Dear Mr Millsteed,

I refer to the draft amending access undertaking submitted to the QCA for approval by Aurizon Network Pty Ltd (**Aurizon Network**) on 22nd December 2025 (**2025 UT5 DAAU**).

Jellinbah Mining Pty Ltd (**Jellinbah Mining**) is writing this letter in its own capacity and as agent for and on behalf of the following joint venture participants:

Jellinbah East Joint Venture:

- (a) Jellinbah Group Pty Ltd;
- (b) Tremell Pty Ltd;
- (c) Sojitz Development Pty Ltd;
- (d) Marubeni Resources Development Pty Ltd

Jellinbah Mining has been directly involved in the consultative process by which the 2025 UT5 DAAU was developed and is satisfied that the process was appropriate and gave Jellinbah Mining a fair and reasonable opportunity to influence the content of the proposed amendments to Aurizon Network's undertaking.

Jellinbah Mining is also satisfied that matters of importance to it have been reflected in the terms of the 2025 UT5 DAAU.

Jellinbah Mining is satisfied that the 2025 UT5 DAAU in the form submitted by Aurizon Network to the QCA on 22nd December 2025 contains an acceptable outcome for access seekers, access holders and their customers, and that those benefits justify the financial outcomes the proposed amendments to Aurizon Network's undertaking secures for Aurizon Network.

Other than as noted below, Jellinbah Mining's support of the draft amending access undertaking submitted by Aurizon Network to the QCA on 22nd December 2025 is conditional on that draft amending access undertaking being approved by the QCA in materially the same form as it was submitted to the QCA. Jellinbah Mining does not by this letter support a draft amending access undertaking that is materially different to the 2025 UT5 DAAU submitted by Aurizon Network to the QCA on 22nd December 2025.

There are some matters contained in the 2025 UT5 DAAU on which Jellinbah Mining does not express a view and in respect of which Jellinbah Mining is happy for the QCA to determine in accordance with its discretion. Those matters are listed in the attachment to this letter.

Subject to the terms of this letter and the condition that the QCA approves the UT in the exact form (subject to immaterial changes) submitted by Aurizon Network to the QCA), Jellinbah Mining and the JV Participants for whom it acts as agent support the QCA's approval of the draft amending access undertaking.

If the QCA makes a final decision to refuse to approve the 2025 UT5 DAAU, then the Company may make further submissions to the QCA including in connection with the 2025 UT5 DAAU.

Please feel free to contact Liam Barry (lbarry@jellinbah.com.au) should you have any matters you would like to discuss.

Yours sincerely
