BRISBANE. QLD 4001

For the Attention of Angus MacDonald

Dear Sir,

**Subject- Irrigation Prices for Seqwater Central Brisbane WSS: 2013-17**

We are stakeholders in the Central Brisbane WSS and hold a current license to draw water from the Brisbane River between Wivenhoe Dam and Mount Crosby. We would be extremely concerned should the QCA come to the conclusion that the documentation provided by Seqwater provides a justification for any charge to be made for water taken direct from the Brisbane River under the capped 7000ML agreement.

We note that the Fernvale Consultation meeting of 22<sup>nd</sup> June was attended by a very small proportion of the 130 License Holders. We consider that the views expressed about the level of charging per ML were not representative of our views or the views of the majority of license holders in the Central Brisbane WSS who attended a meeting of 10<sup>th</sup> July 2012.

We support the views expressed in the attached submission and request the QCA accept this submission on our behalf.

Yours faithfully,

Signature
