## CLOSING DATE FOR SUBMISSION: 5 FEBRUARY 2016

---

Public involvement is an important element of the decision making processes of the QCA. Therefore submissions are invited from interested parties concerning its assessment of the QCA Fee Framework. The QCA will take account of all submissions received.

Submissions, comments or inquiries regarding the QCA Fee Framework should be directed to:

### Confidentiality

In the interests of transparency and to promote informed discussion, the QCA would prefer submissions to be made publicly available wherever this is reasonable. However, if a person making a submission does not want that submission to be public, that person should claim confidentiality in respect of the document (or any part of the document). Claims for confidentiality should be clearly noted on the front page of the submission and the relevant sections of the submission should be marked as confidential, so that the remainder of the document can be made publicly available. It would also be appreciated if two copies of each version of these submissions (i.e. the complete version and another excising confidential information) could be provided. Where it is unclear why a submission has been marked 'confidential', the status of the submission will be discussed with the person making the submission.

While the QCA will endeavour to identify and protect material claimed as confidential as well as exempt information and information disclosure of which would be contrary to the public interest (within the meaning of the Right to Information Act 2009 (RTI)), it cannot guarantee that submissions will not be made publicly available.

### Public access to submissions

Subject to any confidentiality constraints, submissions will be available for public inspection at the Brisbane office, or on the website at [www.qca.org.au](http://www.qca.org.au). If you experience any difficulty gaining access to documents please contact us on (07) 3222 0555.
