (c) of a Train Operations Deed), any delays or cancellations of Train Services caused by or resulting from Operational Constraints will not constitute a default by Aurizon Network of its obligations under this Agreement and Aurizon Network will not be liable for any Claims suffered or incurred by or made or brought by or against the Access Holder as a result of or arising from the imposition of such an Operational Constraint.

(b) Except as otherwise provided in this Agreement, Aurizon Network will not be liable for any delays or cancellations of Train Services or Claims suffered or incurred by or made or brought by or against the Access Holder and the Access Holder must not make any Claim against Aurizon Network, its director and/or Aurizon Network’s Staff as a result of an Operator complying with a request by Aurizon Network in accordance with clause 2022.4(i) of a Train Operations Deed.

(c) If Aurizon Network takes action in accordance with clause 2022.4(e) of a Train Operations Deed, then Aurizon Network has no liability for any damage to or loss of freight caused by such actions.

(d) Aurizon Network will not be liable for any delays or cancellations of Train Services or Claims suffered or incurred by or made or brought by or against the Access Holder as a result of the exercise by Aurizon Network of its rights under clause 2325 of a Train Operations Deed, provided that Aurizon
Network complies with the relevant provisions under the IRMP regarding conduct of an audit or inspection.

26

25.1 Determination of liability

In the event of an Incident involving the Access Holder or any other event which results or could result in a Claim by or against the Access Holder or Aurizon Network, liability as between the Access Holder and Aurizon Network is determined, for the purposes of clauses 23.24 and 24.325.3:

(a) as agreed between the Parties;
(b) subject to clause 25.26.1(c), failing such agreement within one Month of either Party giving notice to the other requiring agreement on liability, by a loss adjuster appointed under clause 25.26.2; or
(c) where the amount of the Claim exceeds $200,000 and either Party is dissatisfied with the report of the loss adjuster, by a court of competent jurisdiction.

26.2 Loss Adjuster

Subject to clause 35.36, where a matter is to be referred to a loss adjuster in accordance with clause 25.1.26.1:

(a) the loss adjuster:

(i) must be appointed by the Parties; or
(ii) in default of such appointment within 10 Business Days after the need to appoint a loss adjuster, is to be nominated at either Party’s request by the President of The Australasian Institute of Chartered Loss Adjusters;

(b) if the loss adjuster is to be nominated under clause 25.26.2(a)(ii) and the President of The Australasian Institute of Chartered Loss Adjusters declines to nominate a person as the loss adjuster but provides a list of people that could be appointed as the loss adjuster, then:

(i) the first person specified in that list will be taken to be nominated as the loss adjuster;

(ii) if the first person specified in that list does not accept the appointment as the loss adjuster, the next person specified in that list will be taken to be the first person specified in that list and will be nominated as the loss adjuster; and

(iii) the process specified in clause 25.26.2(b)(ii) will apply to the next and each subsequent person specified in that list until a person that is taken to be nominated as the loss adjuster accepts the appointment as the loss adjuster;

(c) the Parties must comply with, and do all things necessary to satisfy and give effect to, the reasonable requirements of an agreed or nominated loss adjuster (including providing relevant indemnities and paying any charges or fees (which charges or fees will be borne equally by the Parties)) that must be satisfied or complied with as a condition of the President of The

3464-2115-3540v2 APAC-#30588415-v1 71
Australasian Institute of Chartered Loss Adjusters agreeing to nominate a loss adjuster;

(d) the loss adjuster must:

(i) be a Fellow of the Australasian Institute of Chartered Loss Adjusters or have equivalent qualifications and experience;

(ii) have no interest or duty which conflicts or may conflict with the loss adjuster’s function as a loss adjuster (the loss adjuster being required to fully disclose any such interest or duty before their appointment); and

(iii) not be, or have been in the last five years, an employee of an Operator, the Access Holder or Aurizon Network or of a Related Body Corporate of any of them;

(e) the loss adjuster appointed under this clause 25.2.26.2:

(i) is not permitted to act until the loss adjuster has given written notice of the acceptance of the appointment to both Parties;

(ii) is required to undertake to keep confidential all matters coming to the loss adjuster’s knowledge by reason of their appointment and the performance of their duties; and

(iii) is deemed to be and act as an expert and not an arbitrator, and the Law relating to arbitration, including the Commercial Arbitration Act 2013 (Qld), does not apply to the loss adjuster or their determination or the procedures by which they may reach a determination.

26.3 25.3-Parties to assist loss adjuster

(a) Each Party must ensure to the best of its ability that the loss adjuster appointed under clause 25.2.26.2 is given the opportunity to interview any employee, agent or contractor involved in, or with knowledge of, the Incident or event giving rise to the Claim or with any other relevant information that may be of use to the loss adjuster.

(b) Each Party must make available to the loss adjuster appointed under clause 25.2.26.2 any files, documents, data, recordings or other information in the possession or control of the Party that may be of use to, or is requested by, the loss adjuster for the purposes of their investigation.

26.4 25.4-Decision of the loss adjuster

(a) The loss adjuster appointed under clause 22.226.2 will determine the quantum of the relevant Claim and the liability of the Access Holder and/or Aurizon Network in respect of such Claim and must provide a copy of their report on such matters to each of the Parties within a reasonable time after their appointment.

(b) In the absence of manifest error, the decision of the loss adjuster is final and binding upon the Parties where the total claims arising from the Incident or event giving rise to the Claim are equal to or less than $200,000.

26.5 25.5-Costs of the loss adjuster

The costs of the loss adjuster must be borne by the Parties in such proportions as liability is determined by the loss adjuster, or where the liability is ultimately
determined by a court of competent jurisdiction, in such proportions as liability is determined by the court.

27 Material Change

27.1 Adjustment for a Material Change

(a) If there is no Reference Tariff applicable to the Train Services for a Train Service Type under this Agreement, then:

(i) if at any time after the Commencement Date a Material Change occurs which affects the financial position of Aurizon Network or the cost to Aurizon Network of performing its obligations or exercising its rights under this Agreement and/or a Train Operations Deed, then Aurizon Network must notify the Access Holder giving details of the Net Financial Effect on Aurizon Network of the Material Change;

(ii) within 10 Business Days after receipt of a notice under clause 26.1, the Parties must meet and negotiate in good faith any appropriate adjustments to the amounts payable under this Agreement to remove as far as practicable the Net Financial Effect on Aurizon Network of the Material Change and return Aurizon Network to the position it would have been in had it not been for the Material Change; and

(iii) if the Parties have not agreed on the relevant adjustments within 15 Business Days after Aurizon Network’s notice, then either Party may refer the matter to an Expert for determination in accordance with clause 27.3.

(b) If there is a Reference Tariff applicable to the Train Services for a Train Service Type under this Agreement, then the relevant Reference Tariff Provisions which form part of this Agreement under clause 3 will provide for the consequences of Material Change.

27.2 Parties’ obligations continue

The Parties’ obligations under this Agreement continue despite the existence of a Material Change.

28 Disputes

28.1 Method

If any claim, dispute or question (Dispute) arises under this Agreement, then unless otherwise expressly provided to the contrary in this Agreement, such Dispute must be resolved in accordance with this clause 27 and either Party may give to the other Party a notice (Dispute Notice) specifying the Dispute and requiring that it be dealt with in accordance with this clause 27.

28.2 Authorised representative resolution

(a) Except as otherwise provided in this Agreement, within five Business Days after a Dispute Notice is given, the Dispute must be referred for resolution to an authorised representative of each of the Parties with authority to settle the Dispute on behalf of the relevant Party.
(b) Within 10 Business Days after a Dispute Notice is given, the officers referred to in clause 27.228.2(a) must meet to resolve the Dispute.

(c) Meetings referred to in clause 27.228.2(b) may be held in person or by telephone, video conference or other means of instantaneous communication.

(d) If the Dispute is not resolved within 10 Business Days (Resolution Period) after:

(i) the date that the authorised representatives first meet to resolve the Dispute in accordance with clause 27.228.2(b); or

(ii) if the authorised representatives do not meet within the time required under clause 27.228.2(b), the date the Dispute Notice is given, then the relevant Dispute may, by agreement between the Parties within 10 Business Days of expiration of the Resolution Period, be referred for determination by an Expert in accordance with clause 27.328.3 or by arbitration in accordance with clause 27.428.4.

(e) If the Parties fail to agree, within 10 Business Days of expiration of the Resolution Period, whether to refer the Dispute to an Expert or to arbitration, either Party may refer the Dispute to the courts of the State in accordance with clause 27.628.6.

28.3 Expert

Subject to clause 35.136.1, where any matter may be referred to an expert (Expert) pursuant to clause 27.228.2(d), or is expressly required by this Agreement to be referred to an Expert, then except as otherwise provided for in this Agreement:

(a) an Expert must be appointed by agreement between the Parties, or in default of such appointment within 10 Business Days of the requirement or right (as applicable) to refer the matter to an Expert, then that person is to be nominated at either Party’s request by:

(i) if the Parties agree the Dispute is purely of:

(A) a financial or accounting nature; or

(B) a technical nature,

the President (for the time being) of the Resolution Institute in Australia; or

(ii) in any other case, the President (for the time being) of the Queensland Law Society Inc;

(b) if the Expert is to be nominated by a person referred to in clause 27.328.3(a) and that person declines to nominate a person as the Expert but provides a list of people that could be appointed as the Expert, then:

(i) the first person specified in that list will be taken to be nominated as the Expert;

(ii) if the first person specified in that list does not accept the appointment as the Expert, then the next person specified in that list will be taken to be nominated as the Expert; and
(iii) the process specified in clause 27.3.28.3(b)(ii) will apply to the next and each subsequent person specified in that list until a person that is taken to be nominated as the Expert accepts the appointment as the Expert;

(c) subject to clause 27.3.28.3(b), if the Expert is to be nominated by a person referred to in clause 27.3.28.3(a) and the person nominated as the Expert does not accept appointment as the Expert, then an alternative person is to be nominated as the Expert at either Party's request by the same person referred to in clause 27.3.28.3(a);

(d) if the Expert is to be nominated by a person referred to in clause 27.3.28.3(a) the Parties must comply with, and do all things necessary to satisfy and to give effect to, the reasonable requirements of that person (including providing relevant indemnities and paying any charges or fees (which charges or fees will be borne equally by the Parties)) that must be satisfied or complied with as a condition of that person agreeing to nominate an Expert;

(e) the Parties must comply with, and do all things necessary to satisfy and to give effect to, the reasonable requirements of an agreed or nominated Expert (including providing relevant indemnities and paying any charges or fees (which charges or fees will be borne equally by the Parties)) that must be satisfied or complied with as a condition of that person accepting the appointment as an Expert;

(f) the Expert must:

(i) have appropriate qualifications and practical experience having regard to the nature of the Dispute;

(ii) have no interest or duty which conflicts or may conflict with their function as Expert, the Expert being required to fully disclose any such interest or duty by notice to the Parties before their appointment;

(iii) not be, or have been in the last five years, an employee of an Operator, the Access Holder, or Aurizon Network or of a Related Body Corporate of any of them;

(iv) not be permitted to act until the Expert has given notice to the Parties that the Expert is willing and able to accept the appointment;

(v) have regard to the provisions of this Agreement and consider all submissions (including oral submissions by either Party provided that such oral submissions are made in the presence of the other Party), supporting documentation, information and data with respect to the matter provided to the Expert by the Parties;

(vi) provide both Parties with a copy of the Expert’s determination in the form of a report setting out reasonable details of the reasons for the Expert’s determination within a reasonable time after their appointment; and

(vii) be required to undertake to keep confidential all matters coming to their knowledge by reason of their appointment and performance of their duties (including, if required by a Party, by entering into a
confidentiality agreement in favour of the Parties);

(g) the Expert is deemed to be and must act as an expert and not an arbitrator and the Law relating to arbitration (including the *Commercial Arbitration Act 2013* (Qld)) will not apply to the Expert or the determination or the procedures by which the Expert may reach a determination;

(h) in the absence of manifest error, the decision of the Expert is final and binding upon the Parties;

(i) the costs of the Expert (and the costs of any advisers to the Expert) must be borne severally (and not jointly and severally) by the Parties in equal shares, with each Party bearing its own costs of participating in the dispute resolution process (unless otherwise agreed by the Parties);

(j) the expert determination will be conducted in accordance with the expert determination rules adopted by the Resolution Institute from time to time, except that to the extent of any inconsistency between those rules and this Agreement, the terms of this Agreement prevail;

(k) any determination made by an Expert must be consistent with the provisions of this Agreement; and

(l) the Parties must:

(i) procure the Expert to use reasonable endeavours to make its determination or finding in respect of the Dispute within 2 Months from the date the initial statement regarding the Dispute is submitted by the claimant to the Expert; and

(ii) do everything reasonably requested by the Expert to assist the Expert in determining the Dispute, including providing or making available to the Expert, as soon as reasonably practicable, all information and materials in their possession or control requested by the Expert and attending any hearing convened by the Expert.

### 28.4 Arbitration

(a) Subject to clause 35.136.1, the Parties may agree to refer any Dispute to arbitration by a single arbitrator sitting in Brisbane agreed upon between the Parties and, failing agreement upon such arbitrator within 10 Business Days after the date of notice from one Party to the other requiring the appointment of an arbitrator, by an arbitrator appointed by the President of the Resolution Institute. Every such reference will be an arbitration within the meaning of the *Commercial Arbitration Act 2013* (Qld), and subject to the provisions relating to arbitration contained in that Act.

(b) If the Resolution Institute declines to nominate a person as the arbitrator but provides a list of people that could be appointed as the arbitrator, then:

(i) the first person specified in that list will be taken to be nominated as the arbitrator;

(ii) if the first person specified in that list does not accept the appointment as the arbitrator, then the next person specified in that list will be taken to be nominated as the arbitrator; and

(iii) the process specified in clause 27.428.4(b)(ii) will apply to the next and each subsequent person specified in that list until a person that
is taken to be nominated as the arbitrator accepts the appointment as the arbitrator;

(c) subject to clause 27.4.28.4(b), if the person nominated as the arbitrator under clause 27.4.28.4(a) does not accept appointment, then either Party may request that the Resolution Institute appoints an alternative person as the arbitrator.

28.5 Queensland Competition Authority (QCA)
Subject to clause 35.1.36.1, the Parties may agree to refer, and where required by this Agreement must refer, any Dispute to the QCA.

28.6 Determination by Court
If any Dispute is not:
(a) resolved in accordance with clause 27.2.28.2;
(b) referred to an Expert in accordance with clause 27.3.28.3; nor
(c) referred to the QCA in accordance with clause 27.5.28.5,
then either Party may refer the Dispute to the courts of the State.

29 Force Majeure
29.1 Notice of Force Majeure
(a) If, by reason of a Force Majeure Event affecting Aurizon Network, Aurizon Network is prevented or hindered (or likely to be prevented or hindered) from carrying out, whether wholly or in part, its obligations under this Agreement (other than an obligation to pay money), then Aurizon Network must, as soon as reasonably practicable after it becomes aware of the Force Majeure Event, give the Access Holder prompt (and, in any event, within 5 Business Days after it becomes aware of the event or circumstance causing the Force Majeure Event) notice (which may be provided in electronic form) of the Force Majeure Event including:
   (i) details of the Force Majeure Event and (if applicable) that part of the Nominated Network affected or likely to be affected; and
   (ii) the details of the obligations affected or likely to be affected.
(b) Aurizon Network must provide the Access Holder with a further notice as soon as reasonably practicable and in any event within 2 Business Days of the notice provided under clause 28.1.29.1(a) if the notice provided in clause 28.1.29.1(a) either is in electronic form or does not include the following information:
   (i) the information in clause 28.1.29.1(a)); and
   (ii) full particulars of all relevant matters including:
      (A) details of the action Aurizon Network has taken to remedy the situation and details of the action that Aurizon Network proposes to take to remedy the situation (to the extent that they are known); and
      (B) a reasonable estimate of the time during which Aurizon Network will be (or is likely to be) prevented or hindered from
carrying out, whether wholly or in part, its obligations under this Agreement due to the Force Majeure Event.

(c) Without prejudice to its rights under this clause 28.129.1, Aurizon Network may issue further notices in respect of the Force Majeure Event as it considers reasonably necessary to update the Access Holder as to each of the matters set out above.

(d) Aurizon Network must:
   (i)  include the Access Holder (and its Customer, if any) and its Train Operator, if any, in any meeting which Aurizon Network may have in respect of the Force Majeure Event; and
   (ii) provide a copy of any notice given to the Access Holder to that Access Holder’s Customer, if any, and Train Operator, if any.

29.2 Suspension of obligations

(a) Subject to compliance with the requirements of clause 28.129.1, Aurizon Network’s obligations under this Agreement are suspended during the time and to the extent that Aurizon Network’s performance of its obligations is prevented or hindered by the Force Majeure Event.

(b) If the notice is not provided in accordance with clause 28.129.1(a) or 28.129.1(b), then the obligations of Aurizon Network under this Agreement will be suspended on and from the later of the time the notice requirements of clause 28.129.1(a) and 28.129.1(b) are satisfied.

29.3 Duty to mitigate

(a) Subject to clause 28.129.3(b), Aurizon Network must use all reasonable endeavours to remedy or overcome the effect of the Force Majeure Event affecting its obligations under this Agreement as soon as possible and must attempt to:
   (i) mitigate the effect of the Force Majeure Event; and
   (ii) identify alternative viable means of performing its obligations, including the provision of the Access Rights affected (if applicable).

(b) Aurizon Network is not obliged to settle any strike, lockout or other labour dispute other than on terms acceptable to it.

29.4 End of period of Force Majeure Event

The suspension of the obligations of Aurizon Network due to a Force Majeure Event ends when, but only to the extent that, Aurizon Network is no longer prevented or hindered from performing, whether wholly or in part, its obligations under this Agreement by reason of the relevant Force Majeure Event, at which time Aurizon Network must as soon as reasonably practicable:

(a) issue a notice to the Access Holder advising the extent to which it is recommencing the performance of its obligations; and

(b) recommence the performance of its obligations to the extent outlined in the notice.
28.5 Reduction of Access Rights due to loss or damage to Nominated Network

(a) If:

(i) any part of the Nominated Network specified in item 2 of Schedule 3 is damaged or destroyed by a Force Majeure Event; and

(ii) in Aurizon Network’s reasonable opinion the cost of repairing such damage or destruction or replacing that part of the Nominated Network is not economic on the basis of the then and committed future utilisation of that part of the Nominated Network,

then Aurizon Network may, by notice, advise the Access Holder (and its Customer, if applicable), other affected Access Holders (as defined in the Access Undertaking), each affected Railway Operator and the QCA of:

(iii) the estimated cost of effecting the necessary repairs or replacement;

(iv) the level of insurance available to effect the necessary repairs and replacement;

(v) a detailed explanation as to why the cost of repairing or replacing is not economic; and

(vi) Aurizon Network’s intention to not repair or replace the relevant part of the Nominated Network unless the Access Holder and other Access Holders (or their Customers or Railway Operators, as applicable) using that part of the Nominated Network pay the difference between the amount of insurance available to effect the necessary repairs or replacement and the actual anticipated cost to effect those repairs or replacements.

(b) If the Access Holder (or its Customer or Operator, as applicable) notifies Aurizon Network that:

(i) it agrees to bear the whole incremental cost of necessary repairs or replacement (after the amount of insurance available has been applied); or

(ii) it agrees to bear that part requested by Aurizon Network of the incremental cost of necessary repairs or replacement (and subject to Aurizon Network being satisfied that all other relevant Access Holders (or their Customers or Railway Operators, as applicable) have also agreed to bear their respective part of such costs) (after the amount of insurance available has been applied),

then Aurizon Network will proceed with the repairs or replacement within a reasonable time after:

(iii) if clause 28.529.5(b)(i) applies, receipt by Aurizon Network from the Access Holder (or its Customer or Operator) of payment of the relevant amount; and

(iv) if clause 28.529.5(b)(ii) applies, receipt by Aurizon Network from the Access Holder (or its Customer or Operator) of the last payment of the relevant amount.
(c) If an Access Holder (or its Customer or Operator, as applicable) pays to Aurizon Network any of the costs under clause 28.5, on completion of the necessary repairs or replacement:

(i) Aurizon Network must, within a reasonable time, refund to the party who made such payment any amount by which the amount paid that party exceeds the actual cost; or

(ii) the Access Holder (or its Customer or Operator, if applicable) must, within a reasonable time, pay to Aurizon Network the amount by which the actual cost exceeds proportionately the amount agreed to be paid by that party,

(as applicable).

(d) If, within 40 Business Days after receipt of a notice from Aurizon Network under clause 28.5, the Access Holder (or its Customer or Operator, as applicable) has not given notice to Aurizon Network under clause 28.5, then Aurizon Network may, by giving not less than 20 Business Days’ notice in writing to the Access Holder (Nominated Network FM Reduction Notice), reduce the Access Rights by the FM Access Rights, in which case, the FM Access Rights will cease to form part of the Access Rights of the Access Holder on and from the date specified in the Nominated Network FM Reduction Notice (which must be at least 20 Business Days from the date of the Nominated Network FM Reduction Notice).

29.6 Effect of Nominated Network FM Reduction Notice on Operator nominations

(a) Within 10 Business Days after the Nominated Network FM Reduction Notice is given to the Access Holder, the Access Holder may give written notice to Aurizon Network and each affected Operator in accordance with clause 4.5(a) to vary the Access Rights which the Access Holder has allocated to an Operator to take into account the reduction to the Access Rights by the FM Access Rights.

(b) Except to the extent that the Access Holder has given a notice as contemplated in clause 28.6(a) in respect of the reduction to the Access Rights by the FM Access Rights, the FM Access Rights for each Train Service Type:

(i) firstly, are deemed to reduce the Access Rights for that Train Service Type for which the Access Holder has not nominated an Operator; and

(ii) if, after the operation of clause 28.6(b)(i), there remains an Over-Allocation for the relevant Train Service Type, clause 4.7 applies in respect of that Over-Allocation.

(c) As soon as practicable after the expiry of the period referred to in clause 28.6(a), Aurizon Network must issue a notice to the Access Holder and each affected Operator summarising, in respect of each Train Service Type affected by the FM Access Rights, the changes to:

(i) the “Nominated Monthly Train Services (for a 30 day Month)” set out in Schedule 2 of this Agreement; and
29.7 Termination after extended Force Majeure Event

If, by reason of a Force Majeure Event, Aurizon Network is wholly prevented or hindered from carrying out its obligations under this Agreement (other than an obligation to pay money) for a period of more than three consecutive Months, then:

(a) the Parties must meet to endeavour to identify any alternative viable means to perform the suspended obligations; and

(b) failing any alternative means being agreed within one Month after the end of the three Month period, the Access Holder may terminate this Agreement by 20 Business Days’ notice to Aurizon Network and clauses 28.429.4 and 29.529.5 apply without prejudice to any of the rights of the Parties which accrued before the date of such termination.

30 Suspension

30.1 Suspension of Access Rights

If a Suspension Event specified in Schedule 6 occurs, Aurizon Network may, by notice in writing to the Access Holder and the relevant Operator (Suspension Notice), suspend the Access Rights of the Access Holder.

30.2 Details of suspension

A Suspension Notice given by Aurizon Network to the Access Holder and the relevant Operator under clause 29.430.1 must set out:

(a) the rights of the Access Holder which are affected by the suspension;

(b) the reason for the suspension; and

(c) the actions the Access Holder must take to have the suspension lifted.

30.3 Effect of suspension

The suspension of any rights under this clause 29.30 does not affect or suspend any other obligation of the Access Holder, including the obligation to pay Access Charges under this Agreement, and is without prejudice to Aurizon Network’s other rights and remedies in respect of that or any other default.

30.4 Duration of suspension

The suspension of any rights under clause 29.430.1 continues until such time as the Access Holder has remedied the relevant default or non-compliance notified in the Suspension Notice.

30.5 Suspension of an Operator’s rights under a Train Operations Deed

(a) The Access Holder acknowledges that, under a Train Operations Deed, Aurizon Network has a right to suspend the right of a particular Operator to operate some or all of the Operator’s Train Services for a Train Service Type or Train Services generally upon the occurrence of any one or more of a number of specified events or circumstances in respect of that Operator.

(b) Aurizon Network will notify the Access Holder if it suspends the right of a particular Operator to operate some or all of the Operator’s Train Services
for a Train Service Type or Train Services generally under a Train Operations Deed and the Access Holder will have the right to nominate an alternate Operator to operate the affected services in accordance with clause 4.3 or 4.4.

(c) The suspension of any of an Operator’s rights under a Train Operations Deed does not affect or suspend any obligation of the Access Holder, including the obligation to pay Access Charges under this Agreement.

31 Liability for wrongful suspension

Where Aurizon Network suspends some or all of the Access Holder’s Access Rights or an Operator’s rights under a Train Operations Deed, Aurizon Network will be liable to the Access Holder in respect of loss or damage (including damages for Consequential Loss arising from the suspension) if, and only if:

(a) no reasonable person in Aurizon Network’s position could have formed the view that the stated grounds for the suspension existed (Aurizon Network must bear the burden of establishing that a reasonable person in Aurizon Network’s position could have formed that view);

(b) where the suspension is of an Operator’s rights under a Train Operations Deed, the Access Holder’s loss or damage is not, and has not been, included in a claim by the Operator in respect of that suspension; and

(c) the Access Holder has used all reasonable endeavours to mitigate the loss or damage arising from the suspension.

32 Termination

32.1 Termination of Agreement

(a) Subject to clause 31.1(b) and without limiting any rights of termination contained elsewhere in this Agreement, Aurizon Network may, by notice in writing to the Access Holder, terminate this Agreement if a Termination Event specified in Schedule 6 occurs.

(b) If there is a Corresponding Suspension Event in respect of the Termination Event referred to in clause 31.1(b), then Aurizon Network may only exercise its rights under clause 31.1(b) if it has first exercised its right of suspension in respect of the Corresponding Suspension Event under clause 29.30.

32.2 Termination by the Access Holder

Without limiting any rights of termination contained elsewhere in this Agreement, the Access Holder may, by notice in writing to Aurizon Network, terminate this Agreement if any of the following occurs:

(a) an Insolvency Event in relation to Aurizon Network occurs and continues for a period of 40 Business Days;

(b) Aurizon Network’s Accreditation is cancelled or amended such that it cannot perform its obligations generally under this Agreement, and such default continues for at least 20 Business Days after the Access Holder gives Aurizon Network notice of the default;

(c) Aurizon Network fails to pay when due any amount payable under this
Agreement, and such default continues for at least 20 Business Days after the Access Holder gives Aurizon Network notice of the default; or

(d) Aurizon Network is in default of the due performance of any other obligation under this Agreement, and such default continues for at least 40 Business Days after the Access Holder gives Aurizon Network notice of the default.

32.3 31.3 Grounds for termination to be specified
A notice given under clause 31.132.1 or 31.232.2 must set out the grounds for the termination.

32.4 31.4 Obligations and other rights upon termination or expiry
(a) Neither termination of this Agreement by a Party under this clause 31.32 nor expiry of this Agreement prejudices:
   (i) a Party’s right to make a Claim, recover damages or avail itself of other remedies under this Agreement or at law; or
   (ii) either Party’s rights to recover money due to it under this Agreement.

(b) On termination of this Agreement, Aurizon Network and the Access Holder are released from all further obligations or liabilities under this Agreement, except for:
   (i) rights which accrued on or before termination, including for any breach of this Agreement which occurred before termination. Any liability in respect of such prior breach will be limited in the manner provided in this Agreement; or
   (ii) any provisions which are expressed as surviving the expiry or termination of this Agreement.

33 32 Assignment
33.1 32.1 Assignment by Aurizon Network
(a) Aurizon Network may Assign the whole or any part of its rights or obligations under this Agreement without the prior consent of the Access Holder, provided that:
   (i) the Assignee is Accredited; and
   (ii) Aurizon Network procures that the Assignee covenants with the Access Holder by deed to be bound by and to perform the obligations of Aurizon Network under this Agreement to the extent of the rights and obligations Assigned to the Assignee.

(b) On the Assignee entering into the deed referred to in clause 32.133.1(a), Aurizon Network is released and discharged from further liability under this Agreement in respect of the obligations which the Assignee has undertaken under that deed to be bound by and to perform.

33.2 32.2 Assignment by the Access Holder
(a) The Access Holder may not Assign its rights or obligations under this Agreement other than in accordance with this clause 32.233.2.
(b) The Access Holder may, provided it is not in default in the performance or observance of any of its obligations under this Agreement, Assign the whole or any part of its rights and obligations under this Agreement to:

(i) a Related Body Corporate of the Access Holder which is capable of performing the obligations of the Access Holder under this Agreement, provided that:

(A) the Access Holder remains liable for the performance of the duties, responsibilities and obligations assumed by the Assignee; and

(B) the performance by the Assignee will (to the extent of such performance) discharge the Access Holder’s liability for the performance of the duties, responsibilities and obligations Assigned; or

(ii) a person other than a Related Body Corporate of the Access Holder with the prior written consent of Aurizon Network, provided that such consent will not be unreasonably withheld if Aurizon Network is satisfied that such person is:

(A) financially sound; and

(B) otherwise capable of performing the obligations of the Access Holder under this Agreement.

(c) Any Assignment by the Access Holder of its rights and obligations under this Agreement is conditional on and will not take effect until:

(i) the Assignee covenants with Aurizon Network by deed, in such terms as Aurizon Network may reasonably require, to be bound by and to perform the obligations of the Access Holder under this Agreement; and

(ii) if required by Aurizon Network, the Assignee delivers Security to Aurizon Network which satisfies the requirements of clause 6 for an amount of not less than the Security Amount.

(d) Subject to clause 32.2(3), if a Change in Control of the Access Holder occurs without Aurizon Network’s prior written consent, the occurrence of the Change in Control will be taken to be an Assignment of the Access Holder’s rights and obligations under this Agreement which is not permitted under this clause 32.2.

(e) Clause 32.2(3) does not apply to a Change in Control where:

(i) the Access Holder or its Ultimate Holding Company is listed on a recognised stock exchange;

(ii) the Change in Control is a result of a Change in Control of that listed entity; and

(iii) that listed entity remains listed on that recognised stock exchange both before and after that Change in Control.

(f) This clause 32.2(3) does not limit the Access Holder's right to Transfer Access Rights in accordance with the Transfer Provisions which form part of this Agreement under clause 3.
33.3 **32.3-Charging**
A Party (Chargor) may create a Charge over all of its rights under this Agreement in favour of a recognised financial institution (Chargee) to secure financial accommodation provided to the Chargor in relation to its obligations under this Agreement, provided that the Chargee must first covenant in writing in favour of the other Party (Non-Charging Party), pursuant to a deed in such terms as the Non-Charging Party may reasonably require, that in relation to the exercise of any power of sale or other right or remedy under the Charge granted to the Chargee, the Chargee and any person (including any receiver or receiver and manager or agent) claiming through the Chargee will comply with the provisions of this clause 33.3 as if it were originally a party to this Agreement, and will not exercise any power of sale of the rights and/or obligations of the Chargor under this Agreement except in accordance with this clause 33.3.

34 **33-GST**

34.1 **33.1-Construction**
In this clause 33.34:

(a) words and expressions which are not defined in this Agreement but which have a defined meaning in GST Law have the same meaning as in the GST Law;

(b) GST Law has the same meaning given to that expression in the A New Tax System (Goods and Services Tax) Act 1999; and

(c) references to GST payable and input tax credit entitlement include GST payable by, and the input tax credit entitlement of, the representative member for a GST group of which the entity is a member.

34.2 **33.2-Consideration GST exclusive**
Unless otherwise expressly stated, all prices or other sums payable or consideration to be provided under this Agreement are exclusive of GST.

34.3 **33.3-Payment of GST**
If GST is payable on any supply made by a Party (or any entity through which that Party acts) (Supplier) under or in connection with this Agreement, the recipient will pay to the Supplier an amount equal to the GST payable on the supply.

34.4 **33.4-Timing of GST payment**
The recipient will pay the amount referred to in clause 33.34.3 in addition to, and at the same time that, the consideration for the supply is to be provided under this Agreement.

34.5 **33.5-Tax invoice**
The Supplier must deliver a tax invoice or an adjustment note to the recipient before the Supplier is entitled to payment of an amount under clause 33.3.34.3. The recipient can withhold payment of the amount until the Supplier provides a tax invoice or an adjustment note, as appropriate.

34.6 **33.6-Adjustment event**
If an adjustment event arises in respect of a taxable supply made by a Supplier under this Agreement, the amount payable by the recipient under clause 33.3.34.3 will be recalculated to reflect the adjustment event and a payment will be
made by the recipient to the Supplier, or by the Supplier to the recipient, as the case requires.

34.7 **Reimbursements**

Where a Party is required under this Agreement to pay or reimburse an expense or outgoing of another Party, the amount to be paid or reimbursed by the first Party will be the sum of:

(a) the amount of the expense or outgoing less any input tax credits in respect of the expense or outgoing to which the other Party is entitled; and

(b) if the payment or reimbursement is subject to GST, an amount equal to that GST.

35 **Confidentiality**

35.1 **Confidentiality**

Subject to clause 34.2, the Recipient must:

(a) keep confidential, and must not disclose to any Third Party, any Confidential Information disclosed to the Recipient by the Discloser; and

(b) not use the Confidential Information for any purpose other than for the purposes of this Agreement or, if Aurizon Network is the Recipient, for the purposes of:

(i) capacity assessment and capacity modelling;

(ii) investigation and planning of Maintenance Work;

(iii) planning Infrastructure Enhancements; and

(iv) complying with its obligations under the Access Undertaking.

35.2 **Permitted disclosures**

The Recipient may disclose Confidential Information disclosed to it by the Discloser to a Third Party where:

(a) the Recipient has obtained the prior written approval of the Discloser to such disclosure. The Discloser must not unreasonably withhold such approval if the Recipient has procured a confidentiality undertaking in respect of the information from such Third Party in favour of both Parties on terms and conditions satisfactory to both Parties, acting reasonably; or

(b) disclosure is:

(i) required or compelled by any order of a court of competent jurisdiction;

(ii) required or compelled by any Law;

(v) reasonably required for the performance of Train Control functions;

(vi) required under any stock exchange listing requirement or rule;

(vii) required by the Rail Safety Regulator or an Environmental Regulator;
(viii) to an Operator provided that:

(A) the Disclosure is:

(1) required by the terms of this Agreement;

(2) reasonably necessary for the performance of obligations or the exercise of rights under this Agreement or the Operator’s Train Operations Deed; or

(3) reasonably necessary in connection with the safe operation of the Nominated Network; and

(B) the Discloser must ensure that the Operator keeps the Confidential Information confidential on terms no less onerous than this clause 34.35;

(ix) to the Recipient’s banker or other financial institution, to the extent required for the purpose of raising funds or maintaining compliance with credit arrangements, if such banker or financial institution has executed a legally enforceable confidentiality deed in favour of the Discloser;

(x) to an expert for the purposes of a dispute resolution process, or an auditor for the purposes of an audit, under a “User Funding Agreement” (as defined in the Access Undertaking), if such expert or auditor has executed a legally enforceable confidentiality deed in favour of the Discloser;

(xi) to legal practitioners and accountants of the Recipient or a Related Body Corporate of it:

(A) whose duties in relation to the Recipient or the Related Body Corporate require the disclosure;

(B) who are under a duty of confidentiality to the Recipient; and

(C) who have been advised of the confidential nature of the Confidential Information; or

(xii) otherwise permitted or required in accordance with this Agreement or the Access Undertaking (as amended by any Change in Access Undertaking).

35.3 Discloser may give certain directions

On expiry or termination of this Agreement, the Discloser may direct the Recipient to do any combination of the following in respect of some or all of the Confidential Information disclosed by the Discloser to the Recipient:

(a) subject to the lawful requirements of the Recipient to retain copies of Confidential Information for business records and document control registers, to immediately deliver to the Discloser the Confidential Information specified by the Discloser;

(b) to immediately destroy the Confidential Information specified by the Discloser; and

(c) where the Recipient has disclosed the Confidential Information to any Third Party, to procure the compliance by that Third Party with the requirements of this clause 34.3 35.3 as if that Third Party were the Recipient.
35.4 34.4 PPS Act
In addition to the obligations imposed under this clause 34.35, each Party agrees to not disclose any information of the kind described in section 275(1) of the PPS Act, including:

(a) information about this Agreement including a copy of it;
(b) information about the amount or the obligation secured by any Security Interest created by or under this Agreement and the terms of such payment or performance at any time; or
(c) information about Relevant Collateral at any time.

35.5 34.5 Survival
Without limiting clause 37.138.1, this clause 34.35 survives the destruction or return of Confidential Information in accordance with this Agreement.

35.6 34.6 Injunctive relief
The Recipient acknowledges and agrees that a breach of this clause 34.35 would be harmful to the business interests of the Discloser and that, as a result, the Discloser may seek urgent injunctive relief, specific performance or a similar remedy to prevent the occurrence or continuance of any breach or suspected breach of this clause 34.35 in addition to any other remedies available at law or in equity under or independently of this Agreement.

36 35 Relationship with Train Operations Deed
36.1 35.1 Disputes
(a) Prior to any referral of a matter to a loss adjuster, expert, arbitrator or the QCA (Adjudicator) in accordance with clause 25.126.1 or 27.28, either Party may notify the other Party that an Operator should be a party to that referral and, if such a notice is given, then the Party which has given the notice must:

(i) notify the relevant Operator of the matter to be referred to the Adjudicator; and
(ii) provide the relevant Operator with a copy of the provisions of this Agreement governing the referral of a matter to, the determination of a matter by, and the payment of the costs of, the Adjudicator.

(b) If an Operator is given a notice under clause 35.136.1(a), then:

(i) where the Adjudicator is to be a loss adjustor, expert or arbitrator, the Parties are deemed not to have agreed the appointment of the loss adjuster, expert or arbitrator unless the Operator has also agreed to the appointment of that loss adjuster, expert or arbitrator;

(ii) the Parties must comply with clause 25.126.1 or 27.28, as applicable, in respect of the Operator as though the Operator was a Party to this Agreement for the purposes of the matter referred to the Adjudicator; and

(iii) the Adjudicator, in addition to determining the matter between the Parties, must also determine any claim, dispute, question or liability involving the Operator and the relevant Train Operations Deed.
arising in connection with any of the events or facts the subject of the matter referred to the Adjudicator (unless that claim, dispute, question or liability has already been agreed by Aurizon Network and the Operator or otherwise determined).

(c) If the Access Holder is notified of a matter to be referred to an Adjudicator in accordance with a Train Operations Deed, then the Access Holder:

(i) must comply with the provisions of that agreement governing the referral of a matter to, the determination of a matter by, and the payment of the costs of, an Adjudicator;

(ii) must provide the Adjudicator with a copy of this Agreement;

(iii) agrees that clauses 25.1, 26.1 and 27.2 do not apply to any claim, dispute, question or liability involving the Access Holder and this Agreement in connection with the matter referred to the Adjudicator; and

(iv) agrees that, for the avoidance of doubt, the decision of that Adjudicator, in the absence of manifest error, will be final and binding upon the Access Holder.

36.2 35.2-Performance Levels

(a) If a notice is given under the Train Operations Deed that a party considers that the Performance Levels are no longer appropriate:

(i) Aurizon Network must promptly provide a copy of the notice to the Access Holder; and

(ii) the Parties and the Operator must use reasonable endeavours to agree on varied Performance Levels.

(b) If the Parties and the Operator are unable to agree to such variations then the existing Performance Levels will continue to apply unless varied by Aurizon Network in accordance with clause 12.2(a)(iv) of the Train Operations Deed.

36.3 35.3-Amendments due to changes to Train Operations Deed

If:

(a) modified or additional Rollingstock or Rollingstock Configurations are authorised under a Train Operations Deed;

(b) the Performance Levels specified in a Train Operations Deed are varied;

(c) an Interface Risk Management Plan or Environmental Management Plan is prepared, reviewed, amended or audited, in accordance with a Train Operations Deed;

(d) the Train Description under a Train Operations Deed is varied; or

(e) a Train Operations Deed is otherwise amended as a result of or in connection with any of the matters in paragraphs (a) to (d),

then:

(f) the Parties must amend this Agreement (including, but not limited to, by Aurizon Network varying the Access Charge Rates or Train Description) as reasonably necessary to reflect the change or variation to the Train
Operations Deed and otherwise comply with this Agreement (including, for example, the Access Holder varying its nomination of the Operator (if necessary)), provided that any such amendment ceases to apply to the extent the relevant Operator ceases to be nominated as the Operator of the relevant Train Services;

(g) Aurizon Network must advise the Access Holder of any variations to the Access Charge Rates payable by the Access Holder as a result of that change or variation; and

(h) where the Parties cannot agree on the amendments to this Agreement, to the extent that those amendments:

(i) are not variations to the Access Charge Rates, the matter will be referred to an expert in accordance with clause 27.328.3; and

(ii) are variations to the Access Charge Rates (and any other amendments have been agreed by the Parties or otherwise determined), either Party may refer the matter to the QCA for determination in accordance with clause 27.528.5,

provided that any such amendment or variation will not result in any increase to the total capacity allocated to the Access Holder under this Agreement.

36.4 Notice to Access Holder

(a) If any of the matters referred to in clauses 35.3 to 36.3(e) is proposed by Aurizon Network or the Operator and the proposal, if agreed, would require amendments to this Agreement or otherwise adversely affect the Access Rights or utilisation of the Access Rights, then Aurizon Network must provide:

(i) written notice to the Access Holder of the proposal as soon as practicable; and

(ii) the Access Holder with a reasonable opportunity to participate in any negotiations or discussions between Aurizon Network and the Operator of such a proposal.

(b) If the Access Holder disputes the proposed amendments to this Agreement or the effect on the Access Rights or utilisation of the Access Rights (as applicable) arising from a matter referred to in clauses 35.3 to 36.3(e), then the Access Holder may refer the dispute to the QCA for determination in accordance with clause 27.528.5.

36. Notices

36.1 Form of Notice

Any notice, demand, invoice, certification, process or other communication authorised or required to be given by a Party to another under this Agreement (other than a Train Control Direction or a direction from the Incident Commander) (Notice) must be in writing and signed by an authorised officer of that Party and may, if agreed by the Parties, be in electronic form.

36.2 Method of service

A Notice may be given by being:

(b) left at the Party’s current address for service;
(c) sent to the Party’s current address for service by pre-paid ordinary mail;

(b) posted to an address in Australia, three Business Days after posting;
(c) posted to an address outside Australia, 10 Business Days after posting;
(d) sent by facsimile, on the next Business Day after being sent if following transmission the sender receives a transmission report indicating that the facsimile was sent to the addressee’s facsimile number; or

37.4 36.4 Addresses for notices
(a) Each Party’s address for notices is as set out in item 2 of Schedule 1.
(b) A Party may from time to time change its particulars for service by giving notice of that change to the other Party.

37.5 36.5 Train Control Direction or Incident Commander’s Direction
(a) A Train Control Direction is deemed to have been given at the time the direction is given, issued or made.
(b) A direction from an Incident Commander is deemed to have been given at the time the direction is communicated by the Incident Commander.

38 37 General
38.1 37.1 Survival
This clause and clauses 5, 6, 16, 17, 20–24, 25, 27, 28, 31, 32, 34, 35 and 36 survive the expiration or termination of this Agreement.

38.2 37.2 Amendment
(a) Except as otherwise provided in this Agreement, any variation or amendment to this Agreement must be in writing signed by both Parties.
(b) The Access Holder must provide each Operator with a copy of any written agreement to variations or amendments to this Agreement.

38.3 37.3 Entire agreement
(a) This Agreement, the Schedules and other documents referred to in the Schedules constitute the entire understanding and agreement between the Parties as to the subject matter of this Agreement.
(b) All previous negotiations, understandings, representations, warranties, memoranda or commitments in relation to, or in any way affecting, the subject matter of this Agreement are merged in and superseded by this Agreement and are of no force or effect. No Party is liable to any other Party in respect of those matters.

(c) Neither Party has relied on any representations made by the other Party relating to the subject matter of this Agreement or otherwise.

(d) No oral explanation or information provided by any Party to another:
   (i) affects the meaning or interpretation of this Agreement; or
   (ii) constitutes any collateral agreement, warranty or understanding between any of the Parties.

38.4 37.4 Counterparts
This Agreement may consist of a number of counterparts and, if so, the counterparts taken together constitute one document.

38.5 37.5 Non-merger
Each representation, covenant and obligation under this Agreement continues in full force and effect until such representation, obligation or covenant is satisfied or completed.

38.6 37.6 Authority to enter into agreement
(a) Each Party warrants to the other Party that, in respect of itself, it has full power to enter into and perform its obligations under this Agreement, and that this Agreement constitutes valid and binding obligations on it, enforceable in accordance with its terms.

(b) If this Agreement is executed by an attorney, the attorney states, by such execution, that as at the time of such execution the attorney has received no notice of the revocation of the power of attorney pursuant to which the attorney has executed this Agreement.

38.7 37.7 Consents and approvals
Unless otherwise stated in this Agreement, if a Party has a right to accept, reject, decide, determine, consent or make any decision or exercise any discretion or decide to give any notice under this Agreement, the Party may do so conditionally or unconditionally at its discretion.

38.8 37.8 Relationship
The relationship between the Parties is entirely contractual. Nothing in this Agreement creates, or is to be taken to create, any partnership, joint venture or relationship of employer and employee between the Parties or any of them.

38.9 37.9 Certificate
A certificate signed by any duly authorised officer of Aurizon Network as to a matter or as to a sum payable to Aurizon Network in connection with this Agreement is prima facie evidence of the matter stated in it or the sum payable.

38.10 37.10 Costs
Subject to any express provision in this Agreement to the contrary, each Party bears its own legal and other expenses relating directly or indirectly to the preparation of, and performance of its obligations under, this Agreement.
38.11 Duty
(a) The Access Holder is, as between the Parties, liable for and must duly pay all stamp duty (including any fine or penalty) on or relating to this Agreement and any document executed under or in connection with it.

(b) If Aurizon Network pays any stamp duty (including any fine or penalty) on or relating to this Agreement, or any document executed under or in connection with it, the Access Holder must, within 10 Business Days after receiving such demand, reimburse Aurizon Network the amount paid.

38.12 Waiver and exercise of rights
(a) A single or partial exercise or waiver of a right relating to this Agreement does not prevent any other exercise of that right or the exercise of any other right.

(b) No failure or delay by either Party to exercise any right or remedy under this Agreement may be construed or operate as a waiver or be evidence of delay, laches or acquiescence in equity or at law in respect of such right or remedy.

(c) A waiver or consent by any Party of any default or breach of any term of this Agreement does not constitute a waiver of later defaults or breaches of the same or any other term.

(d) A Party’s election not to exercise any rights under this Agreement does not prejudice any other rights which that Party may have against the other Party arising out of any failure by the other Party to comply with this Agreement.

38.13 Computation of time
Where time is to be calculated by reference to a day or event, that day or the day of the event will be excluded.

38.14 Severance of invalid or illegal terms
(a) If any term of this Agreement, or its application to any Party, person or circumstance, is or becomes invalid, void, voidable or otherwise unenforceable for any reason whatever, then:

(i) that term, or its application to such Party, person or circumstance, is severed from this Agreement;

(ii) the remainder of this Agreement, excluding the severed part, remains in force, and any term which includes the severed part applies to such Party, person or circumstance without reliance on the part severed; and

(iii) to the extent permissible by Law, the Parties must agree to replace the severed term, effective from the date of severance, with a valid and enforceable term which so far as possible achieves the same purpose, object or effect as the invalid, void, voidable or otherwise unenforceable term was intended to achieve and does not cause any substantial reduction in the benefits of either Party or material re-allocation of risks between the Parties.

(b) The Parties must act reasonably and in good faith in seeking an agreement under this clause 37.14 38.14 as to a replacement term.
(c) If the Parties cannot agree upon a replacement term, this Agreement is continued in accordance with clauses 37.14 38.14(a)(i) and 37.14 38.14(a)(ii).

38.15 37.15 Rights cumulative
Subject to any express provision in this Agreement to the contrary, the rights of any Party under this Agreement are cumulative and are in addition to any other rights of that Party.

38.16 37.16 Approvals and consents
Subject to any express provision in this Agreement to the contrary, a Party may conditionally or unconditionally give or withhold any consent to be given under this Agreement.

38.17 37.17 Third Party Land
The Access Holder acknowledges that:
(a) the land specified in item 4 of Schedule 3 (Third Party Land) is not owned or controlled by Aurizon Network; and
(b) entry onto that Third Party Land is not included within the definition of Access,
and agrees that in respect of that Third Party Land:
(c) the Access Holder will comply with the requirements of the person that owns or controls that Third Party Land (Landowner) in relation to that Third Party Land as notified to the Access Holder by Aurizon Network from time to time;
(d) if, after the Commencement Date, there is a change in the costs incurred by Aurizon Network due to the requirements of the Landowner in respect of that Third Party Land, then that change is deemed to be a Material Change; and
(e) if Aurizon Network’s rights in respect of that Third Party Land are terminated for any reason other than the default of Aurizon Network of any agreement that affects Aurizon Network’s use of that Third Party Land or other than by agreement with the Landowner, then Aurizon Network may, by notice to the Access Holder, suspend and/or terminate the Access Rights insofar as they relate to that part of the Nominated Network which is situated on that Third Party Land.

38.18 37.18 Implementation of agreement
Each Party must promptly execute all documents and do all such acts and things as are necessary or desirable to implement and give full effect to the provisions of this Agreement.

38.19 37.19 Governing law and jurisdiction
(a) This Agreement is governed by, and is to be construed in accordance with, the law in force in the State.
(b) Each Party irrevocably and unconditionally submits to the non-exclusive jurisdiction of the courts exercising jurisdiction in the State, and any courts which have jurisdiction to hear appeals from any of those courts, and waives any right to object to any proceedings being brought in those courts.
\subsection*{38.20 \textit{PPS Act}}

(a) If a Party (\textbf{first party}) reasonably determines that this Agreement contains a “Security Interest” for the purposes of the PPS Act (\textit{Security Interest}), the other Party (\textbf{second party}) agrees to do anything (such as obtaining consents, signing and producing documents, getting documents completed and signed and supplying information) which the first party (after consultation with the second party) reasonably asks and considers necessary for the purposes of:

(i) ensuring that the Security Interest is enforceable, perfected and otherwise effective;

(ii) enabling the first party to apply for any registration, or give any notification, in connection with the Security Interest so that the Security Interest has the priority required by the first party; or

(iii) enabling the first party to exercise rights in connection with the Security Interest.

(b) A Party is not required to give any notice under the PPS Act to the other Party or any other person and each Party waives the right to receive any such notice (including a notice of ‘Verification Statement’ as this term is defined under the PPS Act) unless the notice is required by the PPS Act and that obligation cannot be excluded.

(c) To the extent that this Agreement gives rise to a Security Interest, the Parties agree that for the purposes of section 115 of the PPS Act, the following sections of the PPS Act will not apply to any Relevant Collateral:

(i) section 95 (notice by Secured Party of removal of Accession);

(ii) section 121(4) (notice by Secured Party of enforcement of Security Interest in liquid assets);

(iii) section 125 (obligation of Secured Party to dispose of or retain Collateral after seizure);

(iv) section 130, to the extent that it requires a party to give any notice to the other party (notice by Secured Party of disposal of Collateral);

(v) section 132(3)(d) (obligation of Secured Party to show amounts paid to other Secured Parties in statement of account);

(vi) section 132(4) (statement of account by Secured Party if it does not dispose of Collateral within prescribed period);

(vii) section 135 (notice by Secured Party of retention of Collateral);

(viii) section 142 (redemption of Collateral); and

(ix) section 143 (reinstatement of Security Agreement).

\subsection*{39.1 Notice of contravention of price differentiation limitations}

If the Access Holder (\textbf{Claimant Access Holder}) believes on reasonable grounds that:
(a) Aurizon Network has entered into an Access Agreement with another Network Customer for a Network Train Service that transports the same specified commodity in the same specified geographic area as a Train Service operated using the Access Rights granted under this Agreement (Like Train Service); and

(b) the access charge applicable to the Like Train Service has been developed in contravention of the limits on price differentiation set out in the Access Undertaking (including the value of the access charge, take or pay terms and terms of payment),

then the Claimant Access Holder may provide written notification to Aurizon Network which must include the reasons why the Claimant Access Holder considers this to be the case.

39.2 Aurizon Network’s response

Within 20 Business Days after receipt of such notification, Aurizon Network must advise the Claimant Access Holder:

(a) whether or not Aurizon Network agrees that the Access Agreement with the other Network Customer is for a Like Train Service and, if not, the reasons why Aurizon Network considers this to be the case;

(b) if Aurizon Network agrees that the Access Agreement with the other Network Customer is for a Like Train Service, whether or not Aurizon Network agrees that the access charge applicable to the Like Train Service has been developed in contravention of the limits on price differentiation set out in the Access Undertaking and, if not, the reasons why Aurizon Network considers that the access charge applicable to the Like Train Service has not been developed in contravention of the limits on price differentiation; and

(c) if Aurizon Network agrees that the access charge applicable to the Like Train Service has been developed in contravention of the limits on price differentiation, then within 40 Business Days after the advice provided under this clause 35.2 39.2, Aurizon Network must advise the Claimant Access Holder:

(i) whether or not Aurizon Network has been able to vary the access charge applicable to the Like Train Service such that it no longer contravenes the limits on price differentiation set out in the Access Undertaking; or

(ii) if Aurizon Network has not been able to vary the access charge applicable to the Like Train Service, that Aurizon Network agrees to the reduction of the Access Charges payable by the Claimant Access Holder, including the amount of the proposed reduced Access Charges.

39.3 Disputes

If the Access Holder does not agree with Aurizon Network’s response, the dispute must be referred to an Expert for resolution in accordance with clause 27.3 28.3.

39.4 Interaction with other Network Customers

If:
(a) another Network Customer notifies Aurizon Network that it believes that some or all of the Claimant Access Holder’s Train Services are a “Like Train Service” as defined in the other Network Customer’s Access Agreement to a Network Train Service operated by the other Network Customer, and that the Access Charge has been developed in contravention of the limits on price differentiation set out in the Access Undertaking; and

(b) Aurizon Network agrees that this Agreement is for a Like Train Service and that any Access Charge under this Agreement has been developed in contravention of the limits on price differentiation set out in the Access Undertaking,

then Aurizon Network has the right by notice to the Claimant Access Holder to vary the Access Charge such that it no longer contravenes the limits on price differentiation set out in the Access Undertaking.

40  JV Participants and liability

40.1  Applicability

This clause 39 only applies if item 5 of Schedule 1 states that it applies.

40.2  Warranty

The Access Holder warrants that it enters into this Agreement as agent for the JV Participants in their respective percentage interests in the Joint Venture from time to time.

40.3  JV Participants and percentage interests

(a) The percentage interest of the JV Participants in the Joint Venture will be as notified by the Access Holder to Aurizon Network from time to time, in accordance with this Agreement.

(b) As at the Commencement Date, the respective percentage interests of the JV Participants in the Joint Venture are as specified in item 7 of Schedule 1.

40.4  Liability of JV Participants

(a) The liability of each JV Participant under this Agreement will, subject to clause 39.4(c), be several in respect of Financial Obligations in proportion to their respective percentage interests.

(b) Each JV Participant will be jointly and severally liable in respect of the performance of any obligations under this Agreement that are not Financial Obligations.

(c) Subject to clause 39.4(e), if a JV Participant is in default of a Financial Obligation, and the Access Holder has not given notice to Aurizon Network identifying the defaulting JV Participant within five Business Days after the date of Aurizon Network giving a notice to the Access Holder identifying the default, all JV Participants will be jointly and severally liable for the performance of the Financial Obligation.

(d) Any notice given by the Access Holder under clause 39.4(c) is conclusive evidence that the JV Participant specified in the notice is the JV Participant that is in default and the notice binds all JV Participants.
(e) If a Financial Obligation is a payment obligation which does not have a specified due date, then clause 39.440.4(c) comes into effect only if:

(i) Aurizon Network notifies the JV Participants of the failure to comply with the Financial Obligation; and

(ii) the default is not remedied after a reasonable time (of at least 20 Business Days) from the date the JV Participants receive the notice under clause 39.440.4(e)(i).

40.5 Termination and Suspension

For the avoidance of doubt, where a Suspension Event or Termination Event is attributable to or relates to an act or omission of one or more (but not all) of the JV Participants, Aurizon Network will be entitled to suspend or terminate (as applicable) this Agreement under clauses 29 and 30 (as applicable) despite the Suspension Event or Termination Event (as applicable) not being attributable to or relating to an act or omission of all of the JV Participants.

Access Charge Rates for a Train Service Type means the rates specified in item 2 of this Schedule 4 for that Train Service Type.

Access Charges for the purposes of this Schedule 4 means:

(a) for a Billing Period means the amount calculated in accordance with item 3.1 of this Schedule 4 for the Billing Period; and

(b) for a Train Service Type for a Billing Period means the amount calculated in accordance with item 3.2 of this Schedule 4 for the Train Service Type and Billing Period.

Adjustment Charge for a Billing Period means the amount calculated and approved as an Adjustment Charge (as defined in the Access Undertaking) in accordance with the Access Undertaking for that Billing Period.

Advice Date in respect of a Change in Reference Tariff Provisions means the date on which the QCA’s decision making or approving the Change in Reference Tariff Provisions is first published by the QCA.

Change in Reference Tariff Provisions means any change (including variation, repeal or replacement) of:

(a) the Reference Tariff Provisions; or

(b) the Reference Tariffs (including the creation of a new Reference Tariff), made or approved by the QCA from time to time.

Corresponding Train Service for a Train Service Type means a Network Train Service which:

(a) has an origin and destination which is the same as the Origin and Destination for the Train Service Type;

(c) is subject to the same type of Reference Tariff as the Reference Tariff Type for that Train Service Type,

and operated under an Access Agreement.

egtk means the electric gross tonne kilometres attributed to the relevant Train Service, being:

(a) the gtk for the Train Service, if that Train Service uses electric traction; and

(b) zero, if the Train Service does not use electric traction.

End User means in respect of Network Train Services operated in relation to an origin to destination, the person who is either:

(a) the “Customer” (as defined under the Access Undertaking) for those Network Train Services; or
(b) if there is no “Customer” (as defined under the Access Undertaking), the Access Holder for those Network Train Services under an Access Agreement.

**Expansion Tariff** has the meaning given in the Access Undertaking.

**Gross Tonnes** for a Train Service (whether loaded or empty) operated for a Train Service Type means the amount which is the sum of:

(a) for each locomotive comprised in the Train Service, the Maximum Gross Mass for that locomotive;

(b) for each loaded or partly loaded Wagon comprised in the Train Service:

   (i) if there is a functioning Weighbridge located en route between the Origin and Destination for the Train Service Type, the mass of the Wagon as determined at such Weighbridge (provided that if there is more than one functioning Weighbridge located en route between the Origin and Destination for the Train Service Type, the mass will be determined by the Weighbridge that is located closest to the Origin for the Train Service Type); and

   (ii) if there is no functioning Weighbridge located en route between the Origin and Destination for the Train Service Type, the amount (expressed in tonnes rounded to two decimal places) calculated in accordance with the following formula for each loaded or partly loaded Wagon comprising the Train Service:

   $$(\text{MGM} - \text{TW}) \times \text{LEF} + \text{TW}$$

   Where:

   \( \text{MGM} \) = the Maximum Gross Mass for the Wagon

   \( \text{TW} \) = the Tare Weight for the Wagon

   \( \text{LEF} \) = the Loading Efficiency Factor for the Train Service

(c) for each empty Wagon comprised in the Train Service, the Tare Weight for the Wagon; and

(d) for all other Rollingstock comprised in the Train Service, the Maximum Gross Mass for the Rollingstock.

**gTK** for an operated Train Service (whether loaded or empty) for a Train Service Type means the amount which is the Gross Tonnes for the Train Service for the Train Service Type multiplied by:

(b) if the Train Service was operated from the Destination to Origin for the Train Service Type, the number of kilometres of the empty distance from the Destination to Origin for the Train Service Type as specified in the Train Service Description for that Train Service Type.

**GTK Forecast** has the meaning given in the Access Undertaking.

**Loading Efficiency Factor** for a **loaded** Train Service means:
(a) if a loading efficiency factor has been agreed in writing between Aurizon Network and the QCA as applicable to this Access Agreement, that loading efficiency factor;

(b) if paragraph (a) does not apply and a loading efficiency factor (however described) is specified in or can be determined from Aurizon Network’s Access Undertaking, that loading efficiency factor (expressed as a percentage); or

(c) if paragraph (a) or (b) does not apply, 98%.

**Maximum Gross Mass** for a Wagon or other Rollingstock has the meaning given in the applicable Train Operations Deed.

**Net Tonnes or “nt”** for a Train Service (whether loaded or empty) operated for a Train Service Type means:

(a) the Gross Tonnes for the Train Service; less

(b) the sum of:

   (i) for each locomotive comprised in the Train Service, the Maximum Gross Mass for the locomotive;

   (ii) for each Wagon (whether loaded or empty) comprised in the Train Service, the Tare Weight for the Wagon; and

for all other Rollingstock (whether loaded or empty) comprised in the Train Service, the Tare Weight for the Rollingstock.

**Nominal Train Payload** has the meaning given in the Access Undertaking.

**ntk** for a Train Service (whether loaded or empty) operated for a Train Service Type means the amount which is the Net Tonnes for the Train Service multiplied by:

TOP Charge:
(a) for a Year means the amount which is the sum of the “TOP Charge” (as defined in paragraph (b) of this definition) for each Train Service Type for the Year; and
(b) for a Train Service Type for a Year means, subject to item 5.2 of this Schedule 4, the amount calculated in accordance with item 4 of this Schedule 4 for the Train Service Type and Year.

1.2 Access Charge Rates definitions
In this Schedule 4, a reference to any Access Charge Rate for a Train Service Type means the Access Charge Rate as varied from time to time in accordance with this Agreement.

1.3 Final Year of Agreement
For the purposes of this Schedule 4, if this Agreement does not end on 30 June of any Year, the final Year of this Agreement will be the twelve (12) Month period commencing on the 1 July occurring before the date of the expiration or termination of this Agreement and ending on the 30 June occurring after the date of the expiration or termination of this Agreement.

[Drafting note: If a Train Service Type has a cross system component to it, this table will be populated in accordance with the cross system pricing rules in Schedule F of the Access Undertaking, and in particular for clarity note that the access charge is based on a cross system reference tariff. Where there is an 'Expansion Tariff' (as defined in the Access Undertaking), this table will be populated in accordance with Schedule F of the Access Undertaking for the correct expansion tariff.]

3 Calculations for Access Charge

3.1 Calculation of Access Charges for Billing Period

The Access Charge for a Billing Period is the sum of each of the following for the Billing Period:

(a) the Access Charge for each Train Service Type operated during the Billing Period calculated in accordance with item 3.2 of this Schedule 4; and

(b) the Adjustment Charge (if any) applicable to the Billing Period.

3.2 Calculation of Access Charges for Train Service Type

The Access Charge for a Train Service Type is calculated as:

\[
\left( \bar{A_T} \times \bar{g} \right) + \left( A_{T2} \times \bar{r} \right) + \left( A_{T3} \times \bar{n} \right) + \left( A_{T4} \times \bar{t} \right) + \left( A_{T5} \times \bar{e} \right) \times \frac{\bar{Q}}{1000} + \text{TOP Charge}
\]

where:

(a) \( \bar{A_T} \) is the incremental maintenance tariff specified as the \( \bar{A_T} \) input in the Access Charge Rates for the relevant Train Service Type;

(b) \( A_{T2} \) is the incremental capacity tariff specified as the \( A_{T2} \) input in the Access Charge Rates for the relevant Train Service Type;

(c) \( A_{T3} \) is an allocative tariff specified as the \( A_{T3} \) input in the Access Charge Rates for the relevant Train Service Type;

(d) \( A_{T4} \) is an allocative tariff specified as the \( A_{T4} \) input in the Access Charge Rates for the relevant Train Service Type;

(e) \( A_{T5} \) is the electric access tariff specified as the \( A_{T5} \) input in the Access Charge Rates for the relevant Train Service Type;

(f) \( \bar{E} \) is the electric energy charge which is initially (from the Commencing Date) as specified as the \( \bar{E} \) input in the Access Charge Rates for the relevant Train Service Type, and after the Commencing Date as otherwise published by Aurizon Network on the Website on or about each 31 May during the Term after Aurizon Network seeks and obtains the QCA’s approval for a new electric energy charge (taking into account any over or under recovery in the previous Year);

(g) \( \bar{Q} \) is the QCA levy charge specified as the \( \bar{Q} \) input in the Access Charge Rates for the relevant Train Service Type;

(h) \( \text{TOP Charge} \) is, if the Billing Period is a Billing Period ending on 30 June,
the TOP Charge for each Train Service Type for the Year in which that 30 June occurs; and

(i) each of gtk, rtp, ntk, nt, egtk is the sum of the gtk, rtp, ntk, nt, egtk, as applicable, for all Train Services for the relevant Train Service Type operated during the relevant Billing Period.

3.3 Clarification matters for calculation of Access Charges

(a) The Access Charge is GST exclusive.

(b) For clarity, for the purposes of this Schedule 4, a Train Service is a one way Train Service, that is, the journey from the Origin to the Destination is one Train Service, and the return journey from the Destination to the Origin is a second Train Service.

4 Calculation of TOP Charge

4.1 System Test

(a) This item 4.1 of Schedule 4 only applies to a Train Service which has a Reference Tariff Type which is a ‘System Reference Tariff’ (as defined in the Access Undertaking).

(b) Subject to items 4.1(a) and 5.2 of this Schedule 4, the TOP Charge for a Train Service for a Year will be zero if:

\[ TGtkY > (FGtkY - NGtkY) \]

where:

\( TGtkY \) = the Tariff Gtk for that Train Service for the relevant Year

\( FGtkY \) = the Gtk Forecast for the relevant Year

\( NGtkY \) = the “gtk” (as defined in the Access Undertaking) not achieved due to the non-operation of Network Train Services (that are subject to the same type of Reference Tariff as the Reference Tariff Type for that Train Service) for Aurizon Network Cause for the relevant Year.

4.2 TOP Charge

(a) If the TOP Charge for a Train Service Type for a Year is not zero as a result of the operation of item 4.1 of this Schedule 4, the TOP Charge for that Train Service Type for the Year, subject to item 5.2 of this Schedule 4, is calculated as follows:

(i) first, the maximum potential TOP Charge will be calculated based on items 4.2(c) to 4.2(d) of this Schedule 4; and

(ii) second, that maximum potential TOP Charge will be adjusted by applying each of:

(A) item 4.2(f) (Mine capping); and

(B) item 4.2(g) to (i) (Tariff capping),

as applicable and in that order to determine the actual TOP Charge for that Train Service Type.
(b) If the TOP Charge for a Train Service Type for a Year is not zero as a result of the operation of item 4.1 of this Schedule 4, the TOP Charge for that Train Service Type for the Year:

(i) is determined for each Year;
(ii) is invoiced for each Year following completion of that Year; and
(iii) must not be less than zero.

(c) The maximum potential TOP Charge for a Train Service Type will be calculated as the amount which is 100% of the amount calculated as:

\[
\left( AT_2 \times rtp \times NTS \right) + \left( AT_3 \times \frac{ntk}{1000} \right) + \left( AT_4 \times nt \right)
\]

where:

(i) each of AT2, AT3 and AT4 are the incremental capacity tariffs specified as the AT2, AT3 and AT4 inputs in the Access Charge Rates for the relevant Train Service Type;
(ii) the nt and ntk (as applicable) are calculated by:

(A) the aggregate nt and ntk (as applicable) that would have been achieved for the relevant Year had the full contracted entitlement been railed for the relevant Train Service Type; less

(B) the aggregate nt and ntk (as applicable) not railed for the relevant Year due to the non-operation of Train Services for an Aurizon Network Cause; less

(C) the aggregate nt and ntk (as applicable) railed for the relevant Year; and

(iii) NTS is calculated as:

(A) the number of Train Services for the relevant Train Service Type that the Access Holder would have operated for the relevant Year had the full contracted entitlement been railed; less

(B) the number of those Train Services that either:

(1) were not able to be operated solely as a result of an Aurizon Network Cause; or

(2) were operated (whether loaded or empty) during that Year.

(d) To calculate nt and ntk for the purpose of item 4.2(c)(ii) of this Schedule 4, Aurizon Network must:

(i) identify the number of Train Services for the relevant Train Service Type that would have operated under this Agreement had the full contracted entitlement been used; and

(ii) determine the number of Train Services for the relevant Train Service Type that did not operate under that contracted entitlement due to an Aurizon Network Cause, provided that if the Access
Holder has more than one Access Agreement for the same origin to destination pair, Aurizon Network will allocate those Train Services as between this Agreement and the other Access Agreements in the order in which those Access Agreements were executed (unless the relevant Access Holder has nominated a different order, in which case that order will be applied), and calculate the nt and ntk by using the Nominal Train Payload applicable for the relevant Reference Tariff.

(e) For the purpose of calculating TOP Charges, the Access Holder’s entitlement to operate Train Services is, without limitation, determined by reference to the Train Services that could have been operated in accordance with this Agreement including even if:

(i) where the Access Holder is not a Train Operator:
   (A) the Access Holder has not nominated a Train Operator to utilise Access Rights relevant to all or any of the Train Services;
   (B) either:
      (1) the Access Holder must ensure a Train Operator does not operate; or
      (2) Aurizon Network suspends the right of the Access Holder to have a Train Operator operate, all or any of the Train Services; or
   (C) under the relevant Train Operations Deed, either:
      (1) the relevant Train Operator must not operate; or
      (2) Aurizon Network suspends the right of the relevant Train Operator to operate, all or any of the Train Services; or
(ii) where the Access Holder is a Train Operator, the Access Holder must not operate, or Aurizon Network suspends the right of the Access Holder to operate, all or any of the Train Services, except to the extent of any express exceptions specified in this Agreement for the purpose of calculating the TOP Charge where the Access Holder is taken to not have an entitlement to operate the relevant Train Service Type.

Mine capping

(f) If:

(i) Train Services operated in relation to a Train Service Type in respect of an End User under this Agreement, has not exceeded the Train Service Entitlement in this Agreement; and

(ii) there is another Access Agreement (excluding Access Agreements executed or renewed prior to 1 October 2010) (Other Agreement) with Corresponding Train Services that have been exceeded,
then the TOP Charge under this Agreement will be reduced by the amount of the additional revenue from Access Charges for AT2-4 from those excess Train Services under the Other Agreement but only to the extent that:

(iii) both that Take or Pay liability and those Access Charges are set by reference to the same Reference Tariff;

(iv) the additional revenue under the Other Agreement has not been utilised to reduce the Take or Pay liability under another Access Agreement (other than this Agreement or the Other Agreement); and

(v) the additional revenue from the Other Agreement can only be used for a reduction of TOP Charge under this item 4.2(f) of this Schedule 4, in respect of the Year in which that additional revenue arose and cannot be accrued, rolled over or otherwise used to reduce a TOP Charge for any other Year.

**Tariff capping**

(g) Item 4.2(h) of this Schedule 4, must only be applied after item 4.2(f) of this Schedule 4, (if applicable) has been applied.

(h) Subject to items 4.2(i), and to item 4.2(f) of this Schedule 4, (if applicable) having first been applied, if the Total Actual Revenue (as defined in the Access Undertaking) for AT2-4 in relation to access charges for all Access Agreements set by reference to the relevant Reference Tariff less the aggregate amount of Tariff Take or Pay (as defined in the Access Undertaking) that Aurizon Network is entitled to earn from all Access Agreements executed or renewed on or after 30 June 2006 (other than any new or varied Access Agreement to the extent entered or varied as part of transferring Access Rights from existing Access Agreements in place on the day immediately prior to 30 June 2006 under a provision of the Access Agreement which permits the transfer of Access Rights) (Total Revenue) is:

(i) greater than or equal to the Allowable Revenue (as defined in the Access Undertaking) for AT2-4 in relation to the relevant Reference Tariff, the TOP Charge is not payable for that Year under this Agreement; or

(ii) less than the Allowable Revenue (as defined in the Access Undertaking) for AT2-4 in relation to the Reference Tariff:

(A) Aurizon Network must calculate the aggregate amount of Tariff Take or Pay (as defined in the Access Undertaking) that Aurizon Network is entitled to earn from all Full Take or Pay Agreements (as defined in the Access Undertaking) (Total Actual Take or Pay); and

(B) if the Total Actual Take or Pay exceeds the amount by which the Allowable Revenue for AT2-4 in relation to the relevant Reference Tariff exceeds the Total Revenue from Access Charges set by reference to the relevant Reference Tariff (Maximum Take or Pay Amount), then:
(1) Aurizon Network will calculate for each relevant Access Holder, the proportion that the Access Holder’s Tariff Take or Pay amount bears to the Total Actual Take or Pay (Proportion); and

(2) the TOP Charge will be reduced by an amount equal to the Access Holder’s Proportion of the Maximum Take or Pay Amount.

(i) In determining what Aurizon Network would be entitled to earn for the purposes of item 4.2(h) of Schedule 4, Aurizon Network is deemed to have contracted on the terms of the relevant Standard Access Agreement (as defined under the Applicable Undertaking) that applied on the date of execution or renewal of an Access Agreement, except for:

   (i) those Access Agreements which have been altered by agreement from that form in a manner consistent with the terms of any Approved Undertaking or approval of the QCA, in which case Aurizon Network’s entitlement will be calculated in accordance with the terms of such Access Agreements; and

   (ii) a New Access Agreement to the extent entered into as part of transferring Access Rights from an Old Access Agreement executed under the 2001 Undertaking, under a provision of the Access Agreement which permits the transfer of Access Rights, in which case Aurizon Network’s entitlement to Tariff Take or Pay amounts will be calculated on the basis that Aurizon Network has contracted on the terms of the relevant Standard Access Agreement (as defined under the 2001 Undertaking) that applied on the date of execution of that Old Access Agreement.

The capitalised terms used in this item 4.2(h) of Schedule 4 have the meaning given them in the Access Undertaking.

4.3 TOP Charge on Expansion Tariff

(a) This item 4.3 of Schedule 4 applies if the Access Charge Rates include a rate set by reference to an Expansion Tariff.

(b) The TOP Charge for each Train Service Type will be calculated in accordance with:

   (i) the formulae in item 4.2(c) of Schedule 4; plus

   (ii) AT5 x egtk / 1000;

   where:

   AT5 is the electric access tariff specified as the AT5 input in the Access Charge Rates for the relevant Train Service Type; and

   egtk is calculated by:

   (A) the aggregate egtk that would have been achieved for the relevant Year had the full contracted entitlement been railed for the relevant Train Service Type; less

   (B) the aggregate egtk not railed for the relevant Year due to the
non-operation of that Train Service Type for an Aurizon Network Cause; less
(C) the aggregate egtk railed for the relevant Year;
provided always that the amount of TOP Charge for the Year must not be less than zero.

(c) In order to calculate egtk for the purposes of item 4.3(b) of Schedule 4, Aurizon Network must:
(i) identify the number of Train Services that would have operated had the full contracted entitlement been used;
(ii) determine the number of Train Services that did not operate under that contracted entitlement due to an Aurizon Network Cause; and
(iii) convert this to egtk by using the Nominal Train Payload for the relevant Reference Tariff as reasonably determined by Aurizon Network.

(d) For clarity:
(i) there is no Take or Pay trigger test, that is item 4.1 of Schedule 4 does not apply; and
(ii) there are no capping mechanisms, that is items 4.2(f) to 4.2(i) of Schedule 4 do not apply.

5 Review of schedule 4

5.1 Acknowledgment
The Parties agree that items 2 to 4 of this Schedule 4 were determined by reference to the Reference Tariff Provisions as at:
(a) if the Train Service Type was a Train Service Type as at the Commencement Date – the Commencement Date; or
(b) if Schedule 2 was varied to include the Train Service Type – the date Schedule 2 was varied to include the Train Service Type.

5.2 Review of schedule 4
(a) Within 20 Business Days after the Advice Date for a Change in Reference Tariff Provisions, Aurizon Network must give the Access Holder a notice (Schedule 4 Variation Notice) specifying variations to:
(i) the Access Charge Rates for any Train Service Type;
(ii) the TOP Methodology; and
(iii) any other aspect of this Schedule 4.
(b) In considering any variations to this Schedule 4 under item 5.2(a) of this Schedule 4 as a result of a Change in Reference Tariff Provisions, Aurizon Network must have regard to:
(i) any change to Reference Tariffs (including new Reference Tariffs); and
(ii) any change to the methodology for calculating take or pay charges under the Access Undertaking;
(iii) any change to the characteristics of the Reference Train Service;
(iv) any differences between the Train Service Description for a Train Service Type and the characteristics of the Reference Train Service;
(v) any change to RTP for the Train Service Type or its calculation;
(vi) other related factors in the Reference Tariff Provisions; and
(vii) the Access Undertaking.

5.3 Dispute

(a) If Aurizon Network gives the Access Holder a Schedule 4 Variation Notice in respect of a Change in Reference Tariff Provisions, the Access Holder may, within 10 Business Days after Aurizon Network gives the Schedule 4 Variation Notice, give Aurizon Network a Dispute Notice which Disputes the variations specified in the Schedule 4 Variation Notice in accordance with clause 24.28.

(b) If a Dispute referred to in item 5.3(a) of this Schedule 4 is not resolved in accordance with clause 24.28, then the Parties must refer the Dispute to an Expert to determine the Dispute in accordance with clause 24.328.3 and item 5.4 of this Schedule 4.

(c) If the Access Holder does not give Aurizon Network a Dispute Notice referred to in item 5.3(a) of this Schedule 4 within the time referred to in item 5.3(a) of this Schedule 4, then:
   (i) the variations specified in the Schedule 4 Variation Notice will take effect on the Review Date for relevant the Change in Reference Tariff Provisions;
   (ii) the Access Holder must not give Aurizon Network a Dispute Notice Disputing the variations specified in the Schedule 4 Variation Notice;
   (iii) any such Dispute Notice which is given by the Access Holder will be of no effect; and
   (iv) the Access Holder must not make any Claim against Aurizon Network in respect of that Dispute.

5.4 Expert determination

If a Dispute referred in item 5.3(a) of this Schedule 4 is referred to an Expert, then:

(a) promptly after the date the Dispute is referred to the Expert, Aurizon Network must provide the Expert with documentation to support the variations specified in the Schedule 4 Variation Notice;

(b) the Expert must:
   (i) undertake to keep confidential all matters coming to its knowledge by reason of the Expert’s appointment and performance of its duties, other than that already in the public domain; and
   (ii) not include such information in its reasons for reaching the determination;
(c) the Expert must review the documentation provided by Aurizon Network under item 5.4(a) of this Schedule 4 and determine whether or not the variations specified in the Schedule 4 Variation Notice are consistent with the Access Undertaking and the relevant Change in Reference Tariff Provisions;

(d) if the Expert determines that the variations specified in the Schedule 4 Variation Notice are consistent with the Access Undertaking and the relevant Change in Reference Tariff Provisions, the variations will take effect on the Review Date for the relevant Change in Reference Tariff Provisions;

(e) if the Expert determines that the variations specified in the Schedule 4 Variation Notice are not consistent with the Access Undertaking and the relevant Change in Reference Tariff Provisions, then:

but Consequential Loss does not include any of the following Claims to the extent that the applicable party would in the absence of this definition be entitled to recover them at law:
