Dear Mr Hall

**Allconnex Water's comments on the SEQ Interim Price Monitoring for 2011/12 – Draft Report**

Allconnex Water appreciates the opportunity to provide comment to the Queensland Competition Authority (the Authority) regarding the *SEQ Interim Price Monitoring for 2011/12 – Draft Report*.

Allconnex Water generally accepts most of the Authority's findings and recommendations. There are some specific issues to which Allconnex Water provides comment for the consideration of the Authority (see Attachment 1). It is only these specific issues that frame Allconnex Water's submission.

The specific issues addressed within the submission should be considered by the Authority as part of its current and future role in prices oversight.

Allconnex Water has also provided updated 2009/10 information requirement templates that ensure a reconciliation with the Councils' statutory accounts and final establishment costs. This will allow the Authority to finalise the opening regulatory asset base for 1 July 2010.

If you require any further information regarding this response please do not hesitate to contact me on (07) 5582 8134 or email: [andrew.foley@allconnex.com.au](mailto:andrew.foley@allconnex.com.au).

Yours faithfully

Kim Wood  
**Chief Executive Officer**
