Dear Mr Cornish

Queensland Rail's costing manual 2026

On 10 June 2026, the Queensland Competition Authority approved Queensland Rail's proposed amendments to its cost allocation manual to apply from 2025-26. The QCA's decision was made in accordance with the relevant provisions of the 2025 access undertaking and the QCA Act and is based on the information supplied by Queensland Rail.

In accordance with section 160 of the QCA Act, we have attached a copy of the approved costing manual.

We will publish this letter and a copy of the approved costing manual on our website, along with Queensland Rail's initial proposal.

If you have any questions about this matter, please contact Adam Liddy on 07 3222 0548 or by email at adam.liddy@qca.org.au.

Yours sincerely
